

MEYERSDALE HIGH CHAMPIONS IN TITLE CONTEST

Boswell Loses on Berlin Floor to Meyersdale Cagers by Close Score of 38 to 33.

In a closely fought battle Meyersdale High triumphed over the Boswell team last Thursday night at Ream's Auditorium, Berlin in a post-championship game of the County High School Basketball League. The final score was, Meyersdale 38 and Boswell 33.

These two clubs ended the season in the Somerset County league in a tie for the pennant and the game was played for the handsome league championship trophy. Meyersdale won the pennant last season in the league.

Throughout the game the losers put up a strong defense but weakened towards the last few minutes of play. D'Este and Maust starred for the champs and Corley and Daniels carried off the playing laurels for the contenders.

In the first few minutes of play Wagaman caged one and scored another point when Beatty was called on a foul. Daniels basketed the first score for Boswell, Stotler of the new champs followed suit, then Corley, Maust and Daniels caged one each in quick succession. Maust missed his try from the foul line, Corley ringing two more points for the losers. The quarter ended Meyersdale 11, Boswell 10.

The second quarter showed some loose playing by both teams. The tries for the basket went wide of the mark with Maust and Stotler showing a little flash. The former chalking up two goals in a row, the latter caging a beautiful one from the center of the floor. The half ended with Meyersdale 20 and Boswell 18.

The last half the large crowd of fans were given their money's worth when a succession of goals were made by both teams, and flashier playing became the order of the evening. Towards the last few minutes of play the losers threw a scare into the Meyersdale Camp by running three double deckers in a row bringing the count up to a point behind the leaders. But Boswell could not keep up the pace and weakened considerably after Maust added two more for Meyersdale.

Maust led the scorers with seven goals and a foul and Corley and Daniels with six goals a piece were high scorers for the losers.

There will also be musical numbers and short snappy vaudeville attractions throughout the evening, but the principal feature will be a card party for those who enjoy bridge or 500. Refreshments will be served to the players.

Vaudeville numbers will intersperse the dances, and special song numbers will accompany some of the waltzes.
