LIFE IN THE ARMY

Corozal, Panama, C. Z. August 19, 1917

Editor Commercial:—

In the Army

No more ham and eggs or grapefruit
When the bugle blows forchow.
No more apple pie or dumplings
For we're in the Army now;
And they feed us "Beans" for breakfast

And at noon we have them too
And at night they fill our "tummies"
with good old Army Stew.

No more fizzes, beer or highballs
When we get an awful thirst,
If your thinking of enlisting
Better get used to water first,
For the lid's on tight all over
We all wear O. D. stuff;
But we can't cool off on liquor
'Cause we wear the Uniform

No more shirts of silk and linen,
We all wear O. D. stuff
No more night shirts or pajamas
For our pants are good enough;
No more feathers, ticks or pillows
But we're glad to thank the Lord
That we got a cot and blanket
When we might have just a board.

For they feed us beans for breakfast,
And at noon we have them too,
And at night they fill our "tummies"
With good old Irish stew;
But, by heck, we'll lick the Kaiser
When the sergeants teach us how,
For, D—' him, he's the reason
That we're in the Army now.

From a Meyersdale boy in Panama,
Corporal Orlin (Sonny) Christner
Troop 'A', 12th U. S. Cav.

The Citizens of Fairhope and Northampton will meet in Joint session at Fairhope on September 3rd, at 1:00 o'clock p. m., to discuss plans to build a low grade county road to connect Glencoe, Fairhope and Williams to Bedford county line into Hyndman. The Northampton township Civic Club meets in Glencoe Hall on the evening of September 8th to talk on good road work. All are cordially invited to attend both of these meetings at Fairhope September 3rd and at Glencoe September 8th. The proposed road is the shortest and the most level road that can be made from Somerset, Berlin, Sand Patch, Glencoe, Fairhope and Williams to Cumberland and will give the farmers of Fairhope and Northampton townships a low grade and easy haul from Hyndman Lime Kiln. All attend these meetings and get shaped up for good roads talk.
