If she does recover it is quite likely that the eye will have to be removed.

The woman has made no statement and the young man who was with her at the time the shooting took place denies that they had a quarrel of any kind and states that he knows of no reason for the attempted suicide.

The revolver belonged to the woman, and the small calibre is all that ! thwarted her plans to end her life immediately. Some time ago she threatened to kill herself and exhibited a 38--calibre revolver which was taken from her. A number of years ago she tried to end her life by the drinking of laudanum.

Cherry Pickers Seriously Injured.

Carrie and Blanche Diehl, daughters of William Diehl, of near Exchange, aged respectively 16 and 18 years, were the victims of a terrible cherry tree accident Monday, which caused the fracture of three ribs of the

Carrie was near the top of the tree, about twenty-five feet from the ground. During the morning she had complained of attacks of giddiness, and it is thought she was seized with one of these while on the tree. At any rate she lost her balance and crashed down through the limbs of the tree to the ground. Her sister was about ten feet below her and as she fell past her Carrie caught her in an effort to save herher sister's hold and the two girls fell together the rest of the distance.

In the fall nearly every particle of clothing was torn from their bodies. Carrie was rendered unconscious and was found to be suffering from a concussion of the brain. Her sister sustained three fractured ribs on the right

Dr. Shuman, of Jerseytown, attended them. For a time it was thought Carrie's injuries would prove fatal, it being impossible to restore her to consciousness, but yesterday she was much improved, and it is thought she will now recover. Carrie is aged sixteen and her sister eighteen.

Speak Well of Your City.

There is too much fault finding among the residents of cities. Every city has its faults, 'tis true, but much the better way would be to always talk well of your home town, and then work to make your boast good. If a man is always talking ill of his family the people think he is not fit to a person who is always knocking his ome city. He should move away. The knocking man never does anything to benefit his town. Talk is cheap. but it does not correct existing wrong Work is the keynote. Local pride and energy will accomplish wonders. The umpiring was poor in the Milten game, although none of the decisions seemed to reflect any intention to wilfully deprive either team of its just dues. A big crowd of rooters, sixty or more, followed the Old Timers to Milton and these made their presence felt during the game. The contest was witnessed by a large assemblage. The score OLD TIMERS.

A Silent Pilot.

Nothing helps so much in the enjoyment of your vacation than a good map. It shows you the streams and lakes you can fish, the mountains you can climb, the places of interest you can visit and the roads you can wheel or tramp. The Lackawanna Railroad has just issued a set of colored maps on a large scale, showing the territory reached by its lines in New York, New Jersey and Pennsylvania. These maps give every highway, postoffice, trolley line and railroad and are so bound that they can be conveniently carried in the pocket. They are in valuable to automobile tourists and traelers and should be owned by every entire set in a neat cover may be had by sending ten cents in stamps to T. Lackawanna Railroad, New York City. The Edition is Limited-Write to day.
