If to the ranks. the merchant or clerk is not in sight what is going on outside the signal is night after drill. quickly given when the confederates dexterously help themselves to oranges, tobacco, or anything else they may want which happens to be within

The gentleman stated that this scheme is worked extensively and he named a couple of stores which are victimized the most. These merchants vesterday were apprised of what is going on and an effort will be made to break up the practice of pilfering. Aside from the loss incurred by the merchants the moral ffect upon the youngsters is bad, as habits of dishonesty such as these is pretty sure to lead to a career of evil marked in all probability by stealing on a larger

was reelected over Clarence F. Huth, Republican, by a majority of 3732. On or about the 5th of May, 1902, Congressman Polk died, and in November of the same year, Alexander Billmeyer, of Montour county, was elected for the unexpired term. His majority over Wm. K. Lord, Repub-Godeharles, Republican, by a majority

Tragedy Averted.

"Just in the nick of time our little monia had played havoc with him and terrible cough set in besides. Doctors treated him, but he grew worse every day. At length we tried Dr. now sound, and well." Everybody ought to know, it's the only sare cure bottles free.

Very Big Lumber Deal. By a sale which was closed at Lewis burg last week the firm of Mouroe H Kuln & Co., of Shamokin, have ac quired the extensive lumber and timber business which was carried on in Union, Center, Clinton and Lycon ing counties adjoining the present of eration of Monroe H. Kulp & Co. In corporated.

. It also includes the entire capital stock of the White Deer Valley Rail road Company whose road connects with the Philadelphia and Reading at White Deer station.

It gives to the purchasers the con trol of all the undeveloped timber land remaining in the large territory lying between the Lewisburg & Tyrone Railroad on the south and the Bald Eagle Valley Railroad on the north. It increases the acreage upon which the firm has been operating to nearly seventy thousand acres while the comhined mileage of the Lewisburg and Buffulo Valley Railroad, the Sugar Valley Railroad and the White Deer motives and sixty-five cars to seventy two miles. These railroads will now be connected and the entire management will be conducted from the Sha
