REPUBLICAN CONVENTION

HARRISBURG, May 27.—Harmony complete and perfect prevailed at the Republican State Convention held here on Wednesday morning. No State Convention in recent years has been so quiet and filled with such good feeling...

The convention was called to order at 10:30 o'clock in the morning and at 12:45 o'clock the meeting adjourned. Senator Pearce was elected State Chairman without opposition and Col. W. R. Andrews will continue as Secretary of the State Committee.

The following ticket was nominated by acclamation, the secretary casting the ballot for each candidate. State Treasurer, W. L. Matthews, of Delaware county. Auditor General, Hon. W. P. Snyder, of Chester.

Judge of Supreme Court, Hon. Thomas A. Morrison, of McKean. Judge of Supreme Court, Hon. J. J. Henderson, of Crawford.

The resolution adopted endorsed President Roosevelt's administration and re-nomination and re-election was urged. Governor Pennypacker's administration was indorsed and a greater navy was advocated.

A particularly strong plank was presented and the continued prosperity of the country was commented upon. The old soldier was not forgotten and patriotic utterances were cited showing the gratitude of the party and the nation for his sacrifices.

A Handsome New Church. With songs of triumph over the dedication of their magnificent temple of worship entirely free of debt, and songs of praise over the conversion of forty-three souls, there closed last night the most memorable day in the history of the Berwick Methodist.

Twenty-nine thousand dollars raised was the truly wonderful work of the day of the dedication and appropriate indeed was the singing of the congregation who gathered at the altar when the psalm of victory was sounded, and lifted their voices in "Songs of Victory," "We're Marching to Zion," and "In the Sweet Bye and Bye." Entirely free of debt and a balance in hand the church stands out an example of faith and determination.

From a project that had its birth at the second official board meeting of the church after Dr. Gilbert assumed the pastorate there developed the plans that have made possible the erection of a \$60,000 church, which today with furnishings and lot, have a total valuation of \$80,000.—Bloomsburg Press, Monday.

Bloomsburg Normal Commencement. Swept by Fire. Fire supposed to have started from an exploding lamp in the chicken of Roy Leister late Tuesday night at Light Street, Columbia county, entirely destroyed the barns of B. A. White, William Schuck, Robert Patterson and James Shaw, together with all their contents, and for a time threatened to wipe out the town. But providentially just when the situation was the worst the wind changed and blew toward the creek, making possible the saving of the town.

C. A. Small, of Catawissa, has purchased the island situated in the Susquehanna river about 2 miles below the above place. This is the ideal spot for camping and heretofore a number of campers have availed themselves of the privileges given them and destroyed fellow campers property. This island was owned by the Ira T. Clement estate and will now be used exclusively for camping purposes. Those who abuse the privileges of the island will be invited to stay off.

Charles T. Taylor, Mayor-elect of Mankato, Minn., is the heaviest chief executive of any city in the United States. He weighs 403 pounds, but is as nimble as a kitten and one of the fastest pedestrians in the city. He is a Democrat of the strictest sort.

W. A. Shepperson has rented the coal yard of the P. & R. railway company formerly conducted by J. H. Yorgy. Mr. Yorgy will manage the yard hereafter and Samuel Haas, the present driver, will continue in the employ.

COURT PROCEEDINGS

(Continued from First Page.)

The charge was larceny, sentence was suspended. The defendant, who was charged with taking coal from the P. & R. railway company, admitted his guilt. He was arrested on March 12th and from that time until yesterday he had been confined in jail. William Kase West made a plea in his behalf, urging that by his long imprisonment he had already paid the penalty and asking that sentence be suspended.

Neither the District Attorney nor the special officers, who were back of the prosecution, offered any objection to clemency. Judge Little informed Kase that he could send him to the penitentiary, but that in view of all the facts he was disposed to be lenient. After giving the defendant some good advice he announced that sentence would be suspended.

The case of Henry Divil vs. J. R. Kimerer, went on trial yesterday morning and occupied the time before court until 2:30 in the afternoon. The jury had not returned a verdict upon adjournment of court last evening.

In the case of Commonwealth vs. Theodore Baker the grand jury ignored the bill and placed the costs upon the prosecutor, Erwin Hunter. The charge was malicious mischief to the property of a livery stable keeper.

In the case of Commonwealth vs. Charles Gouger, the defendant pleaded guilty. Mr. Gouger who lives in Limestoneville, asked the privilege of making a statement to the court as he did not think he was wholly to blame. This privilege was accorded to both defendant and prosecutor and as a result all the details of a quarrel between neighbors were laid bare, a broomstick and hake-board which figured in the encounter being presented in evidence.

The court sentenced Mr. Gouger to pay the costs of prosecution, a fine of ten dollars and to stand committed until the sentence is complied with.

The next case called was that of Commonwealth vs. Peter Snyder. The charge was assault and battery. The defendant was arrested on Monday of last week, charged with cruelty toward and neglect of his two children. Since his arrest he has been in jail.

The principal witness was William, the 12-year-old son of the defendant, who testified as to hard treatment. A curtain roller in two pieces was offered in evidence, which the little fellow said his father had broken over his head.

A pathetic scene was witnessed when the defendant took the stand. He is a German, with only an imperfect knowledge of the English language and labored under a disadvantage in giving his testimony. He broke down and wept as he told how he was trying to keep his motherless children together and pointed to their well dressed condition to show that he cared for them. The boy William he said was incorrigible.

The case will be given to the jury this morning. When you want a pleasant physic try Chamberlain's Stomach and Liver Tablets. They are easy to take and pleasant in effect. For sale by Pauls & Co. Drugist 242 Mill street.

Lowery Bros. Circus Coming. Phillip Harris, the popular representative of Lowery Bros. is in town today arranging for the presentation of the above aggregation, on Tuesday, June 2nd. Mr. Lowery and his show were here two years ago and gave a creditable performance to extra large crowds who were delighted with the entertainment. According to notices in papers from different parts of the State where the show exhibited the performances are far superior to those of last season. There will be a balloon ascension before each performance by Prof. J. A. Kelly. This will be worth going miles to see. The admission is 10 and 20 cents and no one should miss seeing the marvelous feats.

Base Ball at Danville. The members and friends of the R. R. Y. M. C. A. speak of their trip to Danville in highest praise of the courtesy, fairness and all around excellent treatment at the hands of the management of that team. The grounds are well kept. A grandstand is provided for the accommodation of base ball lovers and a railing at the sides keeps the field clear of spectators. The base ball promoters are business gentlemen who allow no details to escape their attention. Everything possible is done for the comfort of patrons and players and the large crowds testify to the verity of this statement.—Sunbury Daily.

Thousands Have Kidney Trouble and Don't Know It. How To Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What To Do. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and staiding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery absolutely free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Don't make no mistake, but remember the name, Swamp-Root. Dr. Kilmer's Swamp-Root, and the address Binghamton, N. Y., on every bottle.

CONCERNING MEMORIAL DAY

(Continued from First Page.)

The Memorial Committee is very anxious that the ceremonies on Memorial Day should be a success. A cordial invitation to join the parade is extended not only to all old soldiers, and the National Guard, but to the fire department and other organizations of the town as well as to the children of the public schools.

All who desire to accompany the veterans on their march to the cemetery are requested to meet at G. A. R. Hall at 1:30 p. m. on Saturday next. The Mechanics band will escort the National Guard from the Armory to G. A. R. Hall, the place of forming.

The pupils of the public schools are requested to meet and form in line at the High School at 1:15 p. m. Each of the pupils is requested to carry a bouquet of flowers. As before requested the girls will be attired in white, wearing ribbons of red, white and blue, while each boy will carry a small flag.

A committee of veterans will be waiting to receive all who may desire to join the line of march. It is very much hoped that our friends will come forward liberally with flowers, as they will be needed in unlimited quantities. These must be delivered at G. A. R. Hall no later than 7:15 o'clock Saturday morning.

Citizens are requested to decorate their residences with the stars and stripes. COMMITTEE.

Kindly take notice that Ely's Liquid Cream Balm is of a great benefit to sufferers from nasal catarrh who can not inhale freely through the nose, but must treat themselves by spraying. Liquid Cream Balm differs in form, but not medicinally from the Cream Balm that has stood for years at the head of remedies for catarrh. It may be used in any nasal atomizer. The price, including spraying tube, is 75 cts. Sold by druggists and mailed by Ely Brothers, 56 Warren Street, New York.

St. Elmo Base Ball Club. The members of the St. Elmo base ball club held a meeting at the Continental Hotel last evening to organize for the summer. This club put up good ball last year and will make a much better showing this season. Enough money has been subscribed to keep the club going and a number of games have already been arranged. The club will endeavor to arrange a series with the "Old Timers" and if they should succeed, the Danville "fans" will see some good sport. A play ground has been secured from the Reading Iron Company near Mansfield and will be put in good condition. Among other clubs scheduled to play the St. Elmo team are the Springfield and Shamokin clubs.

The following players are on the team: Catcher, John Buck and Harry Storer; pitchers, John McCloud, Harry Owens, Michael Reilly, and Thomas Marron; first base, John Martin and George Yerrick; second base, Ralph Fouk; short stop, Thomas Reilly; third base, Frank Reilly; right field, George Beda; left field, John Ward and Will Treas; center field, Will Moyer. At last night's meeting James Ryan was elected manager; Michael Reilly, treasurer and captain. The trustees are John McCloud, Frank Reilly and Thomas Marron.

John Robinson's Great Exposition. Probably the most colossal as well as the most merry amusement venture of the day is that inaugurated this season by the management of the John Robinson show—a venture requiring an expenditure so enormous that a statement of the amount would scarcely be credited by the general reader. We allude to the production on a scale of magnitude and opulent splendor never presented to the new Biblical spectacle of Solomon, His Temple and the Queen of Sheba, a spectacle prolific in grand scenic effect, impressive in pomp and pageantry, realistic in its reproductions of the patriarchal era, and entrancing in the ballets, poses, marching and groupings. The visit of the Queen of Sheba to King Solomon's court with her immense and richly costumed retinue, the Judgment of Solomon, the sacrifices in the Temple, Solomon's seven hundred Wives, the grand Processional Pageant to meet and welcome Sheba's lovely queen, the Walls and City of Jerusalem, the Inner Court of Solomon's Temple, the Grand Throne of Ivory, the Sacrosanct Ceremonies, the Sacred Ark of the Covenant, the bewitching ballets of lovely Cresset Girls, and myriad details that cannot be given in detail, are the attractions of this wondrous spectacle presents. With such a desirable feature added to the admirable Circus and vast Menagerie, and the Royal Roman Hippodrome, the many "cavalcades, spectacles as they are called, and will be packed from center to circumference by eager and gratified spectators each afternoon and evening. The show will exhibit in Danville Wednesday, June 10.

Steering Gear Broke Down. George B. Markle while passing through this city in his automobile Saturday evening on his way home from Milton, met with an accident which held him up for about four hours. He had gotten as far as the culvert on Bloom street, when the steering gear gave out and the machine came within an ace of being ditched.

Will G. Brown was called to the shop which made some temporary repairs, after which the auto was brought back to the repair shop on Penn street. The breakdown occurred about 7 o'clock at 11 o'clock the steering gear was put in order and Mr. Markle was able to proceed on his way.

Normal Examiners. The Board of Examiners of the Bloomsburg State Normal School this year is composed of the following: Henry Houck, Deputy Superintendent of Public Instruction; E. O. Lutz, Prin. Millersville S. N. S.; E. P. Patterson, Superintendent Pottsville; T. S. Davis, Superintendent Blair Co.; Ira N. McCloskey, Supt. Clinton Co.; I. C. M. Ellinger, Supt. Tyrone; E. K. Barclay, Supt. Huntingdon; Geo. W. Walborn, Supt. Snyder Co.

CHRISTIAN PATRIOTISM

(Continued from First Page.)

being re-enacted and you can not escape its inscription. On Decoration Day you will be told that there are no distinctions among our soldier dead. Without distinction of religion, race or nation they gave their lives for their country. Without distinction of nationality, race or religion we garland their graves.

But as a Christian minister it is my duty to tell you that in this great army into which you soon must be drafted there are distinctions and the distinctions are eternal—eternal and predetermined. In the war some of the results were predetermined. The man with weak lungs could not stand the weary marches and the damp clothes and speedily succumbed to pneumonia or consumption. Only the result of shot and shell and spear and bayonet were not predetermined. In the great army of the dead there will be neither shell nor bayonet. All is absolutely predetermined. If you enter that army with any soul disease whatever, you will fall and the fall will be your eternal ruin.

The final battles of a war are the deciding battles. In the final battles of life you will be assailed by temptations, before which lofty characters have fallen—will you gain the victory? The answer is Rev. Cleaver's excellent discourse in part. It is regretted that want of space makes it impossible to present the Memorial sermon in full.

Bard Bros' Show. The average tent show, as a rule, devotes more expense to providing a gaudy and attractive street parade to attract the public than in the real show, for which they pay their money to see. The famous Bard Bros., who exhibit here on June 1st and 2nd—afternoon and evening will prove an exception to this rule. White, of course, a street parade will be given, and an attractive one at that—it will be the best show that will appeal to the public and please them. It will positively prove one of the highest class and most satisfactory tent shows for the money ever given in Danville and remaining here two days, as the Bards will, the truth of this assertion can be amply tested. The fame of the Bards is so wide spread, their act so marvelous that the connection of the Brothers with this enterprise is a guarantee of the excellence of the entire exhibition. The Bards will not, by any means, monopolize attention in the arena exhibition. The famous Duffy, Redway and Duffy trio of bar performers, the Carlyle Dog and Pony Show, the Hassan All troupe of Acrobats, the wonderful Carter sisters acrobats are but a few of those who will take part in the exhibition. The Bard Bros. are the sole owners of this amusement enterprise, and the fact speaks volumes in behalf of a clean, wholesome and wital marvelous show the cheapest, the best and most attractive ever seen here outside of the "big ones" and all for the diminutive prices of 10 and 20 cents. The 10 cent price is, of course, for the children, the higher price for adults. The tricking ponies, ridden by boys selected from the audience, and the funny clowns will provide plenty of laughter. The entire show will be bright and new from start to finish, a boon to the public who have been many times deceived by cheap, worthless exhibitions, advertised in big type for what they are not. Remember the Bards date here, and be prepared for the best indoor show at cheap prices ever offered in Danville.

Will exhibit at Brick Yard Lot, Sageburg.

Mank; post No. 2; officer of the guard, William E. Baker, of post No. 13.

DEAFNESS NOT BE HEARD by recent applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by our method. Deafness is caused by an inflammation of the mucous membrane of the Eustachian tube. When this tube is inflamed you have a ringing sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh of the Eustachian tube. Prepared by Dr. J. C. DeWitt & Co., Chicago, Ill.

CAREER OF C. DRYDEN BASE-BALL HUMORIST

North American's Star Sporting Writer Has Been Describing the Game Since 1889.

STARTED IN THE WEST Has Been by Turns Sailor, Angler, Iron Moulder and War Correspondent

Among the special writers who give The North American sporting department its distinction none is better known than Charles Dryden.

Mr. Dryden has been called the George Ade of base-ball. His humor is as fresh and spontaneous as that of the famous author of Fables in Slang. His inimitable report of Base-ball games are entirely characteristic. Nobody writes like him, nobody gets the same infection, twists and turns of merriment, and none of his imitators has succeeded in reproducing the entirely unforced effects. For the last thirteen years Dryden has classed by himself in this particular branch of newspaper writing.

In 1889 he made his first essay as a base-ball wit. This was in Chicago. He wrote up a game in imitation of the stilted archaic phrase of Bible language.

Scored Instant Hit. It scored an instant hit and in a short time all the prominent papers of the West were bidding for his services. For seven years he stayed West, changing between San Francisco and Tacoma. In 1896 when W. R. Hearst bought the New York Journal, he secured the services of Dryden. When he had been less than a year in the metropolis he had his memorial quarrel with Andrew Freedman. He was shut out of the New York grounds, but he kept up a long-distance fire of raillery on the eccentric owner of the Giants and kept not only New York but the entire country convulsed by his clever quips.

In 1900 The North American took a notion that it wanted Dryden to roam the strong-stuff. Hearst was averse to parting with his crach sporting writer, and made him exceptional offers to stay.

Had Wide Experience. Mr. Dryden is a newspaper writer of wide experience. He has had a varied career, having from time to time been a sailor, an iron moulder, fisherman and war correspondent. He represented a San Francisco paper in Samoa when the rival kings were fighting for a throne.

The other branches of sports are looked after by an able corps of specialist. A particular effort is made to get the fullest reports of amateur base-ball games.

On opening days and important events staff writers and photographers are sent from the office and the counts are covered with the same care that is given to reports of major league games.

Indigestion Causes Catarrh of the Stomach. For many years it has been supposed that Catarrh of the Stomach caused indigestion and dyspepsia, but the truth is exactly the opposite. Indigestion causes catarrh. Repeated attacks of indigestion inflame the mucous membranes lining the stomach and expose the nerves of the stomach, thus causing the juices of natural digestion. This is called Catarrh of the Stomach.

Kodol Dyspepsia Cure relieves all inflammation of the mucous membranes lining the stomach, protects the nerves, and cures bad breath, sour risings, a sense of fullness after eating, indigestion, dyspepsia and all stomach troubles.

Kodol Digests What You Eat Make the Stomach Sweet. Bottles only. Regular size, \$1.00, holding 2 1/2 times the trial size, which sells for 50 cents. Prepared by E. O. DEWITT & CO., Chicago, Ill.
