Pennsylvania Republicans Open Their Campaign Upon the Aggressive.

EXCELLENT TICKET, STRONG PLATFORM

The Party Is Prepared to Meet Every Contingency in the State or Na-

With the opening of the campaign in Pennsylvania Republicans are proud of the fact that they can meet their Democratic opponents squarely upon every issue, state and national, and they have nothing to be ashuamed of, to ignore or explain.

With the nomination of such excellent candidates on the state ticket as E. B. Hardenbergh for auditor general and Galusha A. Grow and Robert H. Foerderer for congressmen-at-large they will march to victory confident that the men will uphold the party standard to the satisfaction of the .voters of the state and to their personal

credit and honor. The campaign in Pennsylvania will be made upon state as well as national issues, and that the voters may thoroughly appreciate the attitude of the Republican party, herewith is given the platform adopted at the Republican

state convention which was held at Harrisburg and which placed the above ticket in the field. STATE ISSUES FAIRLY MET.

This is the platform adopted by the Republican state convention held at

Harrisburg April 25, 1900: The Republicans of Pennsylvania, by entatives in convention as-xiend congratulations to Republicans throughout conditions everywhere existing and the

MONTOUR AMERICAN the American people under the administration of President McKinley. All these conditions have resulted from four years of Republican rule in our national affairs. We therefore reaffirm the doctrines enunciated in the last Republican national platform and again congratulate the people upon the faithful fulfillment of all the pledges therein contained.

The business, economic and social conditions prevailing in the country at the close of the Cleveland adminis-tration were deplorable. Industry was paralyzed; trade and commerce languished; business was unsettled; monetary values were uncertain and the public treasury was depleted. All these conditions are now changed. Al branches of industry are now active and less than one per cent of our popu lation is unemployed. Our export trade is larger than ever known in our his tory; business is active and remunera-tive; monetary values are permanently settled, and in the public treasury

last administration. These splendid conditions are largely due to the wise and patriotic administration of the president. We firmly support and fully indorse his administration, and again record the wish of the Republicans of Pennsylvania that he be renominated to lead our hosts to victory at the No-vember election, and to this end we instruct the delegates this day elected to favor his candidacy in the national con-

For the national defense, for the reenforcement of the navy, for the enlargement of our foreign markets, for the employment of American workmen in the mines, forests, farms, mills, fac tories and shipyards, we demand the immediate enactment of legislation similar to that favorably reported to each branch of congress, so that American built, American owned and American manned ships may regain the car-rying of our foreign commerce.

We congratulate the whole country apon the fact that the money question no longer disturbs our business condiadopted by a Republican president and a Republican congress the gold standard is now accepted as the monetary unit of value. This places our busi-ness transactions on a stable basis and will encourage capital to seek invest-ment and labor to find employment.

Advice to Consumptives

There are three great remedies that every person with weak lungs, or with consumption itself, should understand.

These remedies will cure about every case in its first stages; and many of those more advanced. It is only the most advanced that are hopeless. Even these are wonderfully relieved and life itself greatly prolonged.

What are these remedies? Fresh air, proper food and

of Cod-Liver Oil with Hypophosphites. Be afraid of draughts but not of fresh air. Eat nutritious food and drink plenty of milk. Do not forget that Scott's Emulsion is the oldest, the most thoroughly tested and the highest endorsed of all remedies for weak throats, weak lungs and consumption in all its stages. 50c. and \$1.00; all druggists.

What Shall We Do.

The Third stage is Bright's Disease. There is comfort in knowing that Dr Kilmer, the great kidney and bladder specialist, has discovered a Remedy famous for its marvelous cures of the mos distressing cases and known as Dr. Kil ner's Swamp-Root.

President J. Hampton Moore Issues His Final Call For the Great Gathering at Philadelphia on the 17th

Harrisburg, Sept. 4.—President J. Hampton Moore, of the State League of Republican clubs, has issued his final call for the state convention of the league, which will open in Philadelphia on the 17th inst. and continue

the following day.

In his address to his fellow Republicans President Moore says: "The Pennsylvania State League of Republican clubs, co-operating with the national executive committee, will destined soon to outstrip medicine in the treatment of all human diseases. It is vention to be held in Philadelphia Sept. 17 and 18.
