AMUSEMENTS. The Dot Karroll Company at the Opera House tonight.

Fred Darcy's great western drama, "The Devil's Mine" at the Opera House tonight.

The Dot Karroll Company which comes to the Opera House tonight needs no introduction to Danville theatre goers.

The Dot Karroll company will give three performances in this city this week beginning tonight. Popular prices.

For the past three seasons the famous musical comedy "A Runaway Girl" has been the theatrical triumph of the principal cities of the Union.

"Are You a Mason" a farce comedy from the German. Light in treatment, well constructed and teeming with many distinctively novel comedy situations.

"Are You a Mason" is conceded by critics the best farce comedy produced by Rich & Harris. The statement by his wife by one Amos Bloodgood, a prominent citizen of Rockford, Ill., that he has followed her wishes that he become a Mason, (which he does not do) but persuades her that he has, starts the trouble and the fun.

Porter J. White will soon present his version of Faust at the Opera House re-appearing in his favorite role of "Mephistopheles."

State Board of Health's Regulation. The State Board of Health has adopted resolutions requiring inspectors in the trains of the Pennsylvania Railroad company and Philadelphia and Reading Railroad and is attempting to secure legislation inflicting a penalty for infringement of the rule.

\$100 REWARD, \$100. The readers of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages and that is Catarrh.

Hops Hold a Smoker. Lotus Conclave No. 127, of this city, gave a smoker to the members and friends at their hall on Mill street last evening.

George Fox, Cherry street, has accepted a position with the Prudential Life Insurance Company. Mr. Fox will enter the Susquehanna University at Selinsgrove in the Fall to prepare for the Lutheran ministry.

SUDDEN DEATH OF

HON. RUFUS K. POLK (Continued from first page.) was among the first to enlist. He served during the conflict as first Lieutenant in Company F, 12th Regiment, Pennsylvania Volunteers.

On September 14th, 1898, Rufus K. Polk was unanimously nominated as Democratic candidate for Congress of the seventh-district. He was elected to the Fifty-sixth Congress, receiving 14,792 votes to 12,487 for William H. Woodin, Republican, and 1,265 for J. M. Caldwell, Prohibitionist.

He was re-elected in 1900 by an increased majority of some 1500. Although strongly urged by his friends in various parts of the district to stand for renomination early in February he made the announcement that he would not be a candidate, assigning as a cause the fact that the Structural Tubing works and other interests with which he was identified were beginning to make such heavy demands upon his time and energy as to interfere with the duties of his office.

Mr. Polk was always keenly interested in local affairs. He was a member of the board of Water Commissioners from September, 1894, until the first of January last, when he resigned. It was in no small measure due to his persevering efforts that the splendid filtration plant which has made Danville the envy of all neighboring towns was installed.

Mr. Polk was a member of the Episcopal church. He served as a vestryman of Christ church, this city, from 1895 until 1899. He was a prominent Freemason, a member of Mahoning Lodge No. 516, F. & A. M., of Royal Arch Chapter No. 239, of Calvary Commandery No. 37, K. T., of this city, and of Iron Temple, Mystic Shrine, of Wilkes-Barre.

He was one of the Honorary Alumni Trustees of Lehigh University. He was a member of the Order of Elks and held a membership in a number of social organizations, among them the University Club of Philadelphia and the Moneta and Penn State Club of this city.

WHAT DOES THIS LAKE. Surely Danville Readers Cannot ask for Better Proof. The Danville reader may ask for more convincing proof than testimony published from representative residents of neighboring cities, but as the proof we offer has been decidedly convincing in Bloomsburg it should carry considerable weight in Danville.

State Board of Health's Regulation. The State Board of Health has adopted resolutions requiring inspectors in the trains of the Pennsylvania Railroad company and Philadelphia and Reading Railroad and is attempting to secure legislation inflicting a penalty for infringement of the rule.

How to Cure the Grippe. Remain quietly at home and take Chamberlain's Cough Remedy as directed and a quick recovery is sure to follow. The remedy counteracts any tendency of the grip to result in pneumonia, which is really the only serious danger.

A Narrow Escape. The refuse on an oil stove which John F. Tooley had burning in his grocery store caught fire yesterday and caused quite a little commotion around the place.

La Grippe Quickly Cured. In the winter of 1898 and 1899 it was taken down with a severe case of what is called La Grippe, says F. L. Hewitt, a prominent Druggist of Windfall, Ill.

Pension Board Meets. The Pension Board held its regular meeting yesterday afternoon in the office of Dr. I. G. Barber. All members of the Board were present.

Can't Keep it Secret. The splendid work of Dr. King's New Life Pills is daily coming to light. No such grand remedy for Liver and Bowel troubles was ever known before.

Thousands Have Kidney Trouble and Don't Know it.

How to Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours. A sediment or settling indicates an unhealthy condition of the kidneys.

What to Do. There is comfort in the knowledge so often expressed that Dr. Kimer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage.

WERE HELD UP-- NOT BY HIGHWAYMEN But by the Big Flood That Covered the North Branch District. F. C. Angle and John G. Waite of the MONTOUR AMERICAN office left this city on Wednesday last week on a business trip to New York City.

The Water continued to rise until Sunday evening. On Monday a train was successfully sent to Scranton and on Monday evening the Gazette and Bulletin man started for home by the only Avenue open. He went to New York City over the Lackawanna and then came back to Williamsport over the Pennsylvania.

On the flats between Kingston and Wilkes-Barre the water was up to the second story of the houses. Mr. Angle reached Catawissa early yesterday morning via the Pennsylvania railroad. Passengers from Catawissa were able to reach Danville by way of the Reading railway. Mr. Waite returned last evening.

Danger of Colds and La Grippe. The greatest danger to colds and la grippe is either resting or non-resting. If reasonable care is used, however, and Chamberlain's Cough Remedy taken, all danger will be avoided. Among the tens of thousands who have used this remedy for these diseases, we have yet to learn of a single case having resulted in pneumonia, which shows conclusively that it is a certain preventive of that dangerous malady.

PLAIN TALK. Straight Talk and To the Point--The Virtues of Dr. A. W. Chase's Nerve Pills Told in a Few Words by a Danville Citizen Who Knows. Mrs. Jacob Mills of Cor. Front & Church Sts. Danville, Pa., says-- "Last fall I was feeling very poorly and nervous. I had frequent spells of nervous headache and a good deal of trouble with my stomach.

DANVILLE'S GREAT FLOOD

Ward were urged to vacate on Saturday evening when the water first began to surround the place, but they refused to move. Sunday morning the entire tract was under water, which had risen in the first story higher than the cooking stove. Perry Meyer and John Weir visited the house in a boat and found the old couple nearly perished with cold and hunger.
