

"Everyman" Performed on Porch of a Cathedral

For the first time in the history of England, music and drama were presented in a cathedral on the occasion of the Canterbury Cathedral festival. Plays took place outside the west door and in the chapter house, concerts were held in the nave, serenades in the cloisters, and chamber music in the new chapter house. The photograph shows the folk dancers dancing before "Death" during the performance of the drama "Everyman" outside the great door.

selves, do not forget that the County Agent will help you give them. Perhaps the Agricultural Publications Office at State College, Pa., will have a free bulletin giving detailed information. Write and ask.

SCOUT NEWS ITEMS

A report has been received by Scout Executive Seaman of the Somerset County Council, E. S. A. as to the Scout activities at the Jennerstown Fair, which indicates that the Scouts of the Council acquitted themselves with honor. The first Aid station which was established throughout the Fair period handled thirty-two treatments or somewhat more per day.

Valuable help was rendered by the Scouts in providing a service Troop each day of the fair, assist in handling traffic, parking of cars and messenger service.

In the mine competition in First Aid on Wednesday the Scout Troops entering made excellent scores and the two leading troops were separated by only a fraction of a point. Troop 1 of Jerome was first with 97.33 points and Troop 1 of Jenner second with 97 points. Silver loving cups were presented to these troops.

Scout Day on Friday was marred by the rain, but several of the demonstrations were given in First Aid, signalling and fancy drill.

District Meeting At Windber

An important meeting was held at Windber during the past week at which the District organization for District 1 of the Somerset County Council, E. S. A. was completed.

Blaine B. Barefoot, the District chairman presided and presented the details of organization and the program now being carried on by the Council Organization.

A discussion of the program followed and nominations were made for membership on the committee. The election resulted in Mr. Barefoot being re-elected chairman with the following committee to assist him: Vice Chairman, Joseph Miller, Sec. Butler Freeman, Finance, R. W.

Manneval, Troop Organization, Joseph Olson, Leadership Training, Bernard Hostetler; Camping, Charles Estep; Court of Honor, A. G. Faust; Educational Publicity, Norman Stahley; Civic Service and Safety, H. J. Coudriet; Reading, Joseph Hudson; Lone Scouts, E. B. Burgess; Deputy Commissioner, Charles Worley.

The district is comprised of Scalp Level, Windber, Central City, Cairnbrook, Rockingham, Gahagan, and Eureka No. 42. It was decided to attend the joint meeting of the Executive Board and District Committees to be held in Somerset, Sept. 27th.

Scouting For Garrett

A group of interested citizens of Garrett met on Thursday evening to discuss Scouting in that community. After an explanation by Deputy Commissioner Nessley as to the meaning of Scouting to the boy, and a talk as to the parental relationship by Dr. Milne chairman of District No. 4 Court of Honor, the Scout Executive presented the matter of a local organization being formed.

The men agreed to the need for a Scout program and after discussion, decided to elect a Scoutmaster to promote the work. Mr. Wm. C. Clements was elected and has promised to start active Scouting at an early date. Mr. E. F. Snyder of Garrett, Vice chairman of District 4 presided at the meeting and promised the support of the local committee consisting of those present with some additions.

Other Meetings

Three big meetings are planned for the week of Sept. 22nd. On Tuesday evening all those interested in Scouting in Meyersdale are to meet to discuss a plan for more intensive activity in that town. Wednesday in Hooversville a group of representative men will meet to discuss what is needed to make Hooversville Scouting increase to a par with the other communities in Somerset County.

The joint meeting of the Executive Board and District Committees which is scheduled for Friday at Somerset promises to be outstanding in accomplishment in regard to the Council program. The present indications are that there will be a 100 percent

JUST KIDS—Hokey!

attendance of the members and the business session which is part of the program will center on the forming of a years outline of activity for the Somerset County Council Organization.

New Troop At Rockwood

During the past week a new Troop of Scouts has been registered representing Rockwood, J. D. Snyder is Scoutmaster and seventeen Scouts compose the group. It is expected that before long another Troop will be formed in this village which will take its place alongside the one just registered and will furnish a friendly competition. On October 8th there will be a meeting of Scouts which will be followed by a meeting of men to help promote Scouting.

The success of the Graf Zeppelin would seem to indicate that ten years hence we may be able to spend the week end in Paris and get back to work on Monday morning—if we have the money.

Wonder what the jackrabbits thought when they saw the Graf Zeppelin go zooming through the Texas clouds?

FRUIT CALENDAR

Apple Storage—Clean out apple storage and take the necessary measures to insure that it is rat-free this season? Your county can supply you with helpful hints on this subject.

Seed Corn Well—Experiments proved that it pays to cure seed inside, with artificial heat if necessary. Yields twice as great have obtained from fire-dried seed as

from seed stored in the corn crib for drying. Do not let the frost ruin your prospects for a good corn crop next year when proper care will protect the seed already saved.

Improve the Lawn—Sow grass seed now on the bare places in the lawn. Do not mow the grass too closely during the fall months, as this will remove the protection the roots need next winter.

Harvest before Frost—In storing winter squash and pumpkins, harvest them before they have been exposed to frost. State College vegetable specialists urge. Handle carefully to

prevent bruising. Do not remove the stem. Store in a warm, dry place, and try to keep the temperature from fluctuating much. The same requirements hold true for sweet potatoes.

Keep Turkeys Healthy—Feed and protection aid in keeping turkeys fit. Vitamin A, supplied in yellow corn, cabbage, alfalfa, clover, and most greens, increases resistance to colds. Cod liver oil also is beneficial. Late hatched, immature, and thin birds should have shelter at night from the cold.

Farm Problems—When new farm or garden problems present them-

From BARN to BATH TUB

A farmer friend who owns two General Motors cars went to the city the other day and stopped in to see some cousins. They showed him around their new roof garden apartment, eighteen floors above the street, and proudly pointed out their Frigidaire in the pantry.

"Well," chuckled our farmer friend, "Mother has a garden full of old-fashioned flowers that she'd never trade for theirs... and as for the refrigerator, we have a bigger Frigidaire than they have!"

He also mentioned his Delco-Light power system and his DL water pump, which give him every other city convenience. As he often says himself, his farm is "General Motorized from barn to bath tub!"

It is perfectly true that General Motors, through its various units, offers even more to the farm family than to the city family. By applying methods of automobile production to home electric lighting and power plants, water pumping systems, and automatic refrigerators, General Motors can make the reliable kind of product that a farmer wants, at a price he can afford.

GENERAL MOTORS

TUNE IN—General Motors Family Party, every Monday, 8:30 P. M. (Eastern Standard Time) WEAF and 37 associated radio stations.
