## POISONED BY

ICE CREAM

A dispatch from Lykens, Dauphin county, says: Members of two hundred and fifty families who ate ice cream at Fourth of July picnics at Gratz Grove, in this place, and Midway Park, three miles from here, were attacked with violent cases of illness and writhed on the ground in agony. All the doctors of the northern part of the county were summoend to render than 85. The nights are so cool that assistance.

The scenes in the parks were most remarkable. Thoroughly sickened, the prostrate forms of the sufferers were scattered over the grass by the score. Elizabethville, Wiconisco, Williamstown and this and other smaller places. The ice cream, it is alleged, was furnished by Mrs. W. D. Frank, who conducts a large ice cream manufactury years' job." at Elizabethville. She has been engaged in the business for eight years written at Bas Abispo on June 26. and has never before experienced any They had not yet left for Albajuelo trouble of this kind, and the general and were hard at work. The letter impression is that she is not to blame. states:

A prominent local physician who administered antidotes to scores of the work to do next week, as we are getpoisoned people declared tonight that ting too far up the Changoes River the ice cream, in all probability, con- with our line and we have too far, to tained formaldehyde, and it is believed that this substance had been placed in the pure cream by farmers before it climate as yet and am feeling fine. was sold to Mrs. Frank so as to keep July.

## TIMBERS CAPTURED AT COLUMBIA

COLUMBIA, Pa., July 7.-Aaron Timbers, ring leader of the four negroe who made the fiendish assault on Mrs. Biddle, of Burlington, N. J., and Jonas Sims, his sixteen-year-old partner in crime, were captured here early this morning. Both admitted their identity and confessed to the crime. They are in jail awaiting extradition. They told a story of the outrage with such detail and so fiendish that their hearers could hardly restrain themselve from keeping hands off them.

The free ferry at Catawissa is hung up high and dry owing to low water The flat rests upon a mud-bank in the channel and is being used by the trol ley company as a landing place for their steamer. It will take a raise of several feet in the river before the boat can be run.
