# PASTOR RESIGNS

7.53 A. M.

7.55 A. M

At the morning service, Sunday, in Shiloh Reformed church, Rev. George E. Limbert, announced to the congregaton that it was his intention in the near future to resign as their pastor, for the purpose of accepting a unanimous call to become pastor of

Trinity Reformed church of Altoona. This decision was received with deep regret by the members, many of whom being so overcome by their emotions as to be moved to tears.

Rev. Mr. Limbert is greatly beloved by his congregation who are very reluctant to part with him. As he stated, in his remarks, it is equally painful for him to separate, as his relations with the congregation have been very cordial and pleasant. No friction whatever exists; the work in all departments of the church has been prospering, and he likes Danville; but the call to labor elsewhere had come to him unsolicited and unsought and in such a manner that he felt it was the call of the Master, and his duty was to consider the same favorably.

Rev. Mr. Limbert is an earnest, consecrated, hard-working pastor, and, as a result of his pastorate all departments of church work in Shiloh Reformed church are prospering. The membership of the congregation and generators of 360 K. W. each, with Sunday school are larger than at any four boilers of 250 horse power each. time in its history, and the finances The conjument throughout, nump, are in excellent shape. The congregational expenses are promptly met each first class and thoroughly modern. month, and the amount contributed to the church at large has grown steadily with each succeeding year.

It was, indeed, a sad and sorrowful people that departed from the church | Fourth of July. Pending the compleat the close of the service.
