Ninety-eight Per Cent.

There is a fascination about big pro fits to a business man. But the conser vative and cautious trader prefers to have the lesser per cent. of interest and the larger per cent. of safety in his investments. There is no business man who would not consider it a sound proposition to invest in an enterprise in which absolute loss was impossible and which offered ninety-eight chances in a By virtue of an order of the Orphan's Court of hundred of a rich profit. The statistics of cures effected by Dr. Pierce's Golden Medical Discovery show that ninety-eight per cent. of cases of "weak lungs" can be absolutely cured. Almost if not can be absolutely curred. Almost it not all forms of physical weakness may be traced to starvation. Starvation saps the strength. The body is just as much starved when the stomach cannot extract nutrition from the food it receives when there is no food. "Weak ngs," bronchial affections, obstruate coughs, call for nourishment. "Golden and organs of digestion which digest and distribute the food, and by increas-ing the supply of pure blood.

About forty blow seems to fall much harder on a

ed of the frailty of mankind. That Mr. Deen was a man highly respected in this The beautiful burial services of the

Episcopal church were conducted by the Rev. Erskine Wright at the house and also at the grave after which the Masonic fraterinty concluded the obsequies. The beautiful floral tributes were prettily arranged at the cemetery. A magnificent "Gates Ajar" surmounted by a white dove, sent by the Penn Social club, a handsome pillow sent by the Masons, and many cut flowers, expressed the sympathy of many friends to the

The Danville High school foot ball team was defeated in Bloomsburg Saturday afternoon by the score of 21 to 0, the High school team at that place ad

The Bloomsburg eleven is a finely drilled body and it put up a rattling game while the Danvilles played loosely and did not seem to show the form that they have in previous contests.

ministering the dose.

In offensive work Danville was fairly good and made some good gains but when put on the defensive the team was very weak and seemed not to be able to cope with Bloomsburg's interference. The teams lined up as follows:

8	Danville.	Positions.	Bloomsbur	1
-	Edmondson	R. E	McLin	r
,	James	R. T	Armstron	9
