Whom the Gods Love.

Paris cafe.-London News

Famous Blind Man The name of John Metcalfe of Knaresborough, England, engineer and roadmaker, is in these feverish tin in danger of lapsing into undeserved oblivion John Metcalfe was blind from the age of six years until he died. Yet as a boy and man he invariably displayed a high spirited courage. He was a true sportsman, a fine swimme and a hard rider to hounds. It was his solitary walk from London to Harro gate by a way unknown to him that first turned his attention to roadmal ng. The roads in those days wer very bad. He obtained authority from parliament to improve this state of things when he was fifty years old. and as the chariot and the children In Yorkshire, Lancashire, Cheshire and pass down a carpeted avenue of cher-Derbyshire most of the principal road ry trees, and the gentle spring breeze were made by him. He built bridge blows, a constant shower of pink perand leveled rough places. Some of fumed snow falls from the cherry trees the plans were made for him by others and everything becomes hazy in the out usually he designed them himself and he did his own surveying. He climbed mountains, trudged along or the edges of precipices, he crosse swamps and morasses, waded throug bogs and forded rivers, relying wholly and solely on the long staff that was forever in his hand. He died in har

means that he is very liberal in en deavoring to persuade other people t spend their money bountifully for the public good.

THE EYE A SPECIALTY Eyes tested, treated, fitted with glass-"cherry time," and at Mukojima, where and artificial eyes supplied. a double avenue of cherry trees, the

Market Street, Bloomsburg, Pa. ly blossoms in Tokyo, stretches along Hours-10 a. m. to 5 p. m.
