ROUGH RIDERS IN THE CAMPAIGN

How Pennsylvania Young Republicans Propose to Turn Out.

WILL RALLY FOR THE TICKET.

A Novel Intention For a Political Campaign is That of the Followers of the Hero of San Juan Hill, Who is on the National Ticket.

(Special Correspondence.) Harrisburg, July 10.—Pennsylvania will be well to the front in enthusiasm and party fervor in the coming presidential campaign.

A proposition has been made to the party leaders to assist in the organization of what shall be known as "Rough Rider" campaign clubs.

These organizations, it is suggested, shall be composed of young Republicans, who will be recruited for the campaign any who will attend mass meetings and other party rallies in the interests of McKinley and Roosevelt and the entire Republican ticket.

ROUGH RIDERS' RIGS. It is proposed that the men who participate in the demonstrations in which these clubs shall figure shall be uniformed in suits of khaki, with the Rough Rider slouch hats and leggings, and each to wear an artificial eye glass, as a sort of suggestion of Roosevelt's personality.

Gen. Reeder, chairman of the Republican state committee, is understood to look with favor upon this suggestion plan to enlist the sympathies and the energies of young Republicans of the state, and it is said, he will make an effort to get Col. Roosevelt to make at least one speech during the present campaign in Pennsylvania.

The local Rough Rider clubs will be gotten together for this occasion and a great oration is promised the vice presidential candidate and the hero of San Juan Hill.

A close friend of Governor Roosevelt remarked a few days ago that had it not been for the position and taken by Col. Quay and his colleagues in the Pennsylvania delegation to the Republican national convention Col. Roosevelt would not have been nominated at the Philadelphia convention.

Col. Quay will not take any undue credit for the attitude of the delegation from this state on the issue of the vice presidency. He made it quite clear that he advocated the nomination of Col. Roosevelt for vice president, not on personal grounds—for it is probable that they had not exchanged a dozen words before they met in Philadelphia prior to the convention—but purely in the interest of the Republican party and with a desire to see the ticket elected. Senator Penrose has been chosen personal friend of Col. Roosevelt for years. They have spent much time together hunting big game in the wild west and as each is fond of that sort of sport a natural feeling

The fire which destroyed the immense Swamp Root medicine plant of Dr. Kilmer & Co., July 1, was the most disastrous which has ever occurred in Binghamton. However, the Kilmers resumed business next morning, though not at their old stand, which has been destroyed ashes. While the firemen were pouring water on the burning Chango street establishment, the Kilmers were arranging to do business somewhere else.

That this great industry might not be crippled for a moment through the courtesy of other prominent firms and citizens, the large factory and adjoining buildings on South street were vacated for the benefit of the Swamp Root people, and possession was taken immediately, and by Monday morning a temporary factory will be turning out Swamp Root, the great Kidney Remedy, in quantities of about 60,000 bottles per day, and in two or three weeks the full capacity of more than four times that amount will be produced. The immense demand for Swamp Root will thus in no way be interfered with.

On the old building adjoining property which has just been purchased will be erected immediately an absolutely fire-proof six-story structure, plans for which have been nearly completed.

If the apple crop this year will be as good one as is reported, applejack will be plentiful in the rural region around election time, whereat the bucolic politician rejoiceth for mighty is the power of applejack in garnering votes.

The electric lights attract around them myriads of night flying insects, such as moths, flies, beetles, gnats, etc., and encircling about them they at last come in contact with the current and are thus destroyed.

Women Should Know.

Many women suffer untold agony and misery because of the nature of their disease. It is not until they are in the most desperate condition that they are able to believe that womb trouble or female weakness of some sort is responsible for the many ills that beset woman-kind.

Neuralgia, nervousness, headache, puffiness of the face, dark circles under the eyes, rheumatism, a dragging pain or dull ache in the back, weakness or bearing-down sensation, profuse or scanty supply of urine, with strong odor, frequent desire to pass it with scalding or burning sensation, sediment in it after standing in bottle or common glass for twenty-four hours, are signs of kidney and bladder trouble.

The above symptoms are often attributed to the patient herself or by her physician to some other cause. Hence, so many fail to obtain relief, because they are treating, not the disease itself, but a reflection of the primary cause, which is kidney trouble.

Dr. Kilmer's Swamp-Root is a mild, non-toxic, and is easy to get at any drug store for fifty cents or one dollar.

To prove its wonderful merits you may have a bottle and book telling all about it, both sent absolutely free by mail. Kindly mention the MONTEUR AMERICAN and send your address to Dr. Kilmer & Co., Binghamton, N. Y.
