It was impossible arrived about noon and he in company to wholly escape, however, and his with undertaker Berninger and Harribrought the body to the Berninger unbly injured, from the shoulder to the dertaking establishment. The man apwrist the flesh in large sports being peared to be about thirty years of age. presence of mind in dropping to the and weighed about 140 pounds. He had body would have been burned to a was bald headed. Mr. Berninger statcrisp and death would have been cer. ed that he supposed the body had been in the river at least three or four The usual remedies kept on hand in | months as it was found to be in a very

found tied about his waist.

Mr. Berninger will notify the auan accident likely to occur. Workmen thorities at Wilkesbarre this afternoon off and on are injured in this way but and will endeavor to have him identiit seldom happens that one is so un. fied. If he is not claimed within a short time he will be buried at Mifflin. It is a mystery as to where the body came from as there was no record of any pers in mysteriously disappearing The cause of your palpitation is, from any of the towns or cities above ach-that is' gastric indigestion. A This is t'e a cond body that has been

Onick Arrest.

J. A. Gulledge of Verbena, Ala., was twice in the hospital from a severe case of piles causing 24 tumors. After doctors and all remedies failed, Bucklen's Arnica Salve quickly arrested further inflammation and cured him. It conquers aches and kills pain. 25c. at Paules & Co., Druggists.

Veterinary Graduates.

The Prothonotary of every county lowing letter which explains itself,

Dear Sir :- In enclosing you a pam phlet of the several laws of this State points upon which Prothonotaries have same on their registers.

1st. All graduates of Veterinary

Colleges as stipulated in Section 1 of the Act of April 11, 1889, were given the Act of May 16, 1895. After registration as an "existing practition er." This period ended October 11, 1889, after which all such registration were illegal until the passage of the amendment to the law of 1889, on Apri 29, 1891, when a second period of the time afforded non-graduates or unti registrations of non-graduates were

illegal. Will you kindly examine your regi ply with these requirements? Further, that there is no other registrations required beyond the one in the county

Again that no further registration

necessary steps to correct same, I am, Yours very truly,

W. HORACE HOSKINS "One of Dr. King's New Life Pills Secretary of the Pennsylvania State Board of Veterinary Medical Ex-

An Eujoyable Entertainment.

The entertainment given by the pu pils of the Riverside Primary school May 12, was a pleasing affair to it patrons. The proceeds, five dollars and fifty-eight cents, will be invested in This is the season of blossoms and a pictures to decorate the school room. Thanks are extended to the P. O. S.

everything goes wrong. You are tired all the time, easily discouraged, nervous, and irritable. Your cheeks are

Sarsaparilla pale and your blood is thin. Your doctor says you are

threatened with a nervous breakdown. He orders this grand old family medicine. 'For more than 50 years I have used Ayer's resparilla in my family. It is a grand tonic all times, and a wonderful medicine for im-
