Nervous Dyspepsia Its Cause and Cure.

Overwork any organ and it gives out—the stomach is no exception. Ask it to digest anything, everything, at a time to rest—and soon you break up this habit, you upset the whole arrangement. LETTER FROM ED. Y. SEIDEL

J. B. Cleaver has received a very interesting letter from our former townsman, Ed. Y. Seidel, who has settled in California. The letter, which bears the date of May 20th, was written at Los Angeles, the Metropolis of Southern California, where as will be seen by the letter Edward has secured employment. The letter in part reads as follows:

My Dear Friend: I have been moving around since coming to California and I have at last got settled. Last Sunday night I got back from Orange County, forty miles South of here. It is a lovely country and Santa Ana, the county seat, is a nice place. While there I visited Mrs. Benton Tyeman (nee Laura Sleep), daughter of Matthew Shepley of Derry township, and also Will and Willis Blue, brothers of Mrs. Wellington Rose of Danville. They are all getting along very nicely and have no desire to go back East.
