REEDER HONORED

STALWARTS PLEASED

Governor Stone's Appointment of the Northampton County Leader Generally Commended.

REPUBLICANS ARE ACTIVE.

President McKinley and National Chairman Hanna are co-operating with the State Committee in the Campaign to Make Congressional Gains in Pennsylvania.

Philadelphia, Oct. 9.—From every county in the state come expressions of approval of the appointment of Gen. Frank Reeder as commissioner of banking by Governor Stone to succeed the late Col. Thomas J. Powers. Stalwart Republicans recognize this appointment as a timely recognition of a brave soldier, a staunch party man and a faithful and successful worker in the cause of Republicanism. Gen. Reeder's selection, of course, does not meet approval of the insurgents, whom he has been fighting since they entered upon their conspiracy against the regular Republican organization. He is naturally a fresh target for their vituperative abuse and slanderous editorial assaults. His record as a public spirited citizen of Pennsylvania cannot be detracted from by the malicious onslaughts of the yellow journals who not but part and parcel of the insurgent political machine.

Governor Stone has taken occasion to tell the public what he thinks of the subsidized newspapers that have been attacking every genuine Republican in this state for some years and he has shown that he is absolutely indifferent to their attacks.

NOT IN FAVOR OF ALMSHOUSES

Wilkes-Barre, October 10.—In delivering an address of welcome to the delegates present here Tuesday at the opening of the annual State convention of the Directors of the Poor and Public Charities, Mayor F. M. Nichols, boldly advanced a system by which he would do away with the almshouses in Pennsylvania and substitute what he emphatically called "industrial villages," where the poor would be made to work and thus contribute to the cost of their support. The paper made a marked impression.

After the Mayor's address N. P. West of Delaware County, and Miss Elizabeth O'Neill of Crawford, responded in a happy vein and Louis Tisch, of this city president of the association, gave a brief review of the year's work. Cadwalader Biddle, of Philadelphia, general agent of the Board of Charities, delivered an address giving the object and some of the results accomplished by the charitable organizations of Pennsylvania. He was followed by Frederick Fuller, of Scranton, who spoke on the preventive work of the future as it regards the question of pauperism.

What's Your Face Worth? Sometimes a fortune, but never, if you have a sallow complexion, a jaundiced look, moth patches and blotches on the skin, all signs of Liver Trouble. But Dr. King's New Life Pills give Clear Skin, Rosy Cheeks, Rich Complexion. Only 25 cents at Paines & Co's. Drug store.

OPPORTUNITIES FOR AMERICANS.

Havana, Oct. 10.—Governor General Wood says that Cuba now offers great opportunities to Americans who will come here and settle. Land is cheap and can be rented on a small royalty of production. Returns would be quick. He recommends the cultivation by immigrants of tobacco and fruit and the raising of cattle.

At the palace today representatives of every mercantile guild in Havana joined in presenting to Governor Wood an address expressing gratitude for what he has done in the way of reforming the mercantile registries. The address was accompanied with a pen mounted with diamonds and rubies. The Board of Trade and the richest commercial houses of the city were represented at the function.

By order of the military Government, and through Senor General, Secretary of Justice, trial by jury was inaugurated in Cuba today and the writ of habeas corpus was established.

Commissioners representing the Church and the State have been appointed to determine the property rights of the former.

Banker Routs a Robber. J. R. Garrison, Cashier of the bank of Thornville, Ohio, had been robbed of health by a serious lung trouble until he tried Dr. King's New Discovery for Consumption. Then he wrote: "It is the best medicine I ever used for a severe cold or a bad case of lung trouble. I always keep a bottle on hand." Don't suffer with Coughs, Colds, or any Throat, Chest or Lung trouble when you can be cured so easily. Only 50c. and \$1.00. Trial bottles free at Paines & Co's. Drug Store.

Bituminous Traffic Helps Railroaders. Reading, Pa., Oct. 10.—Hundreds of railroaders, who otherwise would be thrown out of work by the stoppage of anthracite shipments over the Reading Railway, are now employed in bringing through soft coal from the West. Only seventeen cars of hard coal were sent down the road to-day. The average here for the strike was 1400 cars daily.

A Fiendish Attack. An attack was lately made on C. F. Collier of Cherokee, Iowa, that nearly proved fatal. It came through his kidneys. His back got so lame he could not stoop without great pain, nor sit in a chair except propped by cushions. No remedy helped him until he tried Electric Bitters which effected such a wonderful change that he writes he feels like a new man. This marvelous medicine cures cramps, backache and kidney trouble, purifies the blood and builds up your health. Only 50c at Paines & Co's. Drug Store.

There was a colored baptizing at Sandy Bottom, Billville. The last convert to go under the water was an old colored woman, who all the while had been seated in a rickety buggy drawn by an ancient mule who had been through the civil war.

She came up out of the water all right, but after proceeding a short distance on her way home the mule became unmanageable and upset the buggy in the middle of a deep creek.

The old woman, with drenched garments, clung to a "foot log" just as the person who had recently baptised her rode up.

He heard her swearing at the refractory mule in vigorous terms; then, taking her in his own buggy and driving to dry land, he said:

"Sister Caline, you hez done los' by de fust baptizing; so you must stop right here on de bank and wait 'till I come."

"No, sah!" was the reply. "I ain't gwine in dat water no mo'! Didn't dat ole mule baptize me de second time?"—Atlanta Constitution.

There's a story of a farmer and his son driving a load to market. Of the team they were driving one was a steady reliable old gray mare. On the way the wagon was stalled and the black horse balked and refused to pull.

"What'll we do father?" said the younger. "Well," said the father, "I guess we'll have to lay the load on the old gray." That homely compliment to women: "The gray mare's the better horse" suggests how often when there's an extra strain to be borne it is laid on the woman's back. How often she breaks down at last under the added weight of some "last straw." Women who are dragging along wearily through life can gain real strength by the use of Dr. Pierce's Golden Medical Discovery. It puts back in concentrated form the strength making material which work-jane women use up most rapidly. It can be restored by Nature in the ordinary processes of nourishment and rest. Dr. Pierce's Pleasant Pellets are universal favorites with women because they are easy to take and thoroughly effective in curing the consequences of constipation.

Are You Easily Tired?

Just remember that all your strength must come from your food. Did you ever think of that?

Perhaps your muscles need more strength, or your nerves; or perhaps your stomach works all right and cannot digest what you eat.

How to Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; to prevent trouble pass it or pain in the kidneys and bladder are out of order.

WHAT TO DO. There is comfort in the knowledge so often expressed, that Dr. King's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold water and swelling pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. At druggists fifty cents a bottle.

You may have a sample bottle and a book that tells more about it, both sent absolutely free by mail, if you send your name to Dr. J. C. Wood, 501 Broadway, New York, N. Y. When writing be sure and mention that you read this generous offer in the MONTICOUR AMERICAN.

ANNUAL CONVENTION.

Williamsport, Oct. 10.—The fifth annual convention of the State Federation of Pennsylvania Women is on in this city. All the sessions will be held at the Park Hotel.

The first gathering was held Tuesday evening, when the members of the City Club of this city, tendered a reception to the officers of the federation, delegates and other invited guests.

The function was chiefly a social gathering, the delegates being brought together to wear off the effects of their day of traveling and take on something of the spirit which the Club ladies intend shall permeate the convention. It is estimated that almost two hundred delegates have already arrived here, and the indications are the attendance will be larger than ever before. This is based upon the statements of some of the officers, who assert that the Federation of Clubs has increased greatly in numbers since the last convention, when the organization consisted of 112 clubs and a membership of 12,000. The greater portion of the ground floor of the Park Hotel has been given up to the use of the club women.

\$100 REWARD, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surface of the system. It cures Catarrh of the bladder, prostate gland, and the rectum, and gives the patient strength by building up the constitution and assisting nature in doing the work. The proprietors have so much faith in its curative powers that they offer \$100 reward for any case that it fails to cure. Send list of Testimonials.

The Bilibulous Dane. When the police in Denmark find a man helplessly drunk in the streets, they drive the patient in a cab to the station, where he sobers off. Then they take him home. The cabman makes his charge, the police doctor makes his, the agents make their claim for special duty, and this bill is presented to the landlord of the establishment where the drunken foot is the last glass that did the business. No wonder that certain landlords protest, saying that profits are insufficient and that some alleged victims stand intoxicated to get into trouble handlings against whom they have a spite.
