## These Clothes Reflect Success—

**APPAREL** so often reflects  
a success that we have become  
accustomed to associating the  
well dressed man with accom-  
plishment.

Of course, this applies inversely.  
Handicapped is he who though  
capable destroys the impression  
of capability through carelessness  
in his wardrobe.

## Fewer Eggs are required with ROYAL BAKING POWDER

In many recipes the number of eggs may be reduced  
with excellent results by using an additional quantity  
of Royal Baking Powder, about a teaspoon, for each egg  
omitted. The following recipe is a practical example:

### Chocolate Sponge Roll

1 1/2 cups flour	2 tablespoons melted shortening
1/2 teaspoon salt	1/4 cup hot water
1 cup sugar	1 teaspoon vanilla
2 eggs	2 teaspoons Royal Baking Powder
2 squares melted chocolate	

The old method called for 4 eggs and no baking powder

**DIRECTIONS**—Sift flour, baking powder and salt together three  
times. Beat whole eggs. Add slowly sugar, then boiling water  
slowly; add next vanilla, melted chocolate and melted shortening,  
without beating. Sift in dry ingredients, and fold in as lightly as  
possible. Pour into large baking pan lined with oiled paper, and  
bake in slow oven twenty minutes. When done, turn out on a  
damp, hot cloth, spread with white icing, and roll.

Booklet of recipes which economize in eggs and other  
expensive ingredients mailed free.
