Danville Bank Adds to Surplus. At the regular semi-annual meeting of the Board of Directors of the Danville National Bank, held Monday morning, the usual half yearly dividend of three per cent was declared. The directors also decided to add to the surplus fund the sum of \$20,000, making the total amount of this fund \$110,000. Within five years the surplus fund has been increased from \$90,600 to \$110,000, and in the same period the deposits have increased from \$150,000 to over a half million to open the reserved seat board at the dollars. This is a record of which any financial institution might well morning, Nov. 14th., at 8 o'clock, inbe proud, but this bank has other stead of at the Opera House, as hererecords which make it one of the best tofore. By this arrangement, it is in this part of this state.

The Danville National Bank has overcome. been in existence over a half century The plan for reserving will be as and in that time it has declared 105 follows :- On entering the Y. M. Angle.

Improvements Nearly Completed.

Conncil saved the borough a considerable sum of money by deciding to rebuild the rear wall of the Continental Hose House instead of tearing down the entire structure and erecting a new one No difficulty was experienced in finding a good foundation for the rear wall, which along with nearly all the other improvements is now completed. The plasterers and painters have not finished their work. Otherwise the hose house is ready for occupancy. It is now as solid and substantial as a new building. Twenty-three feet have been cut from the 50-foot hose tower to those who attend. in the rear of the building, which was The Danville Lodge is one of the considered unsafe owing to its height.
