MOTHER'S DAY

Today, May 12th, will be observed as Mother's Day, a day that is set apart for the people of this country, to show appreciation in some form or another to the mother.

It is indeed most wonderful and gratifying to remember mother on this day as everyone should do, but if you are away or close at hand give your mother a small bouquet, a box of candy, or a card.

Origin of Mother's Day in Dispute

Honor of First Observance Claimed by Town of Henderson, Ky.

It has been the popular belief that the second Sunday in May was the day first suggested for Mother's day, but the natives of this Kentucky town have an entirely different version, writes Martha Lee Forgy from Henderson, Ky., to the New Orleans Item-Tribune.

Folk here, Miss Forgy continues, insist the day was originated by Mary Towles Sasseen Wilson.

Born and reared in this little city, on the south bank of the Ohio river, in the '60s, she labored earnestly to have April 20, her mother's natal day, observed in the schools in the manner in which the day is now celebrated.

In 1893 Miss Sasseen, then a school teacher, published a book setting forth her ideas, aims and objects, dedicating the volume to her mother, with a hope for natural recognition. The book was copyrighted that year.

She traveled extensively and addressed various educational meetings throughout the country in her effort to have the day observed in the schools. It was in the Little Center

Memorials to Be Erected On Monmouth Battlefield

Molly Pitcher, one of Pennsylvania's most famous women, will be remembered by a memorial on the Monmouth battlefield of New Jersey.

This was decided at a meeting of the State Historical Commission. It also was decided to place a fitting memorial to Baron Stiegel, famous maker of colonial times.

The Commission also decided to purchase from the Delaware Indians in Oklahoma, a ceremonial house. This will be transferred to and erected in Harrisburg, as a memorial to the tribe which once lived in that section.

It was decided that the Molly Pitcher memorial will be a large boulder with a bronze plate, showing the Pennsylvania woman in the act of swabbing the cannon which she served as a member of the Continental Army during the battle of Monmouth.
