THE DEMOCRATS' OWN IT

The Union Party Now Owned and Operated by Democrats.

WANT TO CAPTURE LEGISLATURE

Then They Would Proceed to Elect a Democratic Senator—Plans All Laid Out—Some Sensational Democratic Fakes Exposed.

(From Our Own Correspondent.) Philadelphia, Sept. 2.—What every body has been expecting has at last come to pass. The Democracy has gobbled the so-called Union party at one gulp. On Saturday last the Democratic state leader, Colonel James M. Guffey, held a conference in this city with the Democratic managers.

It is a notorious fact that Democrats have been after Union party delegates right and left for weeks. The result of this is that the Democratic managers of the Union party have demanded an endorsement of Pattison and Guthrie or else they will "rough" the convention and make a scene.

A DEMOCRAT FOR SENATOR.

It is now understood that the deal between the Union party promoters and the Democratic managers includes not only the endorsement of the Democratic state ticket, but an arrangement for the selection of candidates for the legislature who will be pledged to vote for a Democrat for United States senator and the support of Democrats and Unionists in future campaigns.

MAJOR GEARHART'S CAUSTIC REPLY

The correspondence between Chief Burgess J. W. Maloy of Lansford, and Major C. P. Gearhart relative to the charge of drunkenness on the part of the guardsmen is becoming quite acrimonious.

SOME DEMOCRATIC FAKES.

Sensational fakes are playing a prominent part in the Democratic campaign. A week or two ago somebody sent Hon. Robert E. Pattison an alleged informal "machine." After a lot of exploitation it turned out to be a package of harmless stuff.

Last week the State was industriously circulated by the Democrats that State Insurance Commissioner I. W. Durham, the Philadelphia leader, who in Colorado was dangerously ill with a chronic disease, it is not a new trick to invent reports that this and that political leader are not expected to live long, owing to some malady that has taken hold of them.

Thanks For Penrose.

Resolutions of thanks, according to a Washington dispatch, continue to pour in upon Hon. James Penrose for his speech in the senate against the oligarchical trust.

It is the great medical triumph of the nineteenth century, discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, acid uric, liver and bladder troubles, which is the worst form of kidney trouble.

Half-Sick

"I first used Ayer's Sarsaparilla in the fall of 1848. Since then it has taken it every spring as a blood-purifying and nerve-strengthening medicine."

If you feel run down,

are easily tired, if your nerves are weak and your blood is thin, then begin to take the good old standard family medicine, Ayer's Sarsaparilla.

Fortune Favors a Texan.

"Having distressing pains in head, back and stomach, and being without appetite, I began to use Dr. King's New Life Pills," writes W. P. Whitehead, of Kennelton, Tex., "and soon felt like a new man." Only 25c at Pauls & Co's. drug store.

Death of an Infant. The infant child of Mr. and Mrs. Perry Mazelle, Montour Row, died Tuesday forenoon aged nine days.

Major Gearhart promptly sent the following reply:—"Sir:—Your letter dated August 29 received in reply to my letter concerning the reported condition of the man in charge of your troops last Friday at Lansford. Your reply would indicate that you were suffering from mental excitement when you dictated it. Ignoring its tone, the undersigned suggests that you investigate the question at issue. Investigation is what any wrongly accused officer would demand."

Major Gearhart promptly sent the following reply:—"J. W. Maloy, Chief Burgess at Lansford, Pa. Sir:—I am inclined to think that you are either a lunatic or a worthy representative of the lawless element in your town, and I don't want to have any further communication with you on this subject. Respectfully, C. P. Gearhart, Major."

The enlisted men as a unit stand by Major Gearhart, declaring that the charges of drunkenness are wholly false. The charge against Captain Heim is especially unjust. As he alighted from a trolley car Friday morning the lacing in his legging became entangled, and he fell headlong to the ground, badly injuring his arm.
