ISS WINSTED was seated on the low railing of the veranda, leaning against one of the pillars. Mr. Hall occupied a raw chair of a very comfortable design. The time was early even-

'May I smoke, Marie?" asked the young man. "When I am nervous I really find tobacco almost necessary." "When you are nervous!" echoed the girl, with a laugh. "I don't believe that you have a nerve in your body, Char-

"Oh, yes, I have," said Hall, in his characteristic slow, steady tone. "I'm full of them. You don't know me." "I've known you ever since I was born," she replied. "You are one of my earliest recollections. I distinctly remember being afraid of you in my cra-

"At that early age," said he, "a girl cannot be expected to distinguish be-tween her friends and her enemiesbetween those who would protect and those who would harm her. But you are eighteen years old now and should know a great deal more than you did

"It may be so," said she. "Yet somehow I'm afraid of you this evening. I feel as if you were going to say some-

"A woman's intuition is certainly remarkable," said Hall. "I am going to You relieved Brower, and until 9 say something disagreeable—very disagreeable indeed. And that's what makes me so nervous." It was evident that Hall meant what he said, and yet the side of the house exhibited as much "And it won't happen again. Nobody perturbation as he did. He lighted his ought to be alone down there. But cigar slowly, extinguished the match with great care and leaned back in the chair with the air of one who is at the skin. Brower sent them both peace with himself and all the world. home."

Miss Winsted got up from the railing and then sat down again. She leaned tion to the theater, isn't it?" inquired far out, looking up the street as if she | Hall. hoped to see some one, and at last she followed this question. Brooke glanced uneasily from Hall to the girl, and "Well, Charley, what is it?"

"I want to say something about Mr. then he seemed to study her for al-Brooke," responded Hall.

"If it's really very disagreeable," said no idea what Hall meant she could Marie, "don't you think you'd better think of nothing to say. She was con-"I will repeat it when he is present," scious of a vague terror, plied the yourse say it when he is present?"

replied the young man calmly, "but I changed tone. "It's nearly the whole will tell you first if you'll permit me." "Charley Hall," said the girl, "I nev-

er know what to do with you. If you were any other man, I shouldn't hesitate a moment. I should simply tell Brooke uttered a confused, unintelyou to mind your own business. But ligible exclamation. It sounded like there's a dire, deadly insistence in you. a jumble of several "swear words" of You possess the attributes of fate. I althe politer sort. ways feel as if it were useless to try to

"It is in this instance," he replied, call you up on the telephone. I took 'quite useless. As for my business, you down the receiver and gave the numare my business. I would drop any ber to central. Almost instantly I was other in a moment to take up the small- surprised to hear your voice. I called est task that might be of service to 'Hello,' but you did not hear me. You you. That's true, isn't it?" "I wish it weren't," she replied. "You was 'in' on the wire. You said, 'It is

"I'm sorry," said he earnestly, and my love-all my love.' Do I quote corwith the faintest intonation of bitter- | rectly?" ness. "It is undoubtedly very unfortunate that I should happen to be in love at Marie. The girl seemed dazed. with you, but I am and always have been, and"-"You must not talk like that!" she ex-

claimed. "I am engaged"-

"To a man whom you know nothing | head. Then he dropped the hat into about," he interrupted. "Six months | the chair in front of him. ago Stanton Brooke came here to be division superintendent of the railroad.

There is not a soul in this city who had ever heard of him before. He came that you were that sort of a man, Mr. ever heard of him before. He came Brooke, and I have hoped that Miss from somewhere in New England."

Brooke, and I have hoped that Miss Winsted would find it out in time. "From Boston," said the girl bastily. Well, let me continue. I heard a girl's

'My mother and I know all about him. | voice say, 'Isn't that sweet?' and a few Of course he has told us everything. words more to the same effect, and Really, there's very little to know. He then I was shut off, so that I heard no has been an orphan from his childhood. more. It became necessary, however, Me got an education somehow. Worked to know a little more, but I couldn't his way through college and has been | do much last evening. I learned that at work ever since. I don't think you you nad been taking with somebody ought to say anything which would at the theater, and that was all. send to make me unhappy. I shan't be-lieve it, whatever it is, but it may tor-ued. "I took an hour off this afternoon ment me. "The first time my eyes lighted on few questions, but good fortune spared

Stanton Brooke," said Hall deliberate- me most of my trouble. Some young iy, "I knew that he was a man who be-lieved that it was a natural law that which is playing there this week were every girl he met should fall in love standing by the door, and as I came up "You can't make me jealous," said ly familiar. To cut my story short, it

Marie. "I know Stanton Brooke better | was the voice I had heard by telephone than you do." "Do you know where he was last was Miss Alice Austin at least, that's evening?" demanded Hall.

"Certainly," she replied. "He was de-

so plain."

ploringly, and suddenly she clasped it in both of hers and let Brooke draw her toward him. He put an arm across her shoulders and looked triumphantly at his accuser. Hall was slowly rising from his chair.

He had begun to do so when he heard the words "against the law." His face was pale and rigid. "The part of my message which I

can't tell you, Marie," said Brooke, "18 a name-merely a name. This eavesdropper overheard all the rest." "A name?" echoed the girl. "Yes, a man's name," was the reply. Hall by this time was standing in

front of Brooke, upon whose shoulder he laid his right hand roughly, staring into his face. Brooke met the glance squarely, and it was the other who flinched first. Hall's hand dropped. He turned away without a word and walked somewhat unsteadily down the steps and out of the yard.

"He knows the truth now," said Brooke. "For a man who was so foolish in the beginning and so blind he showed a remarkably quick perception o'clock you were absolutely alone "I don't know the truth," said Marie,

"My dear little girl," said he, bending rain, and the boys were drenched to

down, "this actress, who, I have no doubt, is a most estimable young woman, made her first appearance with the company last evening, and probably she was very nervous about it and cheer her up. Mr. Hall correctly repeated it to you. He did not hear the signature, and I couldn't give you that, because, as I have said, it is against the law to reveal such a matter. I replaced the telegraph operator at the station. I was alone when the message came. I wanted Miss Austin to have it in time, because it was a very nice "Yes," said Brooke at last in a message and a good cure for stage fright, as I should suppose. So I telephoned to the theater and disclosed the facts, and when Miss Austin came to the other end of the wire I repeated the words of the man in the east. Let us love you, Marie, and that he will never lose her confidence nor deserve to lose it. Also," he added, smiling, "I humbly pray the same blessing for myself, and station," said Hall, "I had occasion to I will try to deserve it."
