HUGHES NO UNCERTAIN QUANTITY.
In a speech with the true Republican motto ring in it, Charles Evans Hughes, in accepting the nomination as the nominee of his party for the first office in the land at Carnegie Music Hall, New York City, Monday night stated his position relative to the present campaign.

He declared for a new policy of "firmness and consistency" toward Mexico; for "the unflinching maintenance of all American Rights on land and sea," and for "adequate national defense; adequate protection on both our Western and Eastern coasts."

"We denounce all plots and conspiracies in the interests of any foreign nation," Mr. Hughes said, "Utterly intolerable is the use of our soil for alien intrigues. Every American must unreservedly condemn them and support every effort for their suppression."

The nominee attacked President Wilson's direction of "diplomatic intrigues," "Morse's from the Philippines," "the weakness and

THE BIJOU CHANGES HANDS.
The Bijou moving picture place changed hands during the past week. F. J. Hemminger has sold out his interests to J. J. Shirey, of Latrobe, who has been in the same line of work and is well qualified to continue the good service established by Mr. Hemminger.

Mr. Shirey is of a good family and reputation. He is genial and courteous in disposition. The public is assured the best there is to be had anywhere. Mr. Shirey solicits a continuance of the liberal patronage accorded his predecessor.

Mr. Hemminger and wife will remain here for a month or two and then will go to Illinois to visit at the home of Mrs. Hemminger's parents.

POLICEMEN UNDER COMPENSATION LAW
A decision has been given by the Workmen's Compensation Board which holds that a policeman is a public servant and as such comes under the provisions of the compensation law.

The opinion was given in reversing the referee in a case decided against the city of Reading and appealed to the board by the municipality. The decision will affect the hundreds of municipal divisions in the state.

HILLEGASS—FOLEY.

On Tuesday afternoon at 4 o'clock at the parsonage of the officiating clergyman, Rev. Fr. Brady, pastor of the Catholic church in this place, Mr. Reon Hillegass and Miss Mary Foley, eldest daughter of Mr. and Mrs. Michael Foley, were united in marriage. They were attended by Miss Kathryn Kattan and Mr. Walter Weller. The groom is an employe of the B. & O. railroad company and his duties will now take him to Cuba. The bride left the same night for Washington, D. C., where following a brief stay, the groom will leave for Cuba and the bride will return to her home for a couple of weeks when she too will depart for the Queen of the Antilles. The bride is a charming young lady and is much loved by her many friends. The groom is an estimable and capable young man whose parents live near Dividing Ridge in this county.

GOT THEM AT LAST.

Mr. and Mrs. Tom Weller, who were married here last Wednesday evening, and who so adroitly escaped the usual hilarous and vociferous departure of those just wedded, were made to pay a little penance when they arrived here about 6 o'clock on Tuesday evening.

They were met at the B. & O. station and assisted into an auto, with two horn blowing young men on the front seat. Then the fun began for several other automobiles followed and there was a regular calithumpian serenade to Salisbury and then around the streets of this place. Finally with a stern promise from the popular pair never to treat their dearest friends that way again, Mr. and Mrs. Weller were given their united freedom once more.

ILLUSTRATED SERMON

During the month of August the Sunday evenings will be taken up with ILLUSTRATED SERMONS at the Methodist Episcopal Church. These will all be different from anything that was shown last year. For next Sabbath evening the sermon will be on the Acts of the Apostles, covering the early period of the Christian Church. This will be very interesting in matters of detail and history.

The morning sermon will be on the Eighth Commandment, Thou Shalt Not Steal.

GUARDSMAN HEARS OF MOTHER'S DEATH.

Private Joseph Endsell, now on duty at Camp Stewart, El Paso, Texas, with the Tenth Infantry, on Monday received word of the death of his mother.

The telegram was taken to the young man's tent in the street of Co. C, of Somerset. He went at once to Captain Curtis Truxal to ask for a furlough home. A telegram was sent asking that the remains be kept until the son could make the three days' trip. His pay was advanced and he was soon hurrying home on his sad mission.

BRAWLERS ARRESTED.

Officer Bittner was called up to Shaw Mines on last Sunday afternoon to arrest one of two young men with foreign unpronounceable names, who had gotten into a drunken brawl. The one arrested had used a sharp stone which he applied to his opponent with horrible telling effect. The one arrested was brought to the Meyersdale lockup and on Monday he paid costs and loss of time of the fellow he knocked out, and then both made up, perhaps to try it again when whiskey dominates them both.

ST. PAUL
Several families have been annoyed lately by some one prowling about their homes, presumably with the intention of entering and committing some crime. Notice is hereby served that such visits may become extremely hazardous for those making them in the future.

While H. J. Engle was cutting a small patch of oats, he encountered a large blacksnake, which he killed. It was found that the snake measured five feet, 8 inches.

Oscar Sipple was wearing darkened goggles last week due to irritation caused to one of his eyes by a piece of steel which had lodged in it. Dr. Lichty removed the steel with a magnet.

Harry, the son of Mr. John Engle, had his collar bone broken while playing one day last week.

Mr. and Mrs. Samuel Menges, of Listie, were guests at the Oscar Sipple home on Sunday. Mrs. Menges is a sister of Mrs. Sipple.

Mrs. Gertrude A. Cogan of Philadelphia addressed the congregation of the Reformed Church in the interests of the Woman's Missionary Society. She succeeded in organizing a local branch among the women of St. Paul.

Mrs. Ross Sechler who is a patient in a hospital in Richmond, is doing as well as could be expected. As yet we have nothing of a very encouraging nature to report.

Mr. Joe Hay of Akron, Ohio, was the guest of N. D. Hay of Hay's Park on Sunday. For many years he was one of the substantial citizens of this community.

Many complimentary remarks were exchanged about the "New Minister" play which was performed by home talent in the Reformed Church of this place on Friday evening before a large audience.
