The Borough Council Friday evening held an adjourned meeting for the purpose of electing an electrician and transacting other business relating to the municipal light plant.

On motion of Mr. Gooser, seconded by Mr. Fenstermacher, it was decided to employ S. H. Jones, for one year from March 1st at \$95 per month subject to agreement.

The Light Committee explained that the Borough Light plant will be ready to start up on Wednesday next, March 1st.

It was much to the surprise of farmers on Saturday when in the newspapers they read that a new pure food bill had been presented to the Legislature.

There is a heap of soles in being able to depend upon a Well-Earned Reputation. For months Danville readers have seen the constant expression of praise for Doan's Kidney Pills.

Mr. Fry, carpenter, of 445 West First St., Bloomsburg, says: "The statement I made in 1896 is almost all true. I can say regarding my experience with Doan's Kidney Pills, I have not had any backache since I used them."

Strikes Hidden Rocks. When your ship of health strikes the hidden rocks of Consumption, Pneumonia, etc., you are lost, if you don't get help from Dr. King's New Discovery for Consumption.

Incredible Brutality. It would have been incredible brutality if Chas. F. Lemberger, of Syria county, N. Y., had not done the best he could for his suffering son "My boy," he says, "out a fearful cough over his eye, so I applied Bucklen's Arnica Salve, which quickly healed it and saved his eye."

Farmer in the Lehigh Valley are driving through snow drifts ten feet high to sell potatoes in Bethlehem and vicinity at 40 cents a bushel.

GRANGERS WERE NOT DECEIVED

Danville Grange, No. 57, held its regular meeting Saturday afternoon at the home of Aaron C. Mauer, Cooper township. The attendance was quite good.

On Saturday the interest centered in a discussion of the pure food bill before the Legislature introduced by Representative Hitchcock of Tioga county.

This, it is true, was all the farmers wanted as regarded genuine butter, but it did not take them long to see that it provided an avenue by which oleomargarin and similar products could be thrown on the market in this state.

The Colonel's Waterloo. Colonel John M. Fuller, of Honey Grove, Texas nearly met his Waterloo, from Liver and Kidney trouble. In a recent letter, he says: "I was nearly dead, of these complaints, and, although I tried my family doctor, he did me no good; so I got a 50c bottle of your great Electric Bitters, which cured me."

New Feat in Telegraphy. The fact is not generally known that the trunk lines of the United Telephone and Telegraph Company between this city and Pottsville and Danville and Shamokin and other points are being used simultaneously for telephoning and transmitting messages by telegraph.

MARCH PREDICTIONS OF PROPHET HICKS

Rev. Ira Hicks, the weather prophet, who foretold the January and February blizzards, makes the following predictions for March.

The first marked disturbance for March will be central on the 3rd, 4th and 5th, with rain and high winds on and touching the 5th, ending in snow storms over much of the country to the northward.

A reactionary storm period will be central on the 21st, 23rd and 24th. At this time the temperature will rise decidedly and general storms of rain and wind, turning to snow in the north, will pass eastwardly across the country, all followed by another decided rise of the barometer, northwesterly winds and much colder.
