posevelt's letter of acceptance has bably had more to do with emphaing the popular feeling regarding is candidacy than any other feature

r phase of the canvass.

The President's letter of acceptance rang true. It was characteristic of the man, through and through-honest, frank, straightforward, fearless and

His letter may well be perused by all. All will agree, although they may not agree with all of the President's views, that every subject is frankly discussed, that there is no lurking in the dark, no skulking, no ambiguity nor insincerity. Mr. Roosevelt has something important to say, and goes about it in a straightforward, manly way. True, his letter may not abound in figurative language and literary elegance, but it is the product of a man deadly in earnest, possessed of the

to be beset, with adverse crticism from the Demecratic party, and in every instance he has boldly defended himothers are ably defended and justified.

do everything possible to better their condition, but he would be slow to make rash promises, to break faith

OSLIDE A DARK LANTERN GAME

Democratic Scheme to Capture Congressional Districts Unearthed. PENROSE SOUNDS A WARNING

Lacked By the National Committee, the Democrats in Pennsylvania Have Been Making a "Still Hunt"

[Special Correspondence.]

Philadelphia, Sept. 20. Chairman Penrose, of the Republican state committee, has sounded an alarm to the Republicans of every debatable congressional district in Penn-

tricts in this state, and that they are being liberally supplied with funds by the Democratic national committee to elect their candidates. Reports received supposed to come from these same anfrom several Republican county leaders regarding the quiet moves of the verified by Chairman Penrose when he if necessary, prickly plants. went to New York a few days ago and ascertained from the confidential re-

lantern methods. Chairman Cowherd, of the Democratic congressional committee, co-op-Republicans off their guard by secret Old Muff," published about 1740: but effective work in the districts in which they are most likely to win by the use of extraordinary tactics and

with a liberal supply of money. The Democrats have not had so much money for congressional campaigning for many years, and they are farming it out where it will do the

was beset, and probably will continue 30 Republican majority in the present instance he has boldly defended himilest, in fact, vindicated himself. The perfect that the party, and in every to win over 16 districts to get control of the next house and elect their leading the perfect that Panama question, the pensions matter, the government expenditure and ent Republican speaker. They count Certainly his attitude toward the as many in Ohio, two in New Jersey, Philippine Islands question is just, one in Delaware, at least four in Pennsylvania, one in Connecticut, two in the inhabitants self government and Indiana, two in Wisconsin and one in mates were probably obtained at the headquarters of the Democratic congressional committee, and they give He to an inkling of what the Democratic

campaign managers are driving at. The claims for Pennsylvania were naturally interesting to Chairman Penrose, who has determined to disappoint the Democratic schemers and block their game at once. In the disricts in which he knows the Demots are playing their cards for secret k to capture what should be Rean seats in congress he has inin many cases to warn them er to the Republican cause.

ANIMAL HABITS.

Why Horses Have and Donkeys Have Not the Shying Habit.

Horses shy because they are descend ed from ancestors accustomed to roam ver plains, where any tuft of grass or bush might conceal an enemy waiting to spring on them. Under these cirumstances they must often have saved themselves by at once starting away on observing any sudden or unexpected novement or on coming without warnng upon some strange object. This is apposed to have become a habit which nas descended to their domesticated

ing around it.

therefore comparatively unprotected, so that it may be easily compressed, which it is proposed to make a determined effort to carry. They are disaway as the little fiager. The humerus away as the little fiager. The humerus away as the little fiager away as the little fiager. The humerus away as the little fiager. erating with Chairman Taggart, of the so that it may be easily compressed, inspiration with which his Democratic national committee, has and then a blow upon it causes a wife always surrounded him. Democratic national committee, and then a blow upon it causes a indicated the districts in each state strange tingling sensation in the course strange tingling sensation in the course of delicht."

He cannot be complete in aught
Who is not humorously prone.
A man without a merry thought
Can hardly have a funny bone.

A Lifetime's Enting. Science Siftings tells us that if we could see the amount of food one would They have figured out that with but a man lived seventy years, he would be quite appalling. If wife, both bowed under the burden of many years and almost hind. The property is the property of the property o four pound loaves of bread a year, or hand in band together in the garden, house of representatives they have but to win over 16 districts to get control of the next house and elect their lead. ate only two eggs a week, it would require about 7,000 eggs to feed him during his lifetime; of tea and coffee on an average a pint a day, or for a lifetime about 3,220 gallons.

Health journals have been in exist-ence time out of mind. One in particular in its day was widely accepted as an authority on all matters of hygiene. An item which appeared in this paper in 1874 says among other things that "it is safer to sleep in a bad air all night—that is, with the windows tightly closed—with a temperature over 50 than in a pure air with a temperaturs under 40.

The Girl and the Book.

See the young girl. What is the young girl doing? She is reading a

TRIBUTES TO WIVES

WORDS OF TENDERNESS UTTERED BY GREAT MEN.

The Homage That Tom Hood Paid to the Partner of His Sorrows and Joys-Jean Paul Richter's Unstinted Praise of Caroline Mayer.

Few great men have paid more enthusiastic tributes to their wives than Tom Hood, and probably few wives have better deserved such homage, says the Chicago Chronicle. "You will the sure footeaness and comparative slowness of the Gonkey. His ancestors were not so liable to sudden attacks of wild hearts and of suakes. Moreover, and the sweetest long years of experience. May God long years of experience. May God long years of experience. May God long years of experience will be sweetest. were not so liable to sudden attacks of wild beasts and of snakes. Moreover, sudden and wild starts on alarm would most helpful, angel who ever stooped most helpful, angel who ever stooped The chairman has discovered that the Democrats are making a "still hunt" in more than half a dozen disturbly dangerous to have been positively dangerous to bless a man." Has there ever, we wonder, lived a wife to whom a more work habit which proved so useful to desire and heaviful tribute was paid the horse in the plains.

The habit of eating thistles, which is almost peculiar to the donkey, is also is almost peculiar to the donkey are an early in the same and peaters and peaters and peaters and peaters are the burden than those verses of which the burden than the burden
