ST. PAUL.

Mr. and Mrs. Calvin Rhodes are the proud parents of a baby girl.

Gladys Yutzy, of Meyersdale, is at present staying with Mrs. Ada Bodes.

Mr. Clarence Sipple and his sister, Miss Elsie, were visiting relatives in Johnstown last week.

Bertha Faidley and son Fay, who were guests of Mr. and Mrs. Maurice Hostetler, returned home on Friday.

Miss Erma Rockes, accompanied by her gentleman friend, passed through the village Sunday enroute to George Engle's, where she is employed.

The two youngest daughters of Mr. and Mrs. John Kinsinger are seriously ill at this time and are not expected to live. We hope their condition may change for the better.

Miss Minnie Bowman, of Addison, who has been working for Mr. Rhodes for several weeks, left for her home last Friday, and Miss Elizabeth Beal, of Coal Run, is now serving in her place.

A number of St. Paulites attended the funeral of Carl Winters at Jenners Saturday. Carl was well known among the younger set here, his parents having lived in Coal Run, near here, a number of years.

Mrs. Osterling, her daughter Mrs. Clark, and baby, who have been the guests of Mr. and Mrs. Earl Engle, left for their home in Butler, Pa., last Friday. They were accompanied to Meyersdale by Mr. and Mrs. Engle.

Mr. and Mrs. William Sechler, and Mrs. C. J. Engle, were in Meyersdale Sunday to visit Mrs. Simon Bittner, who has been ill for a week but is slowly improving. Mrs. Bittner is a daughter of Mrs. Engle and a sister of Mrs. Sechler.

COAL RUN.

Mrs. "Dud" Hersh is visiting her parents, Mr. and Mrs. Richard Hickson.

Mr. Charles Brant, who fell through the Keystone tippie last Thursday, is recovering from his injuries.

Mr. Cyrus Hoffman moved from our village a short time ago. His many friends will now find him at home in Boynton.

Mr. John Sumac has moved into his new home, the property formerly owned by his father-in-law, Paul Hoffman, deceased.

Mr. Samuel P. Gray, better known as "Pappy Sam," bought the Elizabeth Robertson property and expects to occupy it in the near future.

Mr. John Gray, who has been confined with a serious case of blood poisoning at his father's home here, was removed to his home in Garrett last week.

Mr. George Walker, who had been working in the mines hereabouts for some time, was called to his home in Greensburg last Wednesday, owing to the sickness of Mrs. Walker.

A number of our people went over to Jenners Saturday to attend the funeral, of Carl Winters, son of George Winters, who resided in Coal Run for a number of years and was well known here.

Walter and Charles Hersh have been making trips to Meyersdale quite frequently on Wednesday and Saturday evenings, often not returning home till about 4 o'clock on Monday morning. Many people are wondering why.

Mr. Milton Sheetz moved into his new home which was formerly the property of William James, now of Meyersdale. Ed Gray, who has been occupying the property, moved into the house vacated by Mr. Sheetz, belonging to the Meyersdale Fuel company.

**High Cattle Prices
Accompany
High Beef Prices**

If consumers are to pay less for beef, live-stock raisers naturally will receive less for cattle.

If farmers are paid more for live stock, consumers will necessarily pay more for meat.

Swift & Company pays for cattle approximately 90 per cent of the price received for beef and by-products. The remaining 10 per cent pays for dressing, freight to market, operation of distributing houses, and in most cases, delivery to the retailer. Net profits also have to come out of this 10 per cent.

This margin cannot be squeezed arbitrarily without danger of crippling the only effective means of performing the complex service of converting cattle into meat and distributing this meat to the fighting forces and to consumers.

Swift & Company's net profit on beef during 1917 was only 1/4 of a cent per pound. On all products, it was a little less than four cents on each dollar of sales. Complete elimination of these profits would not affect appreciably retail prices of meat, or farm prices of live stock.

Swift & Company will be glad to co-operate in devising methods that will improve conditions in the meat and live stock industry.

NOTICE TO ALL CONCERNED

Local No. 2774, U. M. W. A., wishes to inform members and others that the Consol mines did not resume work in this region as union mines, no agreement having been made officialy or otherwise. Strikers who resume or who have resumed work are taking upon themselves all responsibility, the Local Union having accepted the Government decision and agreed to contract for same price and condition as an evidence of the desire of members to show their fairness, but the company still refrains from entering into collective bargaining agreement with the elected representatives of its employees.

THE LOCAL UNION PURCHASED A \$500 LIBERTY BOND AS AN ADDITIONAL ACT WORTHY OF YOUR NOTICE.
