CONDENSED NEWS.

Pienies are suspended.
Indian summer will soon be due.
Berwick will have free delivery after
December 1.
Contagious diseases are very few at
present about town.
Leonard Foulk spent yesterday with
relatives at Bloomsburg.
The beginning of the equinoctial
storms will soon be here.
The last of a series of dances will
be held at Hunter's Park tonight.
It is said that the High School foot
ball team will be a good one this year.
The rains of the past few days were
welcomed by the farmers in this section.
A year ago Saturday President
McKinley was shot at Buffalo by Czol-
gosz.

A number of our town boys will be
leaving for college within the next few
weeks.
The crop outlook indicates that there
will be pumpkin pie enough to go
around.
Rural free delivery is anxiously
awaited by the farmers of Montour
County.
John Donnelly of Shamokin, returned
home yesterday after a visit in
his city.

The Philadelphia and Reading Rail-
way Company is again burning hard
at in most of its locomotives.
The man who has an old-fashioned
old stove in his cellar is now hand-
led forth in great gloom to him
at service in these days of priceless
A.
The owners of Welsh Bros. circus
which canceled the coal regions this
because of the strike, have done
\$100 to the relief fund of the
ited Mine Workers.

The sale of the Peter Billmyer farm
Shamokin township, Montour County,
was adjourned until September
1, 1902, at the Court House, in Dan-
ville, Pa., at one o'clock.
The next Festival Tea will be served
at the Army Hall, Ferry street,
Friday, September 13, from 5 to 10
a. Tickets 15 cents. All who at-
tend will have a pleasant time and
tea.

If voters should keep in mind that
after 4 will be the last whereby
they can pay their poll tax thus en-
abling them to vote in November. Re-
member this important fact as it will
do many persons much annoyance
on election day.
Next Sunday, September 14, will
be the anniversary of the death of
ident McKinley. Many churches
denominations throughout the
county have voluntarily started a
movement to hold a memorial service
at places of worship in remem-
brance of the late president.
Persons desiring to go to Washing-
ton to attend the national conven-
tion of the Grand Army of
the Republic are requested to notify
manager William H. Hodgens, of
Rich Post, No. 22, G. A. R. The
train is trying to charter a car which
will run direct from this city to
Washington. This can be done if
enough persons go to fill a car.
Employees of the Pennsylvania rail-
road are asked to pay their debts hereafter
in their positions. They have no
native in the matter and if they
are for just debts not paid with-
out reasonable time the railroad will
continue the men's names on
pay rolls. Such is an order sent
from Philadelphia. All divisions
received the manifesto and all
act accordingly.

American

"THIS COUNTRY WILL NEVER BE ENTIRELY FREE UNTIL IT SUPPLIES ALL OF ITS OWN DEMANDS WITH ITS OWN PRODUCTIONS."

VOL. 47--NO 37.

DANVILLE, PA., THURSDAY SEPTEMBER 11, 1902.

ESTABLISHED IN 1855.

REVOLVING CHAIRS WILL BE INSTALLED

When the members of the school board filed into the directors' room Monday they were hardly able to recognize their former quarters and it was with an exclamation of surprise that they took in all the recent repairs. Not only was all the furniture rearranged, but the unsightly globe stand was removed, as the apartment will henceforth be heated from the cellar. The coarse and ragged matting which so long had greeted the eye was removed and the floor covered with linoleum representing tiling. The walls and ceiling are calcimined, a terra cotta color being selected. The woodwork is repainted and the furniture varnished. At the south of the room a platform has been raised for the president on which stand a brand new table and a high-backed chair. To the right of the president is the secretary's desk and to the left a table for newspaper men, each place being provided with a comfortable arm chair. Appearance of things are further enhanced by four graceful hat-racks, two of which stand on each side of the room.

Dr. Barber climbed up into his elevated perch and called the board to order. Several members expressed themselves as delighted with the improvements. Mr. Keofer demurred; he said every thing was all right with the exceptions of the chairs. For his part he thought that nothing would be so nice as a revolving chair. Mr. Fischer agreed with him and soon the idea became popular. Chairs are needed anyhow, it was explained, in the class rooms, where under the increased attendance the seats are not sufficient.

The chairs doing service in the directors' room, therefore, were ordered up stairs and it was decided to purchase a dozen revolving chairs for the board along with another dozen of plainer ones for the use of classes that come into the directors' room to recite. The neat and orderly appearance of things seemed to throw the board into a discriminating and critical mood. It found that a number of abuses had crept into its conduct of affairs and the session was given over to the question of reforms. Several of the members were accused of arrogating unto themselves the right of deciding on questions which properly belong to the board, while others it was affirmed neglected their business. A good many caustic remarks were fired backwards and forwards but no action was taken and the session was void of interest.

The following bills were approved for payment:
E. W. Peters, com. \$177.37
D. K. Eckman 57.90
George F. Snyder 75.33
Trumbower & Werkheiser 66.74
Ginn & Co. 12.77
Charles Mottern 1.00
R. S. Miller 8.63
Calvin Eggert 1.25
E. K. Hale, Jr. 2.35
John Bruder .65
George Reifsfnyder 75.33
W. G. Shoop 2.00
Mrs. Davis 35.00
Mrs. Kinn 22.50

To Attend State Convention.
The Continental Hosiery Company, at its September meeting, decided to attend the annual state convention of hosiery men, which will be held next month at Bradford. Thomas J. Trainor was chosen delegate of the company in the convention. There will be a number of men from the other companies at Bradford, so that the Danville department will be well represented. George Freeze will be the Friendship delegate, while Chief James Freeze will be the official representative of the department.

The Continental company also made its nominations at the meeting and the annual election will be held in October. Thomas J. Trainor is the nominee for Chief Engineer of the department.

Puddlers from Lebanon.
Twenty puddlers arrived in this city Tuesday from Lebanon to work in the Danville rolling mill. They are all married men and their families reside in Lebanon. They were employed in the big iron mills there until several weeks ago when the importation of negro workmen caused a general strike in that city.

Tuesday night nine furnaces, the full capacity of the rolling mill, were on and the mill will now run double turn steadily with these nine furnaces. Several weeks ago a few furnaces were on at night, but the double turn had to be discontinued because of the trouble in getting steady puddlers. These Lebanon men are all experienced and have been employed for a long time in their home city. Their coming will enable the capacity of the mill to be doubled.

Attacked With Vertigo.
While attending the funeral of the late George W. Peifer Monday, William R. Pursel of Frosty Valley was seized with an attack of vertigo, occasioning a good deal of excitement. He was standing with others in front of the dwelling when he suddenly seemed to lose consciousness and fell over. He was carried to the rear of the house where he soon recovered. The sun, which was intensely hot during the afternoon, is thought to have superinduced the attack.

APPOINTMENT OF RURAL CARRIERS

Postmaster Harder has received from the Post Office Department the official notification of the appointment for the rural free delivery routes which are to be established in this county on October 1st.

For Route No. 1 Charles Ruckel is the carrier and David Ruckel substitute. H. H. Stetler is carrier for Route No. 2, with W. C. Stetler as substitute. Daniel Byerly will deliver the mail for Route No. 3, his substitute being Lewis Byerly. John McClure is named as the carrier for Route No. 4, with D. B. McClure as substitute.

The salary of the carriers includes horse hire and daily trips must be made over the routes, Sundays excepted. The government requires that covered boxes of sheet iron or steel be erected by persons desiring rural free delivery service. The dimensions and specifications of the boxes are given in an order, which Postmaster Harder received several weeks ago from Washington. Each box must be erected so that the carrier can easily obtain access to it without dismounting from his vehicle. These regulations are being observed by those residing on the routes who have already put up boxes. Many more will be erected during this month so that the patrons will be ready to receive their mail when the service starts.

Tree was Blown Into a House.
The storm of Tuesday afternoon did considerable damage to the corn throughout this county and interfered with the telephone lines by breaking the wires with falling trees. At Washingtonville a number of trees were blown down. A big branch of a building, tearing off the gable end of a building, penetrating through the plastering and extending two feet into the interior of the house.

The building is the Town Hall, part of it being used as the Council Chamber and the other part as the residence of Mrs. Mary Cromley. Mrs. Cromley was entering the room when the tree was forced in through the wall. She escaped injury but was considerably frightened by the occurrence.

At Milton the storm was very heavy, the wind doing a great deal of damage. Part of Shimer's paddling mill was blown down, but none of the workmen were injured. In this city the clouds were black, making it quite dark, and a heavy rain fell. There was very little damage done, and the worst of the storm was soon over.

Samuel Mettler Starts Home.
Samuel Mettler, whose long drive to this city from the western part of Ohio was described in these columns last June, has started on his journey homeward. Mr. Mettler is an elderly gentleman, who was born and spent his entire life in Ohio. His parents emigrated from this section in early life and the object of Mr. Mettler's visit was to form acquaintance with his relatives here.

He spent a couple of months very pleasantly with his Pennsylvania relations, sojourning a portion of the time at the home of Mrs. Enoch Cook, this city, who is a first cousin.

Mr. Mettler's journey home will cover a distance of nearly seven hundred miles. The horse and open buggy that brought him east will be used in making the return trip. Coming east his average rate of travel was a little over twenty miles per day so that it will be readily seen that his journey home must occupy over a month.

Frazier Homestead Re-Purchased.
The old Frazier homestead situated about a mile south of Washingtonville which for some years past has been owned by Martin Kelly, Friday passed into the possession of Daniel Frazier of this city. The place with its level and fertile fields, its fine fences and buildings never fails to attract the attention of the passer-by. It was formerly owned by Daniel Frazier, father of the late James O. Frazier and grandfather of the new owner. The latter for several years past has been desirous of gaining possession of the farm so as to bring it back into the Frazier family. The price paid has not been made public, but it is said to exceed \$12,000.

PERSONAL PARAGRAPHS.

Miss Isabel Baldy left yesterday for Staunton, Va., where she will enter the Episcopal Peadar Institute.
Miss Edna Beninger of Roaring Creek, was a visitor in this city yesterday.

Miss Stella Mourer of Beach Haven returned home last evening after a visit with friends in this city.
Miss Katie Mullen returned home last evening from Johnstown and Pittsburg.

Miss Margaret Hall returned to Milton yesterday after a visit with friends in this city.
Miss Anna Parsons returned to Lock Haven yesterday after a visit with Miss Margaret Brockbill, East Market street.

David Paulus and son Luther, of Marietta, returned home yesterday after a visit with Dr. W. R. Paulus, Bloom street.
Mrs. Edward Lewis, Spruce street, left yesterday for a visit with friends at Berwick.

Mrs. C. E. Yorks returned to Central yesterday after a visit with Mrs. T. W. Bartholomew, East Front street.
John Bachinger of Plymouth, spent Sunday with his parents, Mr. and Mrs. Augustus Bachinger, Upper Mulberry street.

Mr. and Mrs. John Jones and family of Natalie, spent Sunday at the home of William E. Young, Pine street.
Mrs. Joseph Schain and children of Berwick, spent Sunday with the former's parents, Mr. and Mrs. S. Lowenstein, Mill street.

George G. Steinbrenner of Wilkesbarre, spent Sunday with his mother, Mrs. Annie Steinbrenner, Front street.
Mrs. E. J. Coxey and daughter Helen, and Mr. and Mrs. William Mastone of Sunbury, spent Sunday at South Danville as the guests of Mr. and Mrs. Robert Mastone.

Misses Anna and Sarah Woodside spent Sunday with relatives in Sunbury.
Miss Laura Gilbert and George S. Gilbert of Catawissa, spent Sunday at the home of Dr. and Mrs. C. H. Reynolds, Mill street.

Mr. and Mrs. John S. Gilbert of Philadelphia, are guests of Dr. and Mrs. C. H. Reynolds, Mill street.
Miss Jennie Reed of Shamokin, spent Sunday with friends in this city.
Miss Rose Bolen of Sunbury, spent Sunday with Miss Anna McLaughlin, South Danville.

Mrs. Harriet Fortner and Miss Harriet Fortner of Nescopeck, are the guests of Mr. and Mrs. J. T. McLaughlin, South Danville.
Miss A. M. Hartley of Bloomsburg, returned home yesterday after a visit at the home of Dr. Patton, Washingtonville.

SOLICITORS MEET WITH INDIFFERENCE

Those interested in the Soldiers' monument and have been hoping to see it an accomplished fact in the near future will be disappointed to learn that the solicitors are not meeting with such encouragement as was anticipated. The intention is not to convey the idea that the committee has lost hope in the ultimate success of the monument. The work is too far advanced for that. They feel some disencouragement, it is true, but they have not lost confidence in American manhood, in the liberality of a generous and patriotic public.

The committee is now preparing to make a stirring appeal, which it is hoped will awaken every citizen to a full sense of his duty. Few, it is claimed, look at the matter rightly. The committee takes the view that in contributing to a fitting memorial to be erected to those who gave up their lives for their country not only should one contribute according to his means, but even to the extent of personal sacrifice. Those who fell on the field of battle gave all that the Union has, who without any such sacrifice share in the blessings of a united country.

It is this thought that the committee wishes to bring home to the people. At present there is a deplorable amount of indifference. Few, it is true, refuse outright, but in too many instances the solicitors are "stood off," told to "call again" and thus driven to the necessity of making repeated visits where one should suffice. If the monument is to be built and to be built reasonably soon, it is pretty evident that the general response will have to be much different from what it has been. The committee, however, has not lost hope.

Postponed Until Saturday.
Last evening was the time selected for re-testing the one thousand feet of new hose recently purchased. The work had scarcely more than begun when a mishap occurred at the steamer which made it necessary to abandon the test for the time being.

It was about 5:30 o'clock when steam was gotten up. It was decided to test the new hose in two sections. Five hundred feet accordingly were attached to the steamer and extended down the river road.
The intention was to carry out the instructions given by council and subject the hose to a pressure of 225 pounds, but by the time that 160 pounds were reached the suction pipe broke loose from the steamer, which made it impossible to proceed with the test.

Under 160 pounds, which is about double the pressure commonly employed at the water works, the hose showed not the least indication of weakness. The couplings fit to a nicety and worked very easily.
Many of those present consider the test sufficient to prove the strength of the hose, but they will be subjected to another test at Saturday noon when the remaining 500 feet will be tested under a 225 pound pressure.

Were Married at Berwick.
Thomas J. Trainor and Miss Mary E. Hendricks of this city, were married yesterday afternoon, at 5 o'clock, the ceremony being performed at the bride's home by Rev. M. M. Albeck, pastor of the Holy Trinity Evangelical Lutheran church, Berwick.

Following the ceremony a wedding supper was served at the home of the bride's parents, after which Mr. and Mrs. Trainor left for Boontown, N. J. The groom is employed at the Reading Iron Works and the bride is a daughter of Horace Hendricks, formerly a resident of Valley township, this county. Both have many friends who wish them many years of happy wedded life. The wedding was attended by A. M. Hendricks, a brother of the bride, and Dr. and Mrs. S. Y. Thompson, of this city.

Base Ball for Saturday.
Milton will meet the "Old Timers" Saturday afternoon at Dewitt's Park and the game promises to be a good one. The Danville club will be a strong one and "Tenef's" tigers are coming here to win.
The base ball season is nearing its close, making it difficult for Manager McCoy to secure clubs to play. In many towns the teams have already disbanded. Milton will probably play its final game here. The "Old Timers" will hold over until October, as two games are scheduled with the Cuban Giants for the third week of this month.

Purchased Morrison Farm.
Engene Morrison, administrator of the estate of Harmon Morrison, deceased, yesterday offered at public sale the farm of the estate, in Mahoning township, along the Philadelphia & Reading railroad and adjoining the State Hospital and the farm of John R. Bennett, containing ninety-two acres. The property was purchased by Frank R. Jackson, of Berwick, the consideration being \$5900. Edward Sayre Gearhart is counsel for the administrator and the sale was by a special order of the Orphans' Court of Montour county.

NEW HOSE WILL BE RE-TESTED

The borough council Friday night held a busy session lasting an hour and a half, which was occupied mainly with matters relating to the fire department.

Chief Engineer James Freeze was present and presented a report as to the tests made on the thousand feet of hose just purchased. It was impossible to proceed with the tests on Tuesday night, the date selected, owing to repairs on foot at the water works. Fearing that the hose might be needed the Chief engineer decided to proceed with the test on Wednesday night, although he could get but 90 pounds pressure, and the Fire committee was not present on the occasion. The hose, he said, showed no signs of weakness even though the shut-off nozzle was used.

It was the sense of Council that the test was not sufficient. Mr. Kemmerer objected because the Fire committee was not present. Mr. Lloyd declared that the pressure employed was hardly a circumstance and that nothing less than 225 pounds would prove the strength of the hose. On motion of Mr. Montgomery it was ordered that the hose be re-tested, under as high a pressure as possible, the fire engine to be employed. The fire committee is to be present when the test is made.

Reports have reached the ears of Council that some of the fire companies neglect to dry their hose and that as a consequence the latter soon become worthless. On motion of Mr. Lloyd it was ordered that the Chief Engineer be instructed to visit each hose house personally within 48 hours after a fire to see whether as required by the rules the hose used have been transferred from the carriage to the tower.

On motion it was decided that the second quarterly appropriation along with the third which is nearly due be paid over to the different fire companies.
On motion of Mr. Montgomery it was ordered that the Water Commissioners be instructed to grant a week's vacation to each of the employees of the Water Works, his pay to go on.

Hollow street, Center street and Little Ash street, were reported as badly washed and urgently in need of repair. On motion each of the thoroughfares was referred to the Committee on streets and bridges for investigation, it being authorized to order such repairs as may be found necessary.

The following members were present: George Seehler, Vastine, Kemmerer, Swank, Patton, Montgomery, Gibson and Lloyd.
The following bills were approved for payment:

BOROUGH DEPARTMENT.
Tax on City Hall \$114.00
Regular employees 82.50
Labor and hauling 98.66
Edward Corman 12.36
Standard Gas Co. 2.00

Beginning of School Term.
The term of the public schools of South Danville began Monday and the attendance for the first day was very good. Miss Mary Pfahler is again teacher in the grammar grade and has twenty-four pupils enrolled. In the primary school there is a new teacher, Miss Blanche Leshor, the number of scholars in her room being thirty-eight. The attendance will be larger in a few days as a number of pupils attend from the upper end of Gearhart township.

LIST OF VOTERS IN THIS COUNTY

The assessors of the election districts throughout the county have returned their registry books to the County Commissioners, containing the lists of voters qualified to cast ballots at the fall election. The total number of voters in Montour county is 3713, and in the four wards of Danville there are 3038 voters. The Third ward, this city, has 572, which is the largest registration, and the lowest is Mayberry township, which has 53.

The assessors sat at the polls two days, Tuesday and Wednesday, for the purpose of registering the new voters and those who were omitted when the original lists were made up. After adding the new names, with reasons for their being put in at this time and the previous residence of new voters, the assessors made their returns to the County Commissioners.

The following is the registration in each district of the county: Danville, First ward, 554; Danville, Second ward, 437; Danville, Third ward, 572; Danville, Fourth ward, 473; Mahoning township, 378; Liberty township, 256; Anthone township, 241; Dorry township, 190; Valley township, 180; Limestone township, 151; West Hemlock township, 96; Cooper township, 78; Washingtonville borough, 61; Mayberry township, 53; total, 3713.

Death Ends Long Illness.
Miss Minnie Bausch, daughter of John Bausch, died early Saturday morning after an illness of a year and a half. She was beloved by all who knew her and leaves an aged father and sister, Mrs. Allgair, to mourn her loss. Of a family of six Miss Bausch was the youngest and the fifth to be claimed by death. Her brothers, John, Leonard and Charles, and sister, Mrs. Mary Sauerbrey, have all passed to the great beyond. The sorrowing father and sister are the only survivors of the family. Truly, the hand of affliction has lain heavily on this household.

During the weary months of her illness Miss Bausch was a patient sufferer and was lovingly cared for by the sister, who saw daily that each day was drawing nearer and that soon another would be taken from the broken family circle. It was at 2:15 o'clock Saturday morning when the final summons came and the beloved one sank into the sweet sleep eternal.

The funeral of Miss Minnie Bausch was held from her late home, No. 109 Water street, Tuesday afternoon and the attendance was very large. There were many beautiful floral tributes, among them being large pieces from the choir of St. John's German Lutheran church and from the members of the church. For fifteen years Miss Bausch was the organist of this church. The services were conducted by Rev. Wesley Wanner, and the pall bearers were George M. West, William Black, Edward Williams, Edward Elshogen, William Langer and S. A. McCoy. The place of interment was in the Odd Fellows' cemetery.

Base Ball by The Elks.
We have had base ball games, and the finish in the American League is arousing a frenzy of enthusiasm over the chances of the Philadelphia Athletics to win the pennant. But there is a game coming that will eclipse all diamond events. It will be the Kolibri of the season, the dazzling ray supreme. And the nines that will make the event so auspicious are from the Shamokin and Danville lodges of Elks. The game is to be played at DaWitt's Park on the afternoon of Friday, Sept. 19.

The Shamokin Elks have been playing throughout the coal region all summer and have won many games. They have defeated the Pottsville Elks and have a return game scheduled which they also expect to win. On Friday evening after the game here, the Shamokin members will be royally entertained by the Danville lodge and on Saturday, September 20, they will be the guests of the Bloomsburg lodge.

An Operation Performed.
Dr. Walter E. Drumbeller returned home last evening from Philadelphia. He went to that city Tuesday with James Mallen, Jr., who was suffering with appendicitis. An operation was performed on Mr. Mallen yesterday, at St. Joseph's hospital, by three surgeons, and it was found that his case was very serious. The operation was successful and the patient will recover, but he is still very weak.

Wedding Invitations Issued.
Invitations have been issued for the marriage of Miss Katherine Elizabeth Shannon, daughter of Joseph E. Shannon, of South Danville, and Walter Ernest Boyer of Philadelphia, son of Reuben Boyer, of this city. The ceremony will take place on Wednesday, September 17, at noon, in St. Peter's M. E. church, South Danville, and will be performed by the pastor, Rev. Robert J. Allen.

DEATH CLAIMS AN HONORED TOWNSMAN

George W. Peifer, whose critical illness was noted in these columns, departed this life shortly after the hour of noon Friday. The sad news on every side elicited expressions of deep regret, for George W. Peifer was a man beloved. Kindness and charity were the ruling traits of his character. Indefatigably, in all the varied relations of life, his honor was above suspicion. His right hand was always extended and few men were more compassionate. His regard for the truth, his consideration for others, his genial manner and sunny nature all combined to make him a man among men, one who will be sorely missed, not only in his family circle where he was dearly beloved, but also by the entire community in which he was so long a resident.

George W. Peifer was born on August 31, 1836. He grew to manhood in Cooper township, this county, removing to Danville in 1872. He served two terms as County Treasurer and during his entire career was known as an active and public spirited citizen.

In 1858 he was married to Miss Mary Cromley of Cooper township, who survives, along with five sons and three daughters, as follows: John C. Peifer, Commissioners' clerk, this city, Emma C. (Mrs. Shoemaker) of Middleboro, Ky.; George W. Jr., and Lloyd F., of Wilkesbarre; Flora Alice (Mrs. W. R. Paulus); Ella, Charles E., and Clarence E. of this city.

The funeral of the late George W. Peifer, which took place in this city Monday afternoon, was very largely attended, attesting the popularity and the esteem in which the deceased was held.
The services were conducted by Rev. Dr. M. L. Shindel, pastor of Pine street Lutheran church. A quartette was rendered by Miss Mary Unger, Mrs. J. H. Johnson, J. W. Swartz and S. A. McCoy, J. T. Oberdorf officiating at the organ. The floral tributes were very numerous and beautiful.

The pall bearers were the five sons of the deceased—John C., George W., Lloyd, Charles and Clarence—and Dr. W. R. Panles son-in-law. Interment was made in Odd Fellows' cemetery. Among those who attended the funeral from out of town were: Mr. and Mrs. John Peifer, Mrs. Kate Lenhart, Mrs. Laura Walter, Mrs. Julia Ann Leibig, Miss Rebecca Leibig, Mr. and Mrs. William Kashner, Mr. and Mrs. Daniel Kashner, Mr. and Mrs. Frank Kashner, Joseph and Arthur Kashner of Bloomsburg; John Oberdorf, Miss Rebecca Oberdorf, Mr. and Mrs. Cleaver, Robert Cromley, Mrs. Washington Arwine of Catawissa; John Phillips of McEwensville; David Paulus and son Luther of Marietta; Hon. C. H. Dieckman and J. A. Scott, of Milton; S. J. Whitman of the firm of Whitman & Patterson, Wilkesbarre; Philip Moser and John Eckert, of New Columbia; Alexander Billmeyer, Fanny Heddens and Squire Kerswell of Washingtonville; John Benfield, Mr. and Mrs. Clark Benfield and Associate Judge Frank Blee of West Hemlock township.

Foot Ball Next Month.
With October will come the foot ball season, which lasts until Thanksgiving. While the time devoted to this sport is not so lengthy as that devoted to base ball, yet there is plenty of enthusiasm at all the contests to make the games full of interest. Danville will have a good team, composed of the boys of the High School. Candidates are now practicing and the make-up of the eleven will be decided upon in a few days.

Games are already being scheduled as far ahead as November. The Shamokin High School team is the first to get up a schedule, in which Danville has two games. On November 1, Danville will play at Shamokin and on the following Saturday, November 8, Shamokin will be here. Other games will be scheduled within the next few weeks.

Hand Caught by Belt.
On Friday night Richard Wampnam, a millwright at the Structural Tubing Works, had his left hand caught by a belt, crushing the first and second fingers. He was putting the belt on a pulley when his hand became fast and was carried round the pulley before he could release it. He was given surgical attention by Dr. Wintersten.

Death of Mrs. Clara Lyon.
James Scarlett, Esq., and wife left on the 12:15 Pennsylvania train for Philadelphia yesterday to attend the funeral of Mrs. Clara Lyon, which will take place in that city today. The deceased is the widow of Nathan Lyon and with her husband was a former resident of this city. Provisions to 1875 Mr. Lyon conducted a meat market on Mill street near the "company store."

Money for Striking Miners.
Representatives of the mine workers' union will be in this city on Saturday, September 13, to collect funds for the aid of the striking miners and their families.
Curd of Thanks.
Mr. John Bausch desires to return thanks to neighbors and friends for sympathy and courtesies extended during his bereavement incident to the death of his daughter, Miss Minnie Bausch.
