When quite dry, paint over again, and they will be a good dark brown. Next day give the floor a good polish with bolled linseed oil and the day following with beeswax and turpentine. To Clean Ostrich Fenthers. According to an authority, white os- trich feathers can be cleansed by mak- ing a mixture of white soap shared in- to smail pieces, boiling water and a little soda. After this has dissolved and cooled dip the feathers into it and then draw them gently through the hand, repeating the operation several times. Then rinse thoroughly in clean water, with a trifle of bluing added. Shake, dry and curl. Feather curling, however, is work that calls for special draction are not alwares several the training, and anateenish effort is that direction are not alwares several training and anateenish effort is that direction are not alwares several training is shown by an enormous de- mand for the world's best workers- Dr. King's New Life Pills. For Con-	piece of white cloth saturated with a solution of acetate of lead. If it leaks, the cloth will become black.	Clothing for prisoners. Dr I. Grier Barber, medical attendance for prisoners.
