*Ducks of the combined kinds (Wood ducks and eider ducks excepted) 15 a day, 60 a season. Wild Geese and brant (Swans protected) 5 a day, 30 a season. Federal Laws provide a daily bag limit of 15 gallinules and 25 coots or mudhens, unlimited for season.

*No open season on wild turkeys in Westmoreland, Fayette, or Somerset Counties until 1931. Wild turkeys may be killed between sunrise and sunset only.

*Raccoons may be hunted only between one hour before sunset and one hour after sunrise, except when taken in traps.

All camps or parties hunting in unison for large game must keep a record giving in plain English the name, address and license number of all persons hunting with that party. Three or more persons hunting big game in unison whether camping together or not, must be in possession of such hunting party roster.

Large game must be tagged within six hours after killing, giving in plain English the name, address, license and county numbers of the person killing it, with the location where killed.

Game killed during season may not be held more than 30 days after season. Non-residents may take out of the State any game except Elk, providing such game does not exceed the legal bag limit one person may kill in any two days. Residents may not remove any game out of the State.

Carelessness causes accidents. Help reduce the number of hunting accidents. Prevent forest fires. Cooperate with the game commission. Report violations.
