Y. M. C. A. Notes. John R. Mott, M. A., the Senior College Secretary of the Student Young Men's Christian Association, sailed on the Luciania Saturday for England, where he will visit the Un iversities of Great Britain and attend the great international conference of the Student Volunteer Movement of Great Britain, in which 8,000 students are represented and in which the famous "Cambridge Seven' were leaders in their day. He will also visit Italy to inaugurate the first conference of students ever held in Latin Europe. The British Volunteer Movement will hold its quadrennial conference in Edinburgh, Scotland, January 14. Henry Drummond had a large part in the be ginnings of Christian work among students in Scotland, for whom most of his notable addresses were prepared. This gathering corresponds to the great meetings held in America every four years by the Volunteer Movement.
