The helmet advanced into the saloon with Mulligan under it. "Say, Mulligan, you know Mr. Dunn. No? Well, make yourself acquainted with him. Mr. Dunn, Mr. Mulligan. Mr. Mulligan, Mr. Dunn. Mulligan," he continued, "Billy wants 'll you have? He wants to get a job. could you oblige me as a fren',

'An' I'll take great pleasure," said Mulligan, smacking his lips, "in intro-ducin' to any wardman any friend o' present the leaves should be plucked

dressed man, "this is Billy Dunn, pretfor awhile. If you can do anything for the tobacco has been left in an exhim, cap, why, I'm standing back of posed place. him, you know."

'Mr. Dunn," remarked the captain just after election, and everybody wants everything in sight. There ain't a thing I've got that there ain't a dozen fellows trying to hold it down. I'll tell you what I'll do, though, I'll give you a signed knockdown to the chief, and if he can do anything, why, there you are. That's the best I can

He wrote a short letter of introduction, and, being pleased with the appearance of the applicant, he made it a bit stronger than usual.

"Blame it all!" exclaimed the chief of police as Dunn stood before him at headquarters the next day. "Kelly knows blame well there's no use sending you fellows up to me. Every blame position in my power to give is full, and Kelly knows it." He glanced up from the letter. The appearance of his visitor somewhat mollified him. "Mr. Dunn," he continued, "I'm sorry, blame sorry, to disappoint a personal friend of the captain's, but you know there's a limit to offices and to patience too. But here, since you're a personal friend of Kelly's, there's one thing I can do. I've got some influence with the mayor, and I understand he's got some small jobs left. I'll write a note, and

"Yes," returned Sturgis apologetical-"I thought you wouldn't want it, ulthough there are lots of men that do. Still, Mr. Dunn, what with postage and sealing wax and-and things, why, you ought to get at least \$5,000 out of it. one way and another, during the year. What do you think? It's the best we G Copyright, 1902, by T. C. McClure can do.

.

Mr. Dunn rose from his chair and walked over to the window. "Well," he replied finally, in a doubtful tone

of voice, "I'll take it, after all." The governor looked pleased. He leaned over and whispered to Sturgis: the rhythmic beats of a rollicking two-"This makes me solid now with those step. IMPROVED ON NATURE.

#### A Point That Won a Lawsuit For William McKinley.

A year or two after William McKin ley had begun the practice of the lay at Canton, O., he distinguished himself in a humorous fashion in one of his first successful cases. As often hap pens in court, the humor was not mere ly for the sake of the joke, but for serious purpose. Mr. Edward T. Roe in "The Life Work of William McKinley tells the story. The case was a suit against a suit

geon, whom the plaintiff charged with having set his leg so badly that it was bowed. McKinley defended the su geon and found himself pitted agains John McSweeney, one of the most bril liant lawyers of the Ohio bar.

"I. YOU SEE, AM STILL VERY SMALL." in and see how things are going! I thought you were joking when you

Irving laughed. "Have you so little As soon as the plaintiff was turned over to him he asked that the other leg faith in my word, cousin?" he said hould also be bared. The plaintiff an vious of children and am only too hon ored to be allowed to share some of peared that his second leg was sti would be a good chance to get better ore crooked than that which the su geon had set.

"My client seems to have done bette by this man than nature itself did. said McKinley, "and I move that the suft be dismissed, with a recommenda for a waltz, if grownups are not debartion to the plaintiff that he have th other leg broken and then set by th surgeon who set the first one."

small jobs left. I'll write a note, and you take it to the mayor, with this mote of Kelly's, and I'll call him up on the phone and tell him you're coming. the fields so as to head them off as the phone and tell him you're coming. I'm always ready to oblige a friend of Farm. They approach.—Denver Field and figure swaying lightly over the keys, a delicate profile, with red lips parted

the captain's if I can." Dunn took the note and started for the mayor. He ran the gantlet and stood in line to wait his turn.

"Mr. Mayor," he said as the mayor read the note and looked up with the air of a man who knows what's coming and doesn't want to hear it-"Mr. Mayor, I don't want a job."

and nerves in the wing of a gossamer moth! Yet by the powerful lens of a "You-don't want a job? me chief the mayor. "Not a job? The chief sent you here, and you don't want a 1ob?

rors, and the body of every spider is "Mr.-er-Dunn," resumed the mayfurnished with four little lumps pierced or impressively, "I have seen over use men today. I have kept count," he continued, pointing to a piece of paper, "and you are the first of all the men "and you are the first of all the men "and of these from each lump are join-ed together they form the single line ed together they solder spins its web and who don't want a job. And you a friend of the chief's! Well, tell me, which we call a spider's thread. Spiwhat, in heaven's name, what do you ders have been seen as small as a grain want? I am ready, willing and able to of sand, and these spin a thread so fine do anything for the man who doesn't that it takes 4,000 of them put together to equal in size a single human hair.

"I want," said Dunn, "a letter of introduction to the governor, whom, singularly enough," he added apologetically, "singularly enough, I have never met.'

"Here, Mr. Dunn," replied the mayor, "you keep those letters. I don't want them. And for the rest, I'll accommodate you with the greatest of pleasure any friend of the chief's. Go over to that young lady in the corner and dictate such a letter as you want and I'll Well, well; a friend of the chief's and doesn't want a job! Now, what can I do for you," continued the anayor to the next man in the line, resuming his accustomed air of weariness. And the next man wanted a job. Two days later Mr. William Dunn

sat closeted with the governor. "Here are three letters," explained Mr. Dunn-"one from Captain Kelly, one from the chief and one from the enayor. I won't trouble you with the two first." He laid the mayor's letter down in front of the governor and flashed the signatures upon the other two letters before him. The governor merely glanced at them and then perused the letter of the mayor. It was a strong letter of recommendation. Mr. Dunn had taken care of that. "Don't believe I've got a thing for

you, Mr. Dunn," said the governor, "but I'll see." He pushed a button. "Sturgis," he said to a man who appeared, "this is Mr. Dunn, a per-

sonal friend of Captain Kelly and the chief up the state and of Mayor Clay-They want to place him, and I want to know what we've got on hand."

"Well," returned Sturgis doubtfully, "I don't know. There's only one place left, and I don't know whether that doubt it. Still"-"What is it?" inquired the governor.

"It's the head of that new record department, that's all." "Well, that's a fact, Mr. Dunn," in-

terposed the governor, "I don't know whether it would suit you, but it's all ment and prosperity for that country. we've got, and if you want it"-Dunn leaned forward in his chair.

"What does it pay, Mr. Sturgis?" he in-"Well, that's just it," returned Stur-

gis. "It only pays \$3,000 regular sala- worth looking into by men desiring ry, but"

Cooks and housekeepers have a no a delicate profile, with red lips parted in a smile, and gold bronze hair brushbler mission than they as a class seen to be aware of. FRUITS AND FLOWERS. In planting the orchard care should be taken to allow each tree plenty of

A layer of charcoal in the bottom of a flower bed is very beneficial in keeping the soil fresh.

In plowing in the orchard always turn the furrow toward the tree, and be careful not to injure the fine, fibrous shoulder. roots. The life of an apple tree is often urement," he retorted gayly. "When I shortened because it grows in a poor, heard you play, I was numbering you among those elect-even as St. Cecilia herself." exhausted soil or one not properly

drained. She shook her head soberly. "I am When ill or ailing, handle the flowers little or wear gloves. Delicate plants not-I never will be-a real musician." "Then what are you? What do you are sensitive to human magnetism, do?" he persisted. good or bad.

The roots of the strawberry often reach out five feet from the main stem; hence the plants should not be The girl flushed guiltily. "I-I play accompaniments," she faltered.

An apple or cherry tree is much time?" She smiled in enigmatical

more valuable if it shoots out low. Trim from the top, as this will cause fashion. "Perhaps," she murmured. "But the lower branches to grow out. see-they are looking up here. It is time to play again. You must go down. Yes," as she met the look of refusal on his face, "you must indeed." Land that has been too rough for loving may yet be sufficiently fortile to grow fruit trees and is better than

land that has been exhausted by crop-"But I will see you again," he protested. "I must see you." A GOOD STOCK COUNTRY. Again she smiled. "Perhaps."

. . . . . . .

Stretching across the northern por tions of the states of Wisconsin, Mich Irving Ogden stood rather moodily igan and Minnesota is a vast tract of in a corner of his aunt's drawing room country, originally pine timber land, What a bore dinner parties were any now denuded of its fine forests and way, he said to himself. That was much of it burned over so that all na-

tive vegetation has been literally burn-ed out-a wild, desolate and uninviting region-but a good soil is there over whom you did not care a hang, while region-but a good soil is there over will suit any friend of the mayor. I much of the territory and a certain the one you wanted to meet kept out of annual rainfall of from twenty-five to the way.

From which it may be seen that Mr. thirty inches, conditions under which Ogden was in no pleasant frame of all our native grasses will find a conmind. The events of the afternoon genial home, and if these grasses will still rankled. He had hastened up to grow stock can be profitably kept, and the balcony after the last dance only if stock can be kept it means a settleto find St. Cecilia vanished as if by magle, and Mrs. Van Tassel could not Much of it is also a splendid fruit or would not tell him anything about country, where the apple will find its most congenial home. Markets are close by, transportation by rail and

As the remembrance of a tantalizing smile came back to him he cursed him-self for his stupidity. He might at lake easy of access. These lands are least have asked her her name, while cheap farms.

Cream Balm is placed into the nostrils, sprea over the membrane and is absorbed. Relief is in mediate and a cure follows. It is not drying-do
