GATHERING OF METHODISTS

HARRISBURG, Feb. 17.—Four clergymen will celebrate their fiftieth anniversary as ministers of the gospel at a semi-centennial service which will be held during the 30th annual session of the Central Pennsylvania conference of the Methodist Episcopal Church, in the Fifth Street Methodist Church, of Harrisburg, during the week of March 23d.

These clergymen are the Revs. Samuel Creighton, of Mackeyville, Clinton county; Dr. D. S. Monroe, of Shamokin; George Warren, of Tyrone, and Richard Hinkle, of Everett, all of whom will make addresses at the semi-centennial service.

One of the most important matters that will come before the conference will be the election of six delegates to the general conference, which meets at Los Angeles, Cal., the first week of May next. Heretofore the custom has been to elect five presiding elders of the various districts of the conference as delegates, but there is a general desire among the clergymen to get away from this custom and it is predicted that there will be several pastors in the delegation this year.

The business sessions of the conference will be held in the morning from 9 to 12 o'clock and will be presided over by Bishop C. C. McCabe, of Omaha, Neb. In the afternoon and evenings there will be anniversary exercises at which addresses will be made by some of the leaders of the Methodist Church in this country.

The committee in charge of the arrangements have completed their plans for the gathering and the Rev. B. H. Hart, pastor of Fifth Street Methodist Church, says comfortable quarters have been secured at private residences for all the visitors.

The conference proper will open at 9 o'clock on Wednesday morning with the celebration of the Lord's Supper, in which Bishop McCabe will be assisted by twenty ministers. Immediately after an organization will be effected and then a memorial service will be held. The Rev. Dr. J. M. Berry, of Chicago, editor of the "Epworth Herald," who is regarded as one of the leading aspirants for the bishopric, will make the principal address at the anniversary of the Epworth League and Preachers' Aid Society on Tuesday evening.

Rev. Dr. W. L. McDowell, of New York, secretary of the board of education, who is also favorably mentioned for the bishopric, will address the anniversary of the Educational Society on Wednesday evening. The same evening Rev. Dr. W. P. Thirkield, of Cincinnati, will speak at the anniversary of the Freedmen's Aid Society. Rev. Dr. Frank Crane, pastor of the People's Temple, Boston, will speak at the anniversary of the Temperance Society on Thursday evening.

On Friday evening there will be a musical concert at which an admission of fifty cents will be charged. Those who will participate are Professor Ryder, formerly organist of the Tremont Temple, Boston; Mrs. DeLong, of Philadelphia, a vocal soloist; Prof. J. W. West, of Philadelphia, pianist, and a Harrisburg orchestra of ten pieces. The Missionary Society will hold its anniversary on Saturday evening at Grace Methodist Church. The principal speaker will be the Rev. Dr. A. B. Leonard, of New York, secretary of the Missionary Society.

The lay electoral conference composed of one lay delegate from each pastoral charge in the conference, will meet at 10 o'clock on Friday morning at the Ridge Avenue Methodist Church. This conference will also elect six delegates to the Los Angeles conference. The layman's association, composed of two delegates from each pastoral charge, will meet at the same place on Saturday afternoon.

The Rev. Dr. Joseph Smith, of Redlands, Cal., will hold a pentecostal service each day during the conference from 4 to 5 P. M. The Church Extension Society will be represented at the conference by the Rev. Dr. James M. King, of Philadelphia. The Rev. Dr. Leroy Bolt, president of Ada University, Ada, Ohio, will visit the conference on Saturday and Sunday. The pulpits of all the Harrisburg churches will be filled by the visiting clergymen on Sunday, March 27th.

There will be special music at all the services in charge of Mrs. John H. Conkling, chorister of the Fifth Street Methodist choir.

FUNERAL OF SENATOR HANNA

WASHINGTON, Feb. 17.—The obsequies attendant upon the funeral of Senator Hanna here today were the most impressive since those of President McKinley. Mrs. Hanna, who was made ill by the strain of grief, grew better this morning and, with other members of the family, attended the ceremony at the capitol at noon today.

The remains of Senator Hanna, instead of lying in state in the marble room, were taken into the senate chamber, shortly after 11:45 o'clock. The president and his cabinet, the senate and house, the United States supreme court, the heads of the army and navy and representatives of all the world's great nations assembled to do him honor.

Mr. Frye called the senate to order at 12 o'clock. The funeral services were in charge of Dr. Edward Everett Hale, chaplain of the senate, assisted by Rev. Henry N. Coulter, chaplain of the house. The services were brief and simple. Dr. Hale delivered an address of eulogy. The hymns were sung by the Gridiron club quartette. All the galleries were reserved for this occasion, admission being by special cards only. Chairs were brought from the president's room for Mr. Roosevelt and the cabinet and from the supreme court for the use of the justices. In addition to the eighty-three senators, accommodations have been made for seating nearly 500 additional people on the floor.

Immediately after the casket had been placed in position, the house entered in a body, the members preceded by the sergeant-at-arms and clerk and headed by the speaker and the chaplain. The speaker was seated on the left of Mr. Frye and the other house officials on his right. As the cortege moved to the capitol all along the streets crowds stood with bowed heads, despite the cold. A detail of capitol police met the procession and carried the casket into the senate chamber, where it was placed on the catafalque and performed a similar service for the martyred president, McKinley. There was a wonderful profusion of floral offerings heaped on the bier.

DEAFNESS CANNOT BE CURED by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed, the mucus accumulates and it perfect hearing and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Our case out cures caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness caused by catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. Sold by Druggists, price 75c per bottle. Hall's Family Pills are the best.

JAPAN WILL TAKE ALL RUSSIAN SPACE. ST. LOUIS, Feb. 17.—Upon the heels of the announcement from St. Petersburg, that Russia will abandon her proposed exhibition at the Louisiana Purchase exposition, Mr. Hajimoto, assistant commissioner general from Japan has announced that every foot of exhibit space that is given up by Russia will be applied for by Japan.

The Japanese minister states that the commission has ample exhibition material either here or on its way from Japan with which to fill the additional space. In fact, one of the difficulties that confronted the commission from the first was the question of how large they could make their exhibit, but how best to confine it within the space allotted.

No confirmation of Russia's announcement has reached the fair officials from official sources. No official attaches of the Russian commission are here at present. Meanwhile the proposal of the Japanese commissioner cannot be considered except tentatively.

Worshipped Over Phone. The correspondent from Nelson, Tioga county, of the Wellsboro Agitator tells of a novel way of holding church services in Pleasant Valley. It seems that the Pleasant Valley church folk thought it advisable, owing to bad roads, not to attempt to hold their regular church services last Sunday afternoon, but they were not, in consequence of their decision deprived entirely of the benefits of public worship. The Rev. R. S. Bell, the Methodist minister of Nelson, preached a short sermon to them over the Pleasant Valley telephone line, and to this discourse were added the singing of several hymns, the offering of a prayer, and the pronouncing of the benediction. It was a novel experience for a congregation to remain at their homes and listen to a sermon being delivered some miles away.

The great ice gorge in the Susquehanna is daily attracting crowds of visitors.

After New Industries. A well known citizen of Sunbury makes the following valuable suggestion to the board of trade of that place: "The big fire in Baltimore, while it is to be deplored, might in a measure benefit Sunbury, if the proper people would interest themselves in the securing of manufacturing plants which were destroyed there. As it will take months, if not a year to adjust the insurance matters in that city, I have no doubt but that the manufacturers would not hesitate to locate in another city, provided sufficient inducements were offered. I mean plants that employ men, not female help. Now, while the manufacturers are waiting for their insurance let our board of trade and enterprising citizens hold a meeting as soon as possible and ascertain what inducements can be afforded. To begin with give them a free site and exemption from taxes for ten years, and if necessary put up buildings and offer bonds for the same. Even though we have not enough male labor, the employees of those factories, being out of work, would come here and help to swell Sunbury's population. This would be an additional incentive to build more houses, and in a few years we could increase our population by at least one third.

Y. M. C. A. NOTES. The greatest student organization in the world will hold its anniversary next Sunday. For many years this day is spent in colleges and universities in all civilized countries has been observed as a day of prayer on behalf of students. The World's Student Federation embraces eleven national and international student movements, including the North American continent, Great Britain, the continent of Europe, South Africa, India, China, Japan, Australia and South America. The activities of this Federation are chiefly centered upon philanthropic work in connection with the colleges, such as boys' clubs, reading rooms, and city mission work, as well as the devotional study of the Bible, various religious meetings and the conduct of information bureaus for new students and the cultivation of an interest in the work of the church abroad.

While most of these societies are conducted as purely voluntary hands of students, about fifty of them have buildings, valued at a million and a half dollars, which are used exclusively for student activities. Conspicuous among these are the buildings at Calcutta and Tokyo, and at Columbia, Yale, Harvard, Princeton and Cornell. An array of 11,000 students is enrolled in Bible classes under student leadership. In the Empire of China, there are more of these students in Bible classes than there are Christians in the colleges.

This movement holds a convention every two years, the last one having met 200 books and periodicals setting forth the methods of the Federation. These are published in twelve languages. The General Secretary of the movement is Mr. John R. Mott, who is on the way back from a trip to the continent of Europe, which was taken on behalf of the Federation.
