Telephone 1436

Y. M. C. A. IS BEING IMPROVED

The basement of the Young Men's Christian Association is undergoing a transformation that will add greatly to its efficiency and convenience. This part of the building is devoted to the physical department and the improving is being done as rapidly as possible so as to have all in readiness for the opening of the gymnasium on the first of October. The new physical instructor, Charles C. Carpenter, of Reading, will be here at that time to begin the work of instructing the gymnastic classes.

The gymnasium is to be re-painted in lighter colors, which will make it more cheerful. New apparatus is also to be put in and the big room will be entirely renovated. The lavatories, containing the tub and shower baths, have already been painted in the new color, increasing the effect of the light from the windows. The locker rooms and all the steam pipes are to be similarly painted. When all is completed this department will be one of the coziest and handsomest of any association in this part of the state.

The prospectuses of the Y. M. C. A. lecture course, which were printed at this office, are being distributed about town. The course includes many notable lecturers and fine musicians. The number of reserved tickets is limited to seven hundred and persons wishing them are requested to make application at once to W. V. Oglesby, Esq., at his office on Mill street. A delay until the canvassers get around may result in all the tickets being engaged.

Frightened By Indians.
The arrival of the Shikellim Indians, Monday morning, to attend the Red Men's picnic frightened Frances Harpel, daughter of Dr. P. E. Harpel, and Alexander and Florence Vincent, children of Thaddeus Vincent. They saw the painted braves, in all their war panoply, getting out of their wagons at Hunter's livery stable. They thought they were real Indians and in their anxiety to escape jumped down into the bed of the canal.

My Family Doctor.
Blue Island, Ill., Jan. 14, 1901.
Messrs ELY BROS.—I have used your Cream Balm in my family for nine years and it has become my family doctor for colds in the head. I use it freely on my children. It is a Godsend to children as they are troubled more or less.
Yours respectfully, J. KIMBALL.
Judge for yourself. A trial size can be had for ten cents by writing to Ely Brothers, 56 Warren street, N. Y.

Daville Lost at Williamsport.
The "Old Timers" lost at Williamsport Monday by a score of 15 to 1. The local players went up against a strong combination and played a good game. Costly errors contributed to the defeat, but Williamsport had Lush in the box and his delivery was a puzzle for the "Old Timers". In the game with the Philadelphia Giants last week, which was won by Williamsport, Lush struck out sixteen of the Giants.

A Good Show.
The Byron Spauld company gave another good performance before a good sized audience in the tent at the foot of Pine street, last evening. This company certainly deserves patronage as it gives a number of splendid vaudeville acts, which carry with them all that is wholesome. The aerial and acrobatic act of the Barkers is especially worthy of mention and called forth frequent applause. The company remains the balance of the week.

Officiated at a Funeral.
Rev. Erskine Wright, rector of Christ Episcopal church, officiated Sunday afternoon at the funeral of Mrs. Minnie H. Himes, wife of Harry Himes, which took place at the home of the deceased in Sunbury. Rev. Charles Morrison, rector of St. Matthew's church, Sunbury, is chaplain of the Twelfth Regiment and is with the regiment at Shenandoah.

Bloomsburg Has a Fire.
The plant of the Paragon Plaster & Supply Company of Bloomsburg was burned down Tuesday night entailing a loss of \$10,000. Fifty feet from the burning building was the Atlantic Refining Company's plant, in which were stored 100,000 gallons of oil and gasoline. The firemen worked heroically.

A Communication.
Mr. Editor—Allow me to speak a few words in favor of Chamberlain's Cough Remedy. I suffered for three years with the bronchitis and could not sleep at nights. I tried several doctors and various patent medicines, but could get nothing to give me any relief until my wife got a bottle of this valuable medicine, which has completely relieved me.—W. S. Brockman, Bagnell, Mo. This remedy is for sale by Pauls & Co., 342 Mill street.

A BIG RUSH TO BLOOMSBURG FRIDAY

There was little doubt in Daville Friday outside of the big industries, as everybody who could get a day off went to Bloomsburg to participate in the centennial celebration. The streets were almost deserted during the afternoon.

It is estimated that at least 2500 of our citizens were in Bloomsburg. Of these 1130 went up via the P. & R. and 750 over the D. L. & W. railroad. The P. & R. kept no account of the tickets sold to Bloomsburg. Neither is it possible to determine how many drove from Daville and immediately vicinity made the trip in hacks and other vehicles.

All on returning spoke very highly of the day's events. The principal feature of course was the firmen's parade, the line of march of which was printed in these columns a few days ago. The parade was nearly a mile long and is described as one of the finest assemblages of firmen ever seen in this section. There were ten bands in line and 9 drum corps. The Friendship Fire Company, with Stoes' band, the Washington Hose Company with its drum corps and the Continental Hose Company of this city were in the parade. In point of dress and appearance the Daville firmen, it is said, compared favorably with any in line.

The hose contest was won by the Eagles of Pittston, the prize being \$20. The same company carried off the prize—\$25—as the best drilled. Neither of the Daville companies entered the contests.

Communicated.
Editor Montour American—One is apt to wonder what has occurred to silence the advocates of sewerage. There was plenty of agitation on the subject a few months ago, but now one seldom hears the matter discussed at all. Has the more fact of the summer's being phenomenally wet, so that Blizard's run and Mahoning creek did not prove exceptionally offensive been sufficient to turn all thought away from sewerage, as though the unique conditions obtaining now were likely to occur yearly in the future?

The two streams named are already falling and that they in the future will prove as foul and noxious as ever in the past is as certain as that the sun shall continue to rise and set. To ignore this fact is hardly worthy of thinking men who would take the least thought for the morrow. If our town is to grow—if it is to advance one step beyond where it is, then it must have sewerage. It has been demonstrated how it can be done without increased taxation and how eventually sewerage will pay for itself.

Daville is booming industrially. There is need of new houses and with out them the town can not grow. But new dwellings to rent to an advantage must contain the modern improvements—must be up-to-date. The town must offer some inducement. It must afford sewerage facilities to encourage building along the one line that promises any return for the money invested. The need of sewerage is felt at all times and in many ways, whether the season is wet or dry and the streams about town are foul or otherwise.

CITIZEN.
The month of August, 1902, will pass into history as a cool and refreshing memory. Meteorologists say the glorious weather, with its fine, feathery cirrus about sunset time, and all its brilliant and exhilarating effects, is due to exactly the same cause that has given a cool summer all along; that is to high pressure atmospheric eddy lying to the northwest. In commenting on the weather for the Philadelphia Press a meteorologist says the cool spells of 1902 are the result of a vigorous circulation returning from the north, set up by the eastward-moving high pressure atmospheric eddies which represent a down draught at the center. The type of eddy, technically known as "anti-cyclonic," so long as it keeps to the northern circuit, conditions a cool summer and it is due to the steadiness of these northern anti-cyclones entirely that the summer of 1902 has been so remarkable. So long as these high pressure eddies move along the northerly circuit just so long will the weather keep cool.

To Consolidate.
At a meeting in Elmira the other day of the New York Telephone Company and the United Telegraph and Telephone Company it was decided to consolidate the two companies, says a news item.
The lines will extend from Binghamton, Elmira, Cortland, Towanda, and intermediate points, will cross the Hudson River, and finally connect with United Telegraph and Telephone Company lines at Williamsport.

THIS IS A FACT.
There is no question about it. It is a plain statement of facts. Made by a Daville citizen.
Mrs. M. Fields of No. 128 Pine street, Daville, Pa., says: "I have been bothered a good deal for some time with a nervous indigestion and was feeling poorly generally. I did not rest well and had frequent nervous headaches. I got some of Dr. A. W. Chase's Nerve Pills at Gosh's Drug Store and used them and felt that I received a very decided benefit. I rested better and felt toned up and better generally."
Dr. A. W. Chase's Nerve Pills are sold at 50 cts a box at dealers or Dr. A. W. Chase Medicine Co., Buffalo, N. Y. See that portrait and signature of A. W. Chase, M. D. are on every package.

RURAL FREE DELIVERY ROUTES

Postmaster Charles P. Harder has received from the Post Office Department the official order to put the rural free delivery into effect on Wednesday, October 1. There will be four routes and the salary of each carrier will be \$800 per annum, which includes horse hire. The establishment of these routes will be a great convenience to the residents of the rural portion of Montour county as they will thus have a daily delivery of mail right at their homes.

The carriers will carry a supply of postage stamps, postal cards, stamped envelopes and money orders applications. The examination for these carriers was held some time ago and the papers are now at Washington. The appointments will be made soon so that everything will be in readiness for starting the service on October 1.

The carriers will leave the Daville post office daily at 8 a. m., excepting No. 3, and will return at 4 p. m. The No. 3 carrier will take a closed pouch to Kasville and his time for leaving will be 8:15 a. m. The routes were gone over in April by Inspector W. I. Taylor and Postmaster Harder. The order of the department designates them as follows:

Route No. 1—Beginning at post office, northwest to Mansfield, west to E. Berger's corner, northwest via Oak Clayberger, 2b, 3, 4, 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.

Route No. 2—Beginning at post office, northwest on Washingtonville road via Penna. Hotel at A. J. Carr's corner, southeast and east via school house to G. Dietrich's corner, southeast to P. Byer's corner, east to J. W. Byer's corner, north to H. Cooper's corner, northeast to Orleans school house, southeast and southwest to Hendrickson's school house, west to Roger's corner, south to Old Tannery, southeast to post office. Length, 2 1/2 miles; area, 8 square miles; houses, 85; population, 425.

Route No. 3—Beginning at post office, northeast to Kasville with closed pouch, northeast to C. F. Steyer's corner, east to G. Irwin's corner, northwest to Moore's corner, northeast to Swanda's corner, northwest to Crossley's corner, southwest to Sheep's school house, northwest to Shultz shop, southwest to B. Shultz's corner, south via V. Shultz to J. Benfield's saw mill, west to E. Appelman's corner, southwest to Blue's corner, east to Edmondson's farm, return to Blue's corner, southeast to post office. Length, 2 1/2 miles; area, 8 square miles; houses, 103; population, 515.

Route No. 4—Beginning at post office, east on Bloom road to Hagenbach's corner, north to Pursell's corner, west to M. A. Girton's corner, southwest to E. White's corner, northwest to Kasville, post office, with closed pouch will be received, east to Moore's school house, north to Evert's corner, west via H. Sandel and G. B. Kase to E. Silder's, southwest to Forks, southeast to post office, delivering closed pouch. Length, 2 1/2 miles; area, 10 square miles; houses, 160; population, 800.

Seven United States mail collection boxes will be put upon the routes, the largest style of mail box in use. They will be located as follows:
Route No. 1, Oak Grove meeting house; **Route No. 2**, Ortman school house; **Route No. 3**, Sheep's school house; **Route No. 4**, Hagenbach's corner, W. Pursell's corner.

Benedict's Greatest Production.
"Wormwood, or the Absinthe Drinkers" will be produced at the opera house on Saturday evening next, September 6th. Its incidents are based upon the terrible curse of absinthe, a pernicious evil which is spreading not only over the entire European continent, but throughout America as well. Working upon this theme, Marie Corelli wrote one of the greatest works of the nineteenth century, a book of great dramatic strength and of greater poetic divination. Utilizing the material, Chas. W. Chase, the dramatist has written a drama of such intensity, purity of thought, beauty of sentiment and general excellence throughout, that many who have seen it say that like Corelli's book, the play will live forever. Few who have read the book will miss the opportunity of witnessing Corelli's wonderful character studies endowed with life and moving and talking before them. Mr. Aiden Benedict, who has purchased the sole rights to this play, has provided a strong and capable company, beautiful scenery and many novel electric effects and illusions and promises us one of the best entertainments we have witnessed in many years.

Dirty Well at the Water Works.
Water Superintendent P. J. Keefer has a force of men employed in cleaning out the river well connected with the Water Works. The well was cleaned out two years ago. It is now in a wretched condition, there being a deposit of mud very offensive in odor seven feet deep filling the well half full.
Our town is indeed fortunate in having a filter plant, a fact that is made very apparent at such times as now, when we reflect that our borough water is pumped from the foul well just described.

A Parson's Noble Act.
"I want all the world to know," writes Rev. C. J. Badlong, of Ashaway, R. I., "what a thoroughly good and reliable medicine I found in Electric Bitters. They cured me of jaundice and liver trouble that had caused me great suffering for many years. For a genuine all around cure they excel anything I ever saw." Electric Bitters are the surprise of all for their wonderful work in Liver, Kidney and Stomach troubles. Don't fail to try them. Only 50 cts. Trial bottles free at Pauls and Co's. Drug store.

A Boy's Wild Ride for Life.
With family around expecting him to die, and a son, riding for life, 18 miles, to get Dr. King's New Discovery for Consumption, Coughs and Colds. W. H. Brown, of Leesville, Ind., endured death's agonies from asthma, but this wonderful medicine gave instant relief and soon cured him. He writes: "I now sleep soundly every night." Like marvelous cures of Consumption, Pneumonia, Bronchitis, Coughs, Colds and Grip prove its matchless merit for all Throat and Lung troubles. Guaranteed not to cost more than \$1.00. Trial bottles free at Pauls and Co's. drug store.

FINE HOME FOR LODGE OF ELKS

The Daville lodge of Elks No. 274, which leased the second and third floors of the Grone building, corner of Mill and East Mahoning streets and will take possession about October 1st. The second floor will be used as social rooms and the third as a lodge room. The two floors leased will be arranged and fitted up to suit all the requirements of the lodge.

It is doubtful whether any lodge of Elks in central Pennsylvania can boast of a finer lodge home than the new quarters being fitted up for Daville Lodge No. 274. The lodge was organized as recently as December 21st last and now numbers forty-four members. Many new applications are in sight and the steady growth of the lodge is insured.

The leasing of the highly desirable rooms is a stroke of enterprise throughly in harmony with the spirit of the times and indicates that the new lodge of Elks is made up of progressive young men and that henceforth it will be a strong and influential factor among the secret societies of Daville.

The Order of Elks is a rapidly growing one and new subordinate lodges are being established in nearly every town. "Evolution and Progress" in its nature, it is established on principles, which in these strenuous days of merciless competition place before it a broad mission of humanity and usefulness.

Nature Compared With Art. Wonderful Niagara.
It is a remarkable fact that while one or two views of any work of art is sufficient for most persons, we nevertheless look at nature's masterpieces of scenery. One of the greatest of these is Niagara Falls, and few persons ever visited this stupendous and wonderful specimen of nature's handiwork without desiring to revisit it time and time again. The fact is that it seems almost impossible to realize the wondrous beauty and strength of the falls and rapids at first, and the more you gaze at it the more its majestic grandeur impresses you.

The popular Ten Dollar Excursions to Niagara Falls via Philadelphia & Reading Lehigh Valley Route leaving Reading Terminal September 14th and 27th and October 9th afford a grand chance to view Niagara and also the beautiful Lehigh and Wyoming valleys en route at small cost.
The tickets are good going only on special train leaving Reading Terminal 8:30 A. M. above dates, but good to return within ten days on all regular trains except "Black Diamond Express."

Stop-off allowed, returning, at Buffalo, Rochester Junction (for Rochester), Geneva, Bardett (for Watkins Glen) and Mauch Chunk (Switzerland of America), on the return trip.
The following side trips at special low rates are announced and same are available for parties holding and showing these tickets.
NIAGARA FALLS TO TORONTO and return tickets good only for day of issue. Via N. Y. C. & H. R. R. R. to Lewiston then Niagara Navigation Company across Lake Ontario, rate \$1.00. Via "Gorge Route" and Niagara Navigation Company, rate \$1.25.

ROCHESTER TO ALEXANDRIA BAY and return (Thousand Islands). Tickets good for five days, but not to exceed limit of Niagara Falls tickets. Rate \$5.50.
CHARLOTTE, N. Y. (Port of Rochester) to THOUSAND ISLANDS and return via Lake Ontario and St. Lawrence River Day Line Steamers, tickets good two days including date of sale; rate \$3.00. Rochester to Charlotte and return 30 cents.

For time of train and rates of fare from other points, and other information desired, consult any Philadelphia & Reading Ticket Office.
A childless home is a cheerless home. The maternal instinct exists in every woman, and when it is ungratified she is deprived of much of her happiness of life. It often happens that childlessness is due to some cause which can be removed by the use of Dr. Pierce's Favorite Prescription. The vigor and vitality which this remedy imparts to the delicate womanly organs, puts them in a condition of normal health, the lack of which is often the sole obstruction to maternity. Every woman should read Dr. Pierce's Common Sense Medical Adviser, a book containing 1008 pages and 700 illustrations. It is sent entirely free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the paper bound volume, or 31 stamps for cloth covered. Address Dr. R. V. Pierce, 663 Main Street, Buffalo, N. Y.

Pay for the Soldiers.
Tuesday was pay day for the First Battalion of the Twelfth Regiment and the Governor's Troop, encamped at Manila Park. About \$20,000 will be paid out and each private will receive \$48. Board floors have been placed in the tents and the commissary department has made requisition for thirty days' rations.

Prove All Things.
Daville People look for Proper Proof. To win a wager an English Marquis stood on London bridge and offered British sovereigns \$5 for five shillings (\$1.25). He could not find a customer. It's not to be wondered at the public look askance at any proposition where the proposer is apparently a wealthy man. "Fraudulent" schemes have often been successful, and in these days skeptics want better proof than the word of a stranger. No evidence can be stronger than the testimony of friends and neighbors of a party we know. Here is a case of it: Mr. W. C. Richard, Green, living Cor. Iron and Third St., Elmira, says: "I was taken suddenly with stitches in my back which were so excruciating that I almost fell to the ground. I was confined to my bed for over a week and the pain was so intense I could not rise without assistance. Doan's Kidney Pills came to my attention and I took a course of the treatment. It cured me."
For sale by all dealers. Price 50 cents. Postoffice address, Buffalo, N. Y. Sole agents for the U. S. Trial bottles free at Pauls and Co's. drug store. Remember the name—Doan's—and take no substitute.

THIRTEEN WAS THE HOODOO

The fateful number thirteen was a "hoodoo" for the "Old Timers" on Saturday afternoon at DeWitt's Park, thirteen errors being made by the local players. Then Mt. Carmel had thirteen hits, which made things easy for them. Four runs in the first inning, four in the sixth and six in the eighth shows how easy their victory was accomplished. A run in the second, two in the fourth and another one in the seventh completed their tallying, giving them a total of eighteen. Daville had seven, two being scored in the third inning, one in the fourth, two in the fifth and two in the ninth.

Errors were plentiful on the part of the "Old Timers," this being the chief cause of defeat. Until the sixth inning but two hits were made off Remmer, the seven runs made by the visitors resulting from eight errors. Daville had, up to this point of the contest, gotten five runs on five hits. Gosh was at bat five times and got four hits and a base on balls. In the sixth inning Hammer hurt his hand and was unable to finish the game. Davis took his place and Skoskie succeeded Davis in the field. The following is the score in detail:

	AB.	R.	H.	O.	A.	E.
Gosh, ss.	5	3	4	1	2	3
Clayberger, 2b.	3	3	1	1	2	2

Home run, McCloud. Two base hits, M. Riley, T. Riley. Stolen bases, Byerly 3. Struck out, by McCloud 13, by Lyons 4. Base on balls, off Lyons 1. Passed balls, Buck 4, Edgar 3.

Back From a Long Trip.
Dr. P. C. Newbaker received a letter yesterday from his son, Charles A. Newbaker, who has just arrived in New York from Lima, Peru, via Colombia. He left San Francisco two and a half years ago for Peru. He expects to soon pay a visit to his parents in this city.

Montour Castle Won Prize.
At the Knights of the Golden Eagle reunion, at Williamsport, on Labor Day, Montour Castle, No. 186, of this city, was awarded a handsome clock for having the largest number of men in line.

Married Tuesday Afternoon.
At his residence, No. 115 Lower Mulberry street, Tuesday afternoon, at three o'clock, Rev. Dr. M. L. Shindel, pastor of the Pine street Lutheran church, united in marriage William H. McCracken and Miss Sara J. Diefendorfer, of Liberty township. Mr. and Mrs. McCracken left on a brief wedding trip and on their return will reside in Liberty township.
A Certain Cure for Dysentery and Diarrhoea.
"Some years ago I was one of a party that intended making a long bicycle trip," says F. L. Taylor, of New Albany, Bradford County, Pa. "I was taken suddenly, with diarrhoea and diarrhoea remedy. I purchased a bottle and took two doses, one before starting and one on the route. I made the trip successfully, and never felt any ill effect. Again last summer I was almost completely run down with an attack of dysentery. I bought a bottle of this same remedy, and this time one dose cured me." For sale by Pauls & Co., 342 Mill street.

BIG CROWD SAW BALL GAME

A crowd of fully three thousand witnessed the game of base ball Friday afternoon at Bloomsburg between the "Old Timers" and the Cuban Giants. A large portion of the great audience was from this city. The Giants took the lead in the first inning and maintained it throughout the game. The following is the score in detail:

	R.	H.	O.	A.	E.
Gosh, ss.	1	1	1	0	0
Clayberger, 2b.	0	0	3	0	1
Bingham, 3b.	1	1	2	2	1
