They Killed a Bear.

The last Sunday in July 1916, a bear was killed on the Chestnut Ridge, on the farm of Howard Walker. This killing was illegal as it was out of season and also was committed on the "first day of the week, commonly called Sunday."

Game Warden, H. E. Bittner, was placed on the case and recently K. D. Rogers was sent to his assistance. Suspicion rested upon J. H. Smith and R. E. Zimmerman and clues tending in that direction were run down until evidence sufficient to convict was found, when Mr. Rodgers, the game warden from Cambria county, made information, and the parties suspected were confronted with the evidence, and confessed that they did the act, that Mr. Smith shot the bear, and was assisted in rounding it up and after details by Mr. Zimmerman. They settled by paying the usual fine of \$125.00 and took a filed receipt.

JULY FOURTH

Meyersdale will celebrate the Glorious Fourth. A number of bands have been engaged and various committees have been appointed, and all are working hard under the guidance of the Boosters' President, H. M. Cook, who with his usual untiring energy is pushing along toward first place. There will be all kinds of amusements, games and music. The ball will open early on that day and continue until 11 p. m. You will make a great mistake to go anywhere else than to Meyersdale on that occasion. There will be eats of all kinds to be had.

Rest rooms will be provided for ladies and children.

A grand parade will open the day and there will be something doing every minute.

Comrads Attention.

The Commander of M. C. Larry Post 214 requests that every member of the Post shows his patriotism by flinging "Old Glory" to the breeze and let her float until the rights of the U. S. are vindicated.

H. C. McKinley, Commander.

2-10 CENT PACKAGES BEST CORN STARCH FOR 25 CENTS AT BITTNER'S GROCERY.

You Can Make Excellent Cake with Fewer Eggs

Just use an additional quantity of Royal Baking Powder, about a teaspoon, in place of each egg omitted.

This applies equally well to nearly all baked foods. Try the following recipe according to the new way:

CREAM LAYER CAKE

Old Way

- 1 cup sugar
- 1/2 cup milk
- 2 cups flour
- 2 teaspoons Royal Baking Powder
- 3 eggs
- 1/2 cup shortening
- 1 teaspoon flavoring

New Way

- 1 cup sugar
- 1 cup milk
- 2 cups flour
- 4 teaspoons Royal Baking Powder
- 1 egg
- 2 tablespoons shortening
- 1 teaspoon flavoring

Makes 1 Large 2-Layer Cake

DIRECTIONS—Cream the sugar and shortening together, then mix in the egg. After sifting the flour and Royal Baking Powder together two or three times, add it all to the mixture. Gradually add the milk and beat with spoon until you have a smooth pour batter. Add the flavoring. Pour into greased layer cake tins and bake in a moderately hot oven for twenty minutes. This is the best baked in two layers. Put together with cream filling and spread with white icing.

ROYAL BAKING POWDER

made from Cream of Tartar, derived from grapes.

just as soon as they slip into them. A very good reason for this valuable attribute is that they are

truly masculine in design and perfectly balanced in fit. Their tailoring is assurance of their retaining their original lines long past the period in which a suit might be termed "new."

Young men will find a great variety of models, many quite radical; men of years will find models designed precisely for them and so will men of stout and slim proportions.

Quality considered, "High Art" suits are inexpensive.
