THE MINISTERS IMPERILLED

Another Alarming Message From Minister Conger.

ARE URGED TO LEAVE PEKIN.

Chinese Government Would Send Them to Be Massacred.

NEED FOR A SPEEDY ADVANCE.

Meantime Li Hung Chang Declares the Chinese Troops Must Fight If the Allies Persist in the March to Pekin—The Soldiers of the Foreign Powers Acting in Unison Through a Prearranged Plan of the Different Commanders.

Washington, Aug. 8.—Another cablegram came to the state department last evening from Minister Congerat Pekin, the second that has been received direct from his since June 12. It is the first which has come direct from the minister since the above date, the other having been received through the intermediary of the Chinese minister here, Mr. Wu. Yesterday's telegram shows that the situation in the Chinese capital is still of a very serious character, that the ministers are still in danger from the Chinese troops and that their supplies of ammunition and provisions have been reduced to a very considerable extent. So important were the statements contained in the dispatch that a conference was held by wire between several of the officials here and the president at Canton, lasting for several hours. At its conclusion the cablegram from Mr. Conger was made public, as follows:

"Still besieged. Situation more precarious. Chinese government insisting upon our leaving Pekin, which would be certain death. Rifle firing upon us daily by imperial troops. Have abundant courage, but little ammunition or provisions. Two progressive Yamen ministers beheaded. All connected with the legation of the United States well at the present moment."

The cablegram came in the official cipher of the department. It is undated, like his previous cablegram, but from the internal evidence furnished by his reference to the beheading of two members of the tsung-li-yamen, and to the insistence of the Chinese government of the removal of the ministers from Pekin, state department officials say it may be assigned a date not earlier than July 30, and perhaps not later than Aug. 2. It is checked by the telegraph company as having been put on the wires at Tsi Nan, a large city about 80 miles southeast of Pekin, Aug. 7.

That the Conger message will stimulate the energies of the government to its utmost endeavor to press forward the advance movement towards Pekin is certain, for the message makes it clear that for the ministers to leave Pekin would result in their death.

The information which came yesterday that American troops were engaged in the battle at Pietsang established positively, for the first time, that notwithstanding the difficulties which Gen. Chaffee had encountered in debarking troops and supplies, at least a part, and a considerable part, of our force was in the vanguard of the forward movement. Gen. Chaffee's dispatch to the war department conveyed the most satisfactory evidences that the commanders had thoroughly agreed in advance upon a plan of action, and that there is every indication that his plan had been followed, as Gen. Chaffee on Friday sent the cable saying that the attack upon the Chinese at Pietsang would be made on Sunday, the day when Admiral Remey and the press correspondents say the fighting occurred. Gen. Chaffee's announcement that the present objective of the international column is Yang Tsuan is interpreted by the officials at the war department to mean that this point, where river, railroad and wagon road meet, is to be made the advance base for the operations on Pekin.

The most positive addition to the news of the day was the brief line from a press correspondent at Tien Tsin stating that the Ninth and Fourteenth infantry, Reilly's battery and the marines were in the battle of Pietsang. It was this force which, with the British and Japanese, bore the brunt of the attack on the left flank which was to turn the enemy's position. This plan had already been made clear by Gen. Chaffee's dispatch, although he did not mention what American troops would be engaged.

In view of the participation of the American troops the war and navy departments are anxiously expectant of a report of the part taken by our troops, and of any losses which the Americans may have sustained. No light has yet been thrown upon the subject of whether the commanders of the international forces have agreed upon a commander. The Chaffee dispatch would seem to indicate that none had been agreed upon. The movement was planned evidently by the commanders in conference, and the part which each command was to play agreed upon in advance. It is perhaps noteworthy and significant that in this plan of attack upon the enemy at Pietsang the American, British and Japanese forces were joined in the movement to turn the enemy's right flank, while the Russians and French operated together on the opposite side of the river against the enemy's left. This may indicate the line of cleavage among the allies, whose general dissensions were reported at Tien Tsin. It is also exceedingly significant that Gen. Chaffee does not mention the German force at all. The war department officials do not believe that this could have been due to an oversight on his part if it was arranged that they were to participate in the movement. It therefore seems likely that the Germans were not engaged at Pietsang. It is thought possible that they may be acting independently.

CHINESE TROOPS MUST FIGHT.

Li Hung Chang Declares They Will Resist the Allies' March.

London, Aug. 8.—"In case the troops advance the Chinese must fight. The suggestion that the allies should be allowed to enter Pekin in order to escort the ministers to Tien Tsin is absolutely impossible."

This is the dictum of Li Hung Chang. It was transmitted last evening to Mr. William Pritchard Morgan, member of parliament for Merthyr Tydvil, by his agent at Shanghai. The agent had carried to Earl Li a message from Mr. Morgan urging that the allied troops be allowed to enter the capital and stating that a settlement could be made at Tien Tsin whereby a war of the world against China would be averted, but even the optimistic Li failed to hold out the slightest hope of its feasibility, although he reiterated to Mr. Morgan's agent his declaration that the ministers had left Pekin, fixing the date of their departure as Aug. 2. The agent makes this comment: "The consuls are without confirmation."

These messages have been sent to Lord Salisbury, accompanied by a statement by Mr. Morgan, urging that the allies should take no step to endanger the lives of the ministers. A

LI PING HENG.

message from the Belgian minister, dated Pekin, Aug. 2, seems effectually to dispose of the rumors that the ministers have either left or are intending to leave Pekin.

The Chinese minister in London, Sir Chih Chen Lo Feng Luh, says he has received a telegram from China announcing that a long imperial edict was issued on Aug. 2 authorizing the immediate and safe conveyance of all Europeans in Pekin to Tien Tsin.

Several dispatches are printed giving heresay accounts of Sunday's battle. The Daily Mail's correspondent at Chefoo, telegraphing Monday, says: "The fighting lasted seven hours, and the allies, when my report left, were pursuing the Chinese, but owing to the floods progress was difficult. Thus the Chinese will have time to re-form and to recover from the effects of battle. Only a small garrison, with 14 guns, remains at Tien Tsin, where some anxiety is felt because of a report that 15,000 Chinese are said to be moving two days' march to the southeast."

All the correspondents agree in praising the bravery and organization of the Japanese.

Li Ping Heng, according to the Shanghai correspondent of The Standard, has been appointed generalissimo of the Chinese forces and has left Pekin to command the troops outside the city.

A Shanghai special says that official advices from Tokio announce that armed collisions have occurred between parties of Russians and Japanese outside Taku. This, however, as it comes by way of Shanghai, must await confirmation before being credited.

Wife Declares Divorce Fraudulent.

Trenton, Aug. 8.—Mrs. Lizzie Dubbs, of Philadelphia, came to Trenton yesterday and created a scene in the chancery clerk's office when she learned that her husband had obtained a divorce from her. The divorce was obtained upon the ground of desertion, and no papers were served on the wife because her whereabouts were supposed to be unknown. Mrs. Dubbs claims that her husband knew that she was living with her mother in Philadelphia, and she will make an effort to have the decree opened. The husband, Howard Dubbs, is an Atlantic City druggist.

Glassworkers' Advanced Wages.

Atlantic City, Aug. 8.—President Hayes, of the Green Glass Bottle Blowers' association, announced last night that the conference between representatives of the blowers and those from the manufacturers which has been in progress for eight days ended last evening, and that the agreement signed includes an increase of 7 per cent on the net list, which restores the prices paid on the old list which was in force prior to 1893. All earning are to be paid in cash, which abolishes the company store.

Aeronaut Fell to Death.

Ottawa Beach, Mich., Aug. 8.—Johnny Dew, an aeronaut, of Grand Rapids, made a balloon ascension here yesterday. Nearly half a mile up the performer began his descent. His parachute did not work properly, and he was dashed to death in the lake below. There was but one foot of water where Dew landed and every bone in his body was broken by the fall.

Biddulph Arnold, second son of Sir Edwin Arold, be extradited to England for trial on a charge of embezzlement. THE MURDER OF GOEBEL

Beginning of the Fifth Week in Kentucky's Famous Trial.

THE TESTIMONY OF E. R. BULLOCK

Declares He Saw a Man in a Stooping Position Behind the Public Fountain Immediately After the Shooting—Coombs' Confession.

Georgetown, Ky., Aug. 7.—A piece of new testimony was brought out yesterday at the beginning of the fifth week in the trial of former Secretary of State Caleb Powers, charged with complicity in the Goebel shooting. E. R. Bullock, of Lexington, swore that he was in the adjutant general's office when the fatal shots were fired. He stepped out and saw a man in a stooping position behind the public fountain nearby. Bullock could not tell whether the man was white or black, and did not know what became of him. Bullock declared that he saw Col. Jack Chinn walk rapidly into the state house as he stepped from the adjutant general's office. Apparently Bullock's statements did not excite much interest.

R. C. O. Benjamin, a negro attorney representing "Tallow Dick" Coombs, and whose client, it has been repeatedly asserted recently, had made an alleged confession, asked Judge Cantrill to be allowed to make a motion to have an investigation of his conduct in the matter of the confession of Coombs, in which he has been charged with betraying secrets of the prosecution. Judge Cantrill informed him that an investigation would not be necessary. Benjamin then gave out an interview in which he says that Coombs' reported confession was made in the presence of himself, Commonwealth Attorney Franklin and Victor H. Bradley, of the prosecution, and that Coombs made all the statements attributed to him except as to the amount alleged to have been offered Hockersmith to kill Goebel. Coombs' nephew stated that he had made a vain search for Hockersmith, and he thinks Hockersmith is in either New Orleans or San Francisco. Benjamin said he had concluded it was due to his client to tell all he knows, as he cannot find Hockersmith, who told Coombs all that the latter knows about the assassination.

Capt. B. B. Golden and other representatives of the prosecution conferred with Green Golden, one of the alleged accessories, in the Frankfort jail Sunday, and there is a possibility that Golden may be introduced as a witness in rebuttal to contradict the testimony of the defendant.

At the afternoon session ex-Governor Brown, for the defense, made a long argument in support of his position that the defense was entitled to show in evidence that the occupants of the executive building after the assassination heard threats on the part of the populace, and that they acted upon this in arming themselves and excluding the public and civil officers from the building. The prosecution argued that the commonwealth should not be entailed with the burden of idle threats that might or might not have been made by irresponsible parties, and that this character of proof could not be offered in justification of the course of those who had possession of the building. The court ruled that the witness might relate any specific threat which he himself heard, but that he could not tell of common rumor or threats which had come to him second hand. The defense reserved an exception to this ruling.

Stenographer Stout, who was on the stand when the court adjourned at noon, continued his testimony. He told of Youtsey coming into the executive office carrying a rifle a few minutes after the shooting. Governor Taylor was not armed when he first came into the office, but went back and got a pistol.

Wharton Golden was recalled for the third time and was asked if he had told J. M. Owens in the presence of J. C. Owens that Powers was innocent, but that "they could take $100,000 and hang the savior and all of the apostles."

Golden said he never said it to Owens or any one else.

J. M. Owens was then called, but the court excluded the greater part of his testimony, on the ground that the defense had examined Golden on this matter.

Arrested on Embezzlement Charge.

Lebanon, Pa., Aug. 7.—George M. Stanley, former treasurer of the Economy Building Association society, was arrested yesterday afternoon and held in $4,000 bail on the charge of appropriating $3,285.09 belonging to the association. The arrest was made at the direction of George B. Woomer, who was appointed receiver of the association last April. Stanley's alleged shortcoming created surprise in the community. He was a prominent merchant and owner of considerable property.

Nominated For Congress.

Towson, Md., Aug. 7.—A. A. Blakeney, of Baltimore county, was yesterday nominated for congress by the Republicans of the Second congressional district. The convention passed resolutions indorsing the present national administration, upholding the action of the Philadelphia convention and declaring its belief in a gold standard of currency. Former Congressman J. Fred Talbot is Mr. Blakeney's antagonist on the Democratic ticket.

Killed by Lightning.

Held For Robbing New York.

New York, Aug. 6.—John Clark, a deputy collector in the bureau of collection of rents in city markets, who was arrested in Chicago Wednesday, was yesterday held in $5,000 bail for further examination on the technical charge of the larceny of $174, collected from the West Washington market. An investigation of Clark's account showed, it is alleged, that the accused embezzled over $10,000 of the city's money.

Short in His Accounts.

New York, Aug. 6.—Joseph Virtel, formerly a bookkeeper in the Occidental hotel, on the Bowery, was yesterday held without bail on the charge of embezzlement. Samuel Kahn, the proprietor of the hotel, claims that Virtel is $11,000 short in his accounts. Virtel was arrested yesterday, after having eluded the authorities for one month.

Confessed to Poisoning His Father.

Fresno, Cal., Aug. 6.—Fred Hines, 13 years old, has confessed that he poisoned his father, who is lying dangerously ill at the county hospital. The boy said that his father treated him cruelly and had refused to allow him to drive his team. He concluded to kill him. He and his younger brother bought the poison, which Fred put in his father's coffee.

ALLIES SUFFER A CHECK.

Chinamen Fought Several Hours and Then Retreated.

THE ALLIES SUFFER HEAVILY.

Commander Taussig, in a Report to Washington, Places the Loss of the United Forces in Killed and Wounded at Twelve Hundred.

London, Aug. 7.—"The advance of the allied forces commenced today," cables the British consul at Tien Tsin, under date of Aug. 4. This is the first official information received here that the attempt to relieve Pekin has begun. It is accepted as correct.

The British consul does not mention any fighting, but the Shanghai correspondent of The Daily Mail, telegraphing Sunday, says: "The Pekin relief column is reported to have suffered a check. The Chinese are said to have adopted Tugela tactics and, after several hours of fighting, to have retreated."

This is the only message received in London this morning bearing out the reports of Admiral Remey and Commander Taussig regarding an engagement at Peitsang. The fact that the advance did not begin until Saturday is taken to strengthen the accounts of a battle Sunday.

In the same cablegram, which was read in the house of commons, the consul at Tien Tsin says:

"News from the Japanese legation has been received up to Aug. 1."

Therefore, the edicts announcing the safety of the ministers on that date are confirmed.

Yesterday the Chinese minister, Sir Chih Chen Lo Feng Luh, communicated to Lord Salisbury a message from the tsung-li-yamen, dated July 30, reiterating the statement that the ministers were safe on that day and recounting the friendly relations existing between them and the yamen, as well as reporting the sending of supplies to the legations by the yamen. The message contains this important statement:

"A successful termination of the conference with the ministers for their conveyance under escort to Tien Tsin is expected, but, on account of the recommencement of hostilities at Tien Tsin, code telegrams for transmission to the representatives are considered undesirable."

This appears to confirm the statement that the Chinese government will endeavor to stop the march to Pekin by using the ministers as hostages.

The Lokal Anzeiger, of Berlin, publishing an interview with Li Hung Chang, quotes him as declaring emphatically that China must not, in any circumstances, cede any more territory to any power. In reply to a question why the rebellion was not put down, Earl Li is represented as having said: "I blame Prince Tuan, the empress dowager and the whole Pekin government. But for their lack of energy the situation would never have become so serious."

The St. Petersburg correspondent of The Daily Mail says:

"Active negotiations are proceedings between Russia and the United States, the probable outcome of which will be a resolution to uphold the integrity of China unconditionally."

A Shanghai correspondent of the same paper says that the Americans there are urging the appointment of Gen. MacArthur as commander-in-chief of the allied forces.

The Standard's Shanghai representative, wiring Sunday, says:

"It is clear that the march to the relief of Pekin will be anything but a walkover. Japanese scouts have discovered a large force of Chinese southwest of Tien Tsin and another large force in the vicinity of Lu Tai, to the eastward.

"It is learned now that the members of the tsung-li-yamen who were put to death for their alleged pro-foreign proclivities were not beheaded, but were cut in twain, this being the severest penalty under the Manchu code. Sheng declares that the grand council at Pekin was ignorant of the orders for the execution.

A Shanghai special, dated Aug. 6, says: "Li Hung Chang has officially informed the consuls that the ministers left Pekin for Tien Tsin last Friday, Aug. 3, with Gen. Yung Lu in command of the escort. The consuls are by no means disposed to credit Earl Li's statement. All other reports that have reached London up to this hour indicate that the ministers have not left Pekin."

HEAVY LOSS OF THE ALLIES.

Commander Taussig Reports Twelve Hundred Killed and Wounded.

Washington, Aug. 7.—The announcement received through Admiral Remey and Commander Taussig of reported heavy fighting on the road beyond Tien Tsin was the news of interest in the Chinese situation yesterday. Little doubt was expressed at the navy department that the news was substantially correct. It is probable that a later report may reduce the list of casualties among the international forces, but it is evident that the move on Pekin is at last fairly under way, and that strong opposition has been encountered. The first dispatch, received from Commander Taussig, of the Yorktown, was dated Chefoo, Aug. 6, and was as follows:

"British Fame reports, unofficial, engagement at Peitsang Sunday morning, 3 to 10.30. Allied loss, killed and wounded, 1,200, chiefly Russians and Japanese. Chinese retreating."

The dispatch from Admiral Remey, also dated Chefoo, follows:

"Unofficial report believed reliable. About 16,000 allies heavily engaged Chinese at Peitsang daylight of the 5th."

Peitsang is the first railroad station about eight miles northwest of Tien Tsin, on the way to Pekin.

Opinion among the various officials now in Washington is somewhat divided as to just what is presaged by yesterday's events. The more optimistic are inclined to think that such a severe blow as the Chinese must have received at Peitsang will result in the speedy disintegration of the forces now opposing the march of the international column. In line with this prediction it was prohesied that the Chinese government would find means to send the ministers from Pekin under escort, and thus stave off the advance upon the capital. On the other hand there were a number of officers, in a position to judge equally well, who held that the fight at Peitsang was only the beginning of a strenuous resistance that would be continued to the gates of Pekin or beyond. It was urged in support of this view that the Chinese had a hundred men to lose against one of the allies; that they were all well armed with modern guns and had apparently an abundance of ammunition.

It is stated that a considerable apprehension exists among those conversant with Oriental affairs at the reappearance in Pekin politics of that rabid anti-foreign fanatic, Li Ping Hung. It is understood that his appearance in Pekin affairs may have had something to do with the Shanghai rumors of Li Hung Chang's suicide. It is certain that, Li Ping Hung and Prince Tuan in control of the de facto government in China, a religious war of dervish like fanaticism probably will be waged against all foreigners, and friends of the more liberal Chinese statesmen are exceedingly anxious as to their fate under the Tuan-Li regime.

Cuban Teachers to Visit President.

Washington, Aug. 7.—The delegation of Cuban school teachers, numbering about 1,400, now receiving a course of instruction in English branches at Harvard university, will visit this city on the 18th inst. for the purpose of paying their personal respects to the president and to inspect public institutions and attractions of the national capital. The government defrays all their traveling expenses to and from Cuba, and the entire expense connected with their sojourn in Massachusetts is being defrayed out of a fund of nearly $100,000 contributed by citizens of Boston, and it is probable that the expense of the trip to Washington and then to New York will be met out of the same fund. The president will come to Washington to receive the teachers.

The Alabama Election.

Birmingham, Ala., Aug. 7.—A general state election for state and county officers and for members of the general assembly was held in Alabama yesterday and a large majority was returned for the Democratic ticket, headed by William J. Samford, of Lee county, who will be inaugurated as governor on Dec. 1. The Republicans, Populists and Prohibitionists had tickets in the field, but returns so far indicate victory for the Democrats by an overwhelming majority. The Populists and Republicans will together possibly have 12 of the 133 members of the legislature, a loss of about 50 per cent.

Confessed to Killing His Aunt.

Brandenburg, Aug. 7.—The horribly mutilated body of Mrs. Annie Brunton, a 35-year-old widow, was found on the Cedar Grove road yesterday. Blood stains on the fingers of Mrs. Brunton's nephew, Jesse Durnham, caused his arrest, and he later confessed the murder and was hurried to Louisville by Sheriff Hagan, as a lynching seemed certain. Durnham killed Mrs. Brunton with a hickory club while they were returning from a church wedding. He is 27 years old and recently left an insane asylum. He declares Mrs. Brunton had been talking about him and got him into trouble.

Baltimore Stevedores on Strike.

Baltimore, Aug. 7.—All the union stevedores in Baltimore, numbering about 2,500, went on strike yesterday because the steamship agents refused to agree to employ no more non-union men. The trouble began several days ago, when Patterson, Ramsay & Co., of the Johnson line, were fined $50 by the stevedores' union for employing non-union men. This fine the firm refused to pay, and the stevedores claim that the other steamship agents united with the firm in question to employ non-union men and break up the union. A large number of non-union men are at work.

To Reduce Pig Iron Production.

Cleveland, Aug. 7.—At a meeting of the Bessemer association here yesterday an important step was decided upon, with the object of preventing a further decline in the price of pig iron. It was agreed that all the furnaces producing Bessemer pig should go out of blast until Sept. 1, with the exception of the furnace of the Brier Hill Iron and Coal company and that of the Andrews-Hitchcock company at Youngstown. One of these will run on contracts and the other will produce foundry iron.

Victory For Vanderbilt's Yacht.

New York, Aug. 6.—The 70-foot sloop rainbow, owned by Cornelius Vanderbilt, won the commodore cup for sloops of that class yesterday in the New York Yacht club's race, sailing over a 21 mile course on Long Island sound. She defeated August Belmont's Mineola 3 minutes and 39 seconds, and Harry Payne Whitney's Yankee 6 minutes and 7 seconds. The Quizetta won the Commodore's cup for schooners. The cup for all sloops in one class was probably won by the Syce.

Forest Fire in Yellowstone Park.

Helena, Mont., Aug. 7.—It is reported that forest fire is sweeping the magnificent timber belt between the Upper Geyser basin and the lake in the Yellowstone National Park. The fire started Friday, and was soon beyond the control of the soldiers and road crews, all of whom were hurried to the scene. The line of fire is about ten miles long and spreading rapidly. Besides the irreparable loss to the park, many hotel buildings are threatened with destruction.

To Disband Militia Companies.

Trenton, Aug. 6.—Col. Gillmore, of the Second New Jersey regiment, National Guard, has decided to recommend to the governor that Company K, of Montclair, and Company L, of Newton, be disbaided. These companies at the recent encampment appeared with less than the minimum number of men allowed to a company. The governor is expected to issue an order in a few days carrying into effect Col. Gillmore's recommendation. One of the new companies to take the place of those disbanded is expected to be organized in Plainfield, and it is probable that the other will come from Princeton.

Charged With Stealing Gems.

New York, Aug. 6.—Jacob Lorsch, a lawyer of Peekskill, N. Y., was yesterday held in $1,500 bail for further examination on the charge of the larceny of $2,000 worth of gems. Lorsch was arrested at the instigation of Louis Lilienthal, of this city, who claims that on May 24 last he gave Lorsch jewels inventoried at $2,865, with instructions to put them in a safe deposit vault for safe keeping. Lilienthal claims that Lorsch pawned the gems.

RIOTOUS ANARCHISTS.

They Resist Chicago Police Who Had Prevented Their Meeting.

FIVE MALCONTENTS ARRESTED.

Among the Prisoners Is Mrs. Lucy Parsons, Whose Husband Was Executed For Complicity in the Haymarket Massacre.

Chicago, Aug. 6.—An anarchist riot occurred yesterday noon at the corner of Twelfth and Halstead streets, in which 25 people were bruised in a struggle with 45 police. Five persons were arrested, among them being Mrs. Lucy Parsons, widow of Albert R. Parsons, who was executed Nov. 11, 1887, in Chicago, for aiding and abetting the bomb throwing in the Haymarket riot. She was charged with disorderly conduct, obstructing the street and resisting an officer. Her bail was fixed at $1,100. The others arrested were Paul Van Dree, Clement Pfuentzner, Herman Goodman and Abraham E. Delstadt, charged with distributing incendiary literature and disorderly conduct. All were released on bail.

A mass meeting had been called at West Side Turner Hall, at which speeches were to be made by Mrs. Parsons and others on the topic, "The Execution of the King of Italy." The call concluded: "Workmen, come in crowds and show that the feeling of brotherhood is strong among you."

Mrs. Parsons was on her way to the hall, but finding it had been closed by the police she stepped into a doorway nearby. Soon a crowd formed and a police officer, pushing through the throng, caught a glimpse of Mrs. Parsons. Thinking she was making an anarchistic speech, he endeavored to disperse the crowd. His efforts were in vain and the officer sent in a call for reinforcements. Additional officers arrived and immediately a general fight was precipitated. It is claimed Mrs. Parsons resisted arrest, and her associates fought for her. Bricks were thrown, clubs were wielded and a fierce struggle ensued before the crowd was finally dispersed. A number of children in the crowd were knocked down in the melee and trampled upon, but none were injured seriously.

Crooks Defy Minnesota Law.

St. Paul, Aug. 6.—The Duluth militia companies are under orders to go to Cass Lake, Minn., where rioters are reported to have taken possession of the town. A circus exhibited there Thursday. A sheriff and deputy from Hubbard county had warrants for the arrest of crooks who were following the show, for alleged depredations at Park Rapids. While trying to serve the warrants a deputy was beaten and papers and arms taken away from him. Citizens tried to have the train held so as to get warrants for the arrest of the gang. While so doing the railroad office was invaded by the gang and Sheriff Alexander brutally beaten and left for dead. One of the gang was captured at Grand Rapids, but last evening the court house was broken open and the prisoners released.

Death of Ex-Senator Prior.

Birmingham, Aug. 6.—Luke Prior, former United States senator and representative in congress, died at his home at Athens, Ala., last evening, aged 81. Senator Prior was elected to the United States senate to fill the unexpired term of Senator Houston, and at the expiration of the term did not stand for re-election. In 1882 he was nominated by the Democrats of the Eighth district and elected representative in congress. He was not a candidate for the nomination, and it was given him while he was absent. At the expiration of his term he would not allow his name to go before the convention again.

Expert Swimmer Drowned.

Old Forge, N. Y., July 6.—Joseph Alexander, of New York city, a civil engineer employed on the New Jersey division of the Pennsylvania railroad, was drowned hear here Saturday night. He and Roy Newman, also of New York city, started from the camp of A. Loeb, on Thistle lake, for this place, where a dance was in progress. The two young men were crossing the lake in a canoe, when they ran upon a rock and capsized. They were both expert swimmers and pushed the canoe about, taking the upset as a joke. Suddenly Alexander had a cramp and sank.

A Kentucky Parricide.

Pineville, Ky., Aug. 6.—Daniel Howard, a prominent citizen of this county, was killed by his son, George Howard. Daniel Howard had been to town, and secured a jug of whisky. He became intoxicated and had words with George, whom, it is said, he threatened to shoot. The son secured a Winchester and the father, it is said, then drew his gun on George. George fired, killing his father instantly. Howard was one of the wealthiest citizens of Noll county and 63 years of age.

Whipped For Maligning Victoria.

Buenos Ayres, Aug. 6.—Guiseppe Castagni, a brother-in-law of Bresci, has secured passage for Montevideo, after failing to secure the return of passage money to New York, which he paid three weeks ago. He boasts that Bresci committed a highly commendable deed, and asserts that Queen Victoria will be the next victim. Some clerks in a British shipping office here gave him a horsewhipping for his remarks regarding the queen.

King Alexander Wedded.

Belgrade, Aug. 6.—King Alexander yesterday wedded Mme. Draga Maschin, the ceremony being performed with great pomp. In honor of the event the king granted amnesty, together with numerous political pardons, including the former Radical premier, Tauschanovich.

Another Demand on the Turk.

Constantinople, Aug. 6.—Mr. Lloyd Griscom, United States charge d'affaires, yesterday renewed his demands upon the Ottoman government for compensation for the losses of Americans during the massacres. He insisted upon a prompt decision.

A NOVEL IDEA.

MRS HELEN ROOF, of Lima, Ohio, writes that she has supplied herself and three daughters with shirt waists and earned a beautifully decorated, 100 piece dinner-set, also a 24 piece silver-service, in three months, by simply getting a few friends and neighbors to try DIAMOND DIGEST TABLETS for Dyspepsia and Constipation. The premiums are certainly beautiful, and Mrs. Roof says she is over $50 ahead in useful household articles and wearing apparel. What makes it so easy to earn these lovely presents is that DIAMOND DIGEST TABLETS are warranted to cure any case of Dyspepsia and restore the bowels and liver to perfectly natural action in two weeks or the money is refunded. The tablets do exactly what is claimed for them, and a few persons once started will use enough to secure you several lovely premiums in a very short time. If you would like a beautiful shirt waist, very latest style, color and material, just send your name and address to the DIAMOND DRUG Co., 84 West Broadway, N. Y., requesting them to send you eight boxes of tablets to be sold at 25c. a box, and get your father, mother, brothers, uncles, cousins or your aunts to take them with the understanding that they pay you if found good. This they will do and want more every time. Collect the $2 and send it in and receive your present. You can then get the 24 piece silver-service and 100 piece dinner-set in a very short time and absolutely without cost. This firm requires no money in advance and will mail tablets with premium offers merely upon request.
