

THIS WEEK, NERVOUS MOTHER

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.

Philadelphia, Pa.—“I was very weak, always tired, my back ached, and I felt sickly most of the time. I went to a doctor and he said I had nervous indigestion, which added to my weak condition kept me worrying most of the time—and he said if I could not stop that, I could not get well. I heard so much about Lydia E. Pinkham's Vegetable Compound my husband wanted me to try it. I took it for a week and felt a little better. I kept it up for three months, and I feel fine and can eat anything now without distress or nervousness.”—Mrs. J. WORTHLINE, 2842 North Taylor St., Philadelphia Pa.

The majority of mothers nowadays overdo, there are so many demands upon their time and strength; the result is invariably a weakened, run-down, nervous condition with headaches, backache, irritability and depression—and soon more serious ailments develop. It is at such periods in life that Lydia E. Pinkham's Vegetable Compound will restore a normal healthy condition, as it did to Mrs. Worthline.

Heals Running Sores and Conquers Piles.

Also Stops Itching of Eczema as Soon as Applied.

“I feel it my duty to write you a letter of thanks for your wonderful Peterson's Ointment. I had a running sore on my left leg for one year. I began to use Peterson's Ointment three weeks ago and now it is healed.”—A. C. GIBRATH, 703 Reed St., Erie, Pa.

“I'd rather get a letter like that, says Peterson, than have John D. Rockefeller give me a thousand dollars. It does me a lot of good to be able to be of use to my fellow men.

For years I have been selling through druggists a large box of PETERSON'S OINTMENT for a trifle. The healing power of this ointment is marvelous. Eczema goes in a few days. Old sores heal up like magic; piles that other remedies do not seem to even relieve are speedily conquered. Pimples and nasty blackheads disappear in a week. 30 cents a box.

Prosperity is frequently but the prelude to adversity.

Scenes of Prosperity

Are Common in Western Canada

The thousands of U. S. farmers who have accepted Canada's generous offer to settle on homesteads or buy farm land in her provinces have been well repaid by bountiful crops of wheat and other grains.

Where you can buy good farm land at \$15 to \$30 per acre—get \$2 a bushel for wheat and raise 20 to 45 bushels to the acre you are bound to make money—that's what you can do in Western Canada.

In the provinces of Manitoba, Saskatchewan or Alberta you can get a **HOMESTEAD OF 160 ACRES FREE** and other land at very low prices.

During many years Canadian wheat fields have averaged 20 bushels to the acre—many yields as high as 45 bushels to the acre. Wonderful crops also of Oats, Barley, and Flax. Mixed Farming is as profitable an industry as grain raising. Good schools, churches, markets convenient, climate excellent. Kramer Says: "EATONIC" Rids Weak Stomachs of Acids, Gas, Heartburn, Food Repeating and Stomach Miseries

What miserable feelings are caused by an upset stomach! That dull, heavy, "bloated" sensation that follows a full meal, robs good living of half its pleasures. Is there any way out for you sufferers with stomach weakness?

Yes; H. L. Kramer, the man who originated Cascarets, has found a sure, quick, relief for indigestion, dyspepsia, "sour stomach," heart-burn, formation of painful gases, "bloating," etc., etc. He calls his stomach relief EATONIC, and it certainly is making a wonderful record. Countless thousands of people who formerly approached their meals with dread, now eat their fill of their favorite foods without fear of the after-effects.

Mr. Kramer says: "My EATONIC tablets are the solution of the age-old problem of indigestion and all forms of stomach misery.

"EATONIC neutralizes the acids, that form the painful gases, 'sweetens' the stomach, and gives the gastric juice a chance to do its work as it should.

"To promote appetite and aid digestion, take EATONIC tablets—one or two after each meal. They are perfectly harmless. Eat them just like candy.

"For distress after eating; sour, 'gassy,' acid stomach, vertigo, nausea and belching, and that wretched, puffed-up, 'lumpy' feeling after over-eating; there is nothing to compare with EATONIC Tablets."

All druggists sell EATONIC—50c for a large box. Watch out for imitations. The genuine bears the name EATONIC on each tablet—guaranteed to do all that is claimed; or if your druggist don't carry EATONIC—send to Eaton Remedies Co., Chicago, Ill.
