Georgetown, Ky., Aug. 15.-The by Judge Cantrill last evening in the Powers trial, and Judge James Sims which have been referred to in the made the opening argument to the evidence were pointed out by the court jury for the defense. Defendant Powers is in such a nervous and critical condition that his attorneys filed a physician's affidavit that he was unable to attend a night session of the court, but Judge Cantrill said a cot could be provided for him and he could lie down in the court room during the speeches. The instructions to the jury are considered by defendant's attorneys as being entirely too severe and tend to lessen Powers' chances of acquittal, although they are still confident of a

verdict in his favor.
