One noted professional who worked the big tied place and tie again, tying the balls river boats looked a great deal like a sanctimonious deacon when his mus-tache was removed, and he used to make in. In large cities moths are more numer ous and much more voracious than in a point of dressing in a long tailed, rusty most small towns or the open country black coat, with a white cravat. Going For city people it is more prudent to up to Vicksburg one night, I was sitting in earshot when he attracted the attensend costly fur garments and fine rugs to a reliable storage house that insures tion of a group of gay young gentlemen playing poker in the main saloon. He was seated by himself reading a book their safety from moths during summer.

and was evidently unknown to the party. 'I'll bet that old rascal plays poker on the sly,' said one of the crowd. 'Ask him to Moths delight in dark corners, and they love to deposit their eggs in soft moquette and axminster carpets and the fluffy fine woolly parts of the first speaker acted on the suggestion. The fringe of upholstered parlor furniture. After being thoroughly beaten carpets and rugs that are to be kept at home for the summer would be the better for being sponged off with turpentine be fore being rolled or folded, says The Household.

### Whitewashed.

to Louisville on some important busin An amusing joke was once played on a out for gamblers. We had the usual crowd of sharpers on board, but they post commandant in Cuba who, like all other post commandants, was not popu-lar. He had two fads. He believed in were all shaved clean, and it chanced that among our passengers were a lot of whitewash and plenty of it, asserting it to be the most effective preventive of army men fresh from the west, where tropical diseases ever discovered, and he was equally attached to a pet flamingo mustaches were countenanced. Conse-quently, when we reached old Galt House who resented being kept in captivity and of friends, I was chagrined to find that all showed his resentment by nipping at ev-ery soldier who passed his way. On the the people I had been fraternizing with were gamblers and all those I had been snubbing and avoiding were gentlemen." part of the soldier there was nothing to do but swear under his breath and wait for revenge.

On a certain Monday morning an order was issued from headquarters that all articles pertaining to camp which were not sheltered from the weather should be whitewashed. The post commandant's wrath can be imagined when he next gazed on his pet flamingo, who had suddenly become as white as the driven snow. To the sorrow of the soldiers the bird survived the operation.

### Opportunities.

If you want to succeed in the world, you must make your own opportunities as you go on. The man who waits for some seventh wave to toss him on dry land will find that the seventh wave is a long time coming. You can commit no greater folly than to sit by the roadside until some one comes along and invites you to ride with him to wealth or influ

### Picturesque Dress.

It seems that woman's dress is to 1 picturesque once more instead of mere ly fashionable. With the Gainsborough hat coming in again-and its popularity received a great boom by the timely recovery of the famous painting -at least one feature of picturesque ness is assured. Then the princess gown is another indication of the trend matters sartorial are taking. Truly, though, there are many periods represented in fashions of today. We have Louis XV coats, empire gowns and Eugenie skirt in addition to the Gainsborough hat and old time princes dress. Then we have the essentially modern Eton, bolero and shirt waist, with hats like unto pancakes. If one style does not suit, the woman of today may select another and rest happy in the assurance that she is in th fashion .- New York Mail and Express

### Cultivate Beauty of Spirit.

Intelligence and comm gard to the laws of health will change a comparatively ordinary looking woma into a creature who can claim her ow and night." "Neither do I." share of good looks. Such a woman w eat only healthy, nutritious food and e eat only nearny, nurritous tool and en-deavor to get a good supply of fresh air each day. She will know that a bath taken before retiring each night is essen-tial to preserve her health and beauty. A sponge bath taken in the morning immediately after rising will commence for he one of the duties of the day, says Julia Teresa Butler in The Weekly Bouquet vertiser. And she will not forget to cultivate beau-ty of spirit. No woman can be lovely without a lovely disposition. She may be fair to look upon; but, like a rose without fragrance, she will impart no sweetness.

The landlady was helping her \$16 per week flock to sausage. "I hear that you are an Odd Fellow, Mr. Danks," she said, pausing in her "Proud to say that I am," responded the new boarder "Ah, then I shall just give you three links."

And as his table mates received from four to six links the new boarder knew that he had spoken unwisely .-- Chicago News.

Troubles of a Minister.

To benefit others Rev. J. T. W. Ver-non, of Hartwell, Ga., writes: "For a long time I had a running sore on my leg. I tried many remedies without benefit, until I used a bottle of Electric Bitters and a box of Bucklen's Arnica Salve, which cured me sound and well. Sores, Eruptions, Boils, Eczema, Tetter Salt Rheum show impure blood. Thou

rape at the upper Michigan station sown on June 16 last year. Aside Divided into Shares of \$1.00 Each, Full Paid and Non-Assessable.

The greatest portion of the plot was cut with a mowing machine at various

At 50 cents per share the Company is giving you a discount of 10 cents per Share to start with, making 20 cents on the dollar. As already stated, this is done for the purpose of rais-ng \$25,000 to purchase improved machinery, air-compressor drills, and electric plant. We ave two large hoisting engines on this property, a commodious shaft-house,office buildings, oarding house for the men, stables, a powder-house, a large quantity of tools, etc. The re-orts on these mines, made by one of the best mining engineers in the State, succinctly de-eribe these improvements. NAMES OF MINES. AZTEC, 210 feet in depth, with shaft-house, boiler and engine for hoisting, well timbered a

AZTEC, 210 teet in depin, with sharehouse, owner and eighte for horsing, were inducted at the way down. BONDHOLDER, 280 feet deep, hoisting engine and boiler, large iron shaft-house. MEXICO and MANHATTAN, both over 100 feet deep, on same vein as the Aztec mine. CRYSTAL, JASPER and GREAT EASTERN, on the same vein as the Bondholder and open ed in depth to over 100 feet, and developments already made show over 4,000 feet of ore. If you want to make money out of nature, become a producer of gold out of her treasur vaults. The Arena group of mines will do it for you. We can furnish the best of references—bank and mining engineers—and our title in the property is perfect, coming, as it does through a patent from the Goverment. With more im proved machinery, from \$3,000 to \$5,000 per day will be a conservative estimate of the output of these mines.

Remember that only 50,000 Shares of this Stock are for sale at 50 cents on the d irders for the number of Shares desired, accompanied by Draft, Money Orders, Expr ash in Registered Letters, can be sent to low as 16 degrees, yet on Nov. 16 the new grown plants under the snow, as

well as the lower leaves of the old plants on the remaining uncut portion

Deathbed Repentance.

"He was in the legislature two years," reads a notice of a departed citizen; "came within an ace of going to congress, held a government office five years and finally died a Christian.
