Y. M. C. A. Notes. The Secretary of the Navy, in his

recent report says :-"The work of the Naval Young Men's Christian Association has be come so important and beneficial to the enlisted men of the Navy and Marine Cores that it deserves public recognition. In May last, near the New York Navy Yard, a fine building completely equipped was dedicated and opened to the uses of the men. The building with its furniture and equipment was given by patriotic and public-spirited women. There is here furnished what is practically a clubhouse in which the men can, at a reasonable price, obtain excellent meals and lodging and opportunity for health ful and rational recreation. Work o this kind is entirely beyond govern mental scope and must always depend on private munificence. Good results already abundantly appear, and I take this occasion to extend the thanks o

the Navy to our benefactors." Cut this out and take it to Paules & Co's drug store and get a free sample of Chamberlain's Stomach and Liver Tablets, the best physic. They cleanse and invigorate the stomach, improve the appetite and regulate the bowel. Regular size, 25c. per box.

AMUSEMENTS.

Denman Thompson and George W. Rver's peerless and inimitable play of real life, "The Two Sisters" will be here Saturday evening, February 7th, and it is worth one's while to look over the names of the characters for there's a possibility of the recognition of someone you know. They are all real flesh and blood names such as you would be sure to meet anywhere on our own continent and not the impossible dukes and duchesses with titles brought all the way from ome unknown Oriental locality. To an intelligent theatregoer-one conversant with the neonle of the stage who have "made good" in recent productions, a glance at the names of the artists is suggested.
