Dr. Emerick and Fifty Cent Fees. The Philadelphia Press of Sunday con tained an interesting description of Dr. Martin Luther Emerick of Hickory Corner. Northumberland county the young physician who treats as high as 350 patients a day, whose charge for consultation and medicine is only fifty cents, yet who as a result of his immense nonularity has a practice which nets him \$25,-

000 per year. What gives to the story a local interest is the fact that there is scarcely a train that leaves Danville in that direction that does not carry one or more of our residents to Georgetown enroute to Hickory Corner for consultation with Dr. Emerick. Yet there is nothing remarkable about the doctor, except his fifty cent fees. His methods are perfectly legitimate. He even does not advertise.

Espy and Its Long Lived Inhabitants. The little town of Espy, Columbia county, affords a remarkable instance where longevity among the inhabitants seems to be the rule. A well-informed resident of our town who has just returned from a visit there has furnished us with some surprising figures.

The town has a population of a trifle more than 400 souls. In the place there are eight persons over eighty years, thirty-two over seventy years and sixty-five over sixty years. A safe average of the 105 persons in question is 72 years, which is certainly hard to beat in a town of less than 500 population. Good sanitation must obtain in Espy along health.

Engagement Announced.

The engagement of Mrs. Carrie J. Ritter, of West Philadelphia, to Mr. Harry Edgar Snyder, of Germantown, is announced. Mrs. Ritter was formerly Miss Strohecker, of Lewisburg, while Mr. Snyder is the son of our townsman, Mr. Joseph H. Snyder of Grand street. He holds an official position with the American Ice Company. The wedding will occur early in September at the bride's home in Lewisburg. At DeWitt's Park.
