Fewer Eggs are required with

## ROYAL BAKING POWDER

In many recipes the number of eggs may be reduced with excellent results by using an additional quantity of Royal Baking Powder, about a teaspoon, for each egg omitted. The following recipe is a practical example:

#### Chocolate Sponge Roll

3/4 cups flour  
1/2 teaspoon salt  
1 cup sugar  
2 eggs  
2 squares melted chocolate

2 tablespoons melted shortening  
1/2 cup hot water  
1 teaspoon vanilla  
2 teaspoons Royal Baking Powder

The old method called for 4 eggs and no baking powder

DIRECTIONS—Sift flour, baking powder and salt together three times. Beat whole eggs. Add slowly sugar, then boiling water slowly; add next vanilla, melted chocolate and melted shortening, without beating. Sift in dry ingredients, and fold in as lightly as possible. Pour into large baking pan lined with oiled paper, and bake in slow oven twenty minutes. When done, turn out on a damp, hot cloth, spread with white icing and roll.

Booklet of recipes which economize in eggs and other expensive ingredients mailed free.

## "Tailoring First" in Palm Beach Suits

THE genuine Palm Beach Cloth has merit—that is an established fact—but the first essential to satisfaction in clothes made of this feather-weight mid-summer cloth, is tailoring.

Palm Beach suits bearing the "High Art" label are tailored with a view to making this otherwise rather delicate fabric, service-giving and shape-retaining and since there is hardly anything cooler than a Palm Beach suit, one who would enjoy mid summer comfort, should buy a
