MONEY NOT TIED UP.

There seems to be an idea held by some that money invested in a Liberty Loan Bond is going to be tied up for fifteen or thirty years. This belief is not warranted. Probably no property in the world outside of actual money or currency will have a wider and more ready and constant cash market than the Liberty Bond.

There will be a constant demand wishes of many friends in the town, made for them from many sources. They are good security for loans from including the Commercial. the Federal reserve banks; courts have decided that they are legal and proper investments for trust funds; they are legal investments for in-John Domer of Grant street has in his possession two valuable relics of the civil war.
