F. B. Black and Mr. A. C. Biglow, president of the Philadelphia Wool and Textile Association 2,000 good breeding ewes can be secured at this time. We can have our choice of two classes of ewes, one the merino-cro and the other a Lincoln-cross; eithe of these two classes will do well in Somerset county, because they are good rangers, carry a heavy fleece fine fiber, as well as the power of throughing lambs that are of good mutton conformation. The price of these ewes will range between twelv and fourteen dollars.

Mrs. F. B. Black has done much in arranging in the securing of these sheep and has taken the matter up with the De Hausfrauer Society, which is arranging for the may car load and possibly too. Every farmer should avail himself in so far as possible to secure some of these sheep. Arrange. ments can be made for the securing of these sheep through the office of the Farm Bureau, and any information, concerning the same can be optained upon request.
