BELIEVE MINER IS VICTIM OF FOUL PLAY

George Bachule, 45, Found Dead in Shanty at Jenners with Neck Broken—Woman Finds Body.

Presumably a victim of foul play, George Bachule, aged about 45 years, employed as a miner by the Davis Coal & Coke Company, was found dead Monday afternoon in his shanty at Jenners No. 2, near Boswell. The victim's neck was broken.

Discovery of the lifeless body, which was lying on a bed, was made by a neighbor woman, who started an investigation after failing to see Bachule around for several days. The police were notified and County Detectives Ed. Darr and Bert F. Landis from the District Attorney's office and Coroner H. S. Kimmell, all of Somerset, went to Boswell to make an investigation.

Examination of the body disclosed a bruise mark on the nose, which was the only mark found on the body, though his face was smeared with blood. There was a large pool of blood on the floor near the bed. Investigation by the police and Coroner also revealed that an attempt apparently had been made to revive the victim with cold water, as a bucket containing some water was sitting on the floor and the floor was water-soaked.

Coroner Kimmell, after viewing the body and conducting his investigation, announced that the victim came to his death from causes unknown. Though no clues were uncovered by the county officers they will continue their investigation in hope of clearing up the case.

The body was turned over to Undertaker Walter S. Hoffman and on Tuesday was taken in charge by the County Home authorities for burial.

Do You Remember—How Meyersdale Did Wallop That Midland Aggregation.

Saturday morning the Meyersdale Base-Ballists left for Midland, Md., to play a return game with that club. The game on the home ground with the same club the week before resulted in a shut out for the Midland and but for a few costly errors on the part of the Meyersdale players the same state of affairs would have existed in the game at Midland.

Along about the sixth inning when Midland scored 2 runs, it appeared that they were getting our boys "on the run," some of them becoming more or less "rattled," but Riley with more than an ordinary streak of good pitching came gallantly to their rescue snatching order from pandemonium. A feature of the game was the excellent work of the out field of the Meyersdale team, Carey and Neith having 7 put outs between them. The boys speak in terms of highest praise of the treatment they received at the hands of manager Murphy and the Midland people. Following is the tabulation score of the game:

Berie's Cleaning Shop Buys Delivery Truck

Berie's Dry Cleaning Shop purchased a Chevrolet delivery truck last week from The Sellers Motor Co., local distributors of the Chevrolet car in Meyersdale. The truck is fully equipped in every way, having a compartment in the rear where the garments can be hung up very nicely without being wrinkled or molested. We feel sure this purchase was a very wise investment as it will be a very great help in their work.

Increase in Road Tax Refused Greenville Twp.

The meeting of Greenville township supervisors met at Somerset, Monday, March 11th, for the purpose of increasing millage and was very largely attended. Seventeen citizens were present, representing the tax payers of the township, assisted by B. B. Boose, attorney. The court ruled, that no increase of millage be granted at present time, as the taxes at present time, is 15 mills. Supervisors asked for 5 mills increase, which was objected to.

INDUSTRIAL SURVEY OF MEYERSDALE

A. H. Johnson & Co. Monumental Works

February 15, 1906, Alex Johnson started in the monumental business in Meyersdale and has been in business at the same location ever since. When starting in business in 1906, Mr. Johnson employed but one man. While today he has employed during the winter months nine men and in the summer fourteen men. He also employs two salesmen who are located in West Virginia, namely: John Armstrong and John Harsh. The business at the present time is conducted under the name of A. H. Johnson & Co. Memorial Works.

Included in the machinery installed in the plant are seven motors which have 50 H. P., a polishing machine, which polishes both granite and marble, one surfacing machine which is used for rough cutting on the granite and marble, one

six-ton over head crane which is used in handling the raw material, one five-ton over head crane which is used in handling the finished products, three large air compressors which furnish air for the pneumatic tools which are used at the plant.

They have in use at the plant a sand blasting machine which is the only one in use between Baltimore, Md., and Pittsburgh, Pa.

The plant used last year between 12 and 14 car loads of raw material. The company carries a weekly payroll of \$365.00, which is a wonderful help to Meyersdale.

Miss Saylor Is Bride of William Daugherty

Miss Grace Saylor, daughter of Mr. and Mrs. Jacob Saylor, and William Daugherty, son of Mr. and Mrs. Joseph Daugherty, both of Meyersdale, were united in marriage on Tuesday evening by Rev. B. A. Black, pastor of the bride. The ceremony was performed at the bride's home on Broadway. The

young couple have gone to house-keeping in their newly furnished home on High street.

The best wishes of the many friends of the couple go with them.
