An Accurate Watch

—no matter what your work is

SIMPLE and strong. That's the kind of mechanism in Ingersoll watches. That's why they stand hard knocks—why an Ingersoll is the watch for you.

Ingersolls are accurate—guaranteed accurate. That's been proved to the 50 million people who have bought them.

At this store you can see all the different models—for men and women, boys and girls—for pocket, wrist or household use. Let us help you select your
