CLERKS' NEW PROPOSITION

The Clerks' Union has now abandoned all idea of accomplishing early closing before June 1st. Their present proposition, which asks for early closing between that date and September 15, will be embodied in a paper, which to-day will be circulated among the merchants for signatures. The hour set for closing is 6 p. m. with the exception of Saturday nights and the evening of July 3rd.

But little, if any opposition is apprehended, as this brings early closing down pretty nearly to what was customary in the summers of the past. The merchant as well as the clerks with few exceptions appreciates the convenience of early closing during the long days of the hot months when a few hours of recreation out of doors brings an added charm into life and gives a much needed rest.

Plenty of Encouragement.

Our citizens interested in the organization of a base ball club held an adjourned meeting at the Baldy House Tuesday. The attendance was quite large, while the interest shown was sufficient to justify the fondest hopes of the promoters.

The temporary organization of the night before was made permanent. In addition to which Ralph Kiser Esq. was elected Treasurer and Sam. A. McCoy, Manager. A Board of Control was elected as follows: Fred Jacobs, A. C. Amesbury, Edward F. Williams, F. G. Schoch and W. E. Gosh.

Addresses were made by Ralph Kiser, W. E. Gosh and F. G. Schoch. All coinciding in the view that the team should be perfect in its equipment before starting out to play, among the essentials enumerated being bats, balls, chest protectors, gloves, masks, mits and uniforms. The plan favored was to select 25 of the best ball players in Danville and to pick from these 9 of the most available for a team, reserving a number of the balance for substitutes and for the organization of a team for practice. Some \$25 was handed in last night. The work of soliciting will now begin.

DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by a constitutional remedy. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be removed the hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

Mr. and Mrs. Foust Entertain. Mr. and Mrs. Webster Foust entertained a few friends Tuesday eve at their home on Front street. Those present were: Mr. and Mrs. John Lorner, Mr. and Mrs. Thomas Johns, Mr. and Mrs. John Vastine, Mrs. David E. Haring, Mrs. J. C. Muesmeyer, Mrs. Willard Fetterman, Misses Edith Haring, Bernia VanGilder, Bessie Mills, Jennie Knorr, Mae Foust, Marie Fetterman, Elmira Foust, Cornelia Post, Mary Smith, Pearl Vastine, Ethel, Mabel and Margaret Foust, Bessie Snyder, Katie Bausch; Messrs. Jacob Worle, Harry Camp, Percy Moyer, John Shultz, Walter Foust, Raymond and Willie Johns and Roy Smith.

Tarentum's Good Fortune. The Young Men's Christian Association at Tarentum, Pa., has a good friend in Captain Ford, who recently gave a sum of \$10,000 as an endowment fund and \$1,000 annually for ten years to ward current expenses. He has also provided a paid-up fire insurance policy for \$36,000 for three years. For a town of 6,000 people this is splendid, and it should make Danville feel like forging ahead to keep up with the spirit of Association work throughout the country. We have a splendid building and a very fair equipment; the thing needed now is for everybody to show an interest in the success of our local association.

Scientific Rheumatism Cured After Fourteen Years of Suffering. "I have been afflicted with scientific rheumatism for thirteen years," says Josh Edgar, of Germantown, Cal. "I was unable to be around but constantly suffered. I tried everything I could hear of and at last was told to try Chamberlain's Pain Balm, which I did and was immediately relieved and in a short time cured, and I am happy to say it has not since returned." Why not use this liniment and get well? It is for sale by Paules & Co. No. 323 Mill street.

B'NE BRITH

The B'ne Brith, a secret and beneficial organization of the Hebrews, represented in this city by Hermon Lodge, will in all probability be merged in the Penn Mutual Life Insurance Company. The B'ne Brith has been losing ground for some years past. Hermon lodge of this city at present has only four resident members with an equal number out of town.

The local lodge was on the verge of joining the Wilkesbarre lodge of the order, when a proposition from the Penn Mutual Life Insurance Company was received, which agreed to take in the whole fraternity on terms based on insurance calculations, which seemed reasonable enough under the circumstances.

A meeting of the Grand Lodge of B'ne Brith will be held at Atlantic City on Sunday, May 18th, to accept or reject the proposition of the Penn Mutual Life Insurance Company. Hermon Lodge will be represented by Henry L. Gross of this city.

PERSONAL

LET THE CANAL BE DRAINED.

Persons residing along or near the abandoned canal are protesting very loudly against the foul condition of the bottom, which they say could be improved materially if drained by a ditch along the middle as was done last summer. The water which now lies stagnant, could all be conducted to the aqueduct and there drained into Mahoning Creek.

This is a matter for the Board of Health and incidentally for the borough council to consider. The public health throughout the borough is by no means good, while, as is well known, small pox is not far away. Nothing in the line of precautionary measures should be considered work in vain, even if some cost is involved.

Base Ball in the Third Ward. The Third Ward base ball team, which did some good work last summer, has been reorganized for the season. The first game will be played with Washingtonville at the latter place on Memorial Day. Positions will be filled as follows: John Buck, catcher; William Yerrick, pitcher and second base; Frank Riley, first base; George Yerrick, third base; Michael Riley, short stop; Clarence Frazier, right field; William Moyer, left field and Daniel Hoyle, center field.

Dogs Must Stay In. The board of health in Mt. Carmel has issued an order prohibiting dogs from running at large, and after yesterday all canines found on the streets will be shot by the officers. This move is made to prevent the spread of contagion, the health authorities believing that dogs carry the germs of disease from place to place.

Entertainment Committee. The entertainment committee of the Ladies' Auxiliary of the Y. M. C. A., consisting of Misses Sue Colt, Ida Kaufman, Alice Smith, A. Lyon and Mesdames, Scarlet, Price, Orr, and J. McCoy, are requested to meet in Y. M. C. A. parlour, this evening at 7:30 o'clock.

Erskine Wright, F. C. Angle, John Doster, Jr., Dr. I. H. Jennings and Dr. H. B. Meredith.

Making Improvements. Improvements are being made at the residence of Charles Pusey, No. 22 Vine street. The old fence has been removed, the yard terraced and a fine new veranda is being built. Hoover Bros., South Danville, have charge of the work.

Won't Follow Advice After Paying For it. In a recent article a prominent physician says, "It is not to impossible for the physician to get his patients to carry out any prescribed course of hygiene or diet to the smallest extent; he has but one resort left, namely, the drug treatment." When medicines are used for chronic constipation, the most mild and gentle obtainable, such as Chamberlain's Stomach & Liver Tablets, should be employed. Their use is not followed by constipation as they have the bowels in a natural and healthy condition. For sale by Paules & Co. 342 Mill street.

The First Dance. The first of the series of ten dances to be given at Hunter's Park by a number of our young people will be held on Thursday evening, June 5th. Why's Orchestra has been engaged to furnish the music.

Bright Life Closed. Robert C., the interesting little son of Mr. and Mrs. Artley Stohrer, Church street, died Saturday morning last at 9 o'clock, aged 1 year and 11 months. Illness was of but several days' duration. For sale by Paules & Co. 342 Mill street.

"Worth its Weight in Gold," says sufferers from catarrh of the eye. It is a trial size costs 10 cents. Full size 50 cents. Sold by druggists or mailed by Ely Bros., 56 Warren street, New York. Albert Lee, Minn., March 21, 1901. Messrs. Ely Bros.—I suffered from a severe cold in the head and was about dead from want of sleep. I used your Cream Balm and woke up with a clear head and odd almost gone. I would not take five dollars for my bottle of Cream Balm if I could not get another. S. K. LANDSADLE.

There is not a property owner in this city who cannot contribute in some measure to the general spring cleaning up. Every household should take pleasure in improving wherever possible. A little soil or grass seed will do wonders.

A man with small-pox marks threw Sunbury in a panic yesterday morning. People thought he had escaped from the Mt. Carmel hospital until he was corralled and taken before the president of the health board, who pronounced him a fully cured victim. He said he was released from the Philadelphia hospital Feb. 3rd.

Your Kidneys.

Unhealthy Kidneys Make Impure Blood. All the blood in your body passes through your kidneys once every three minutes. The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though he had heart trouble, because the heart is over-worked in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Koot, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle by mail. Home or business, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.
