Winter Merchandise

Whatever your needs are buy now and save money at this sale.

Anticipating heavy buying by the people in the early days of the winter trade we bought heavily (and stock was hard to get, mind you,) but as a result of the slow season we find our store overflowing with merchandise of every kind which must be unloaded, hence this Overflowing Stock Sale. Having bought at lowest prices, we are in position now, better than ever, to offer our patrons and the buying-public in general some of the best bargains ever placed before them by a Cumberland merchant. Our goods are identically the same quality for which you pay higher prices elsewhere, and it would please us, indeed, to have the pleasure of a visit from you during this Sale that we might prove to your entire satisfaction our claim for excellence of quality and lowness of price. So, during the days of our Overflowing Stock Sale come in and see us and you'll be cordially received by our force of competent salesmen and sales ladies.

This Special Event Begins at 9:00-a. m. **Friday, November 2** With All Stocks Ready for Inspection

For the period of fifteen days after the above date the prices below enumerated will prevail on every piece of merchandise in our store. This is a house of greatest bargains in wearing apparel of almost any kind your daily needs require, and will be sold during this Overflowing Stock Sale at prices you can pay with ease.
