Cool days these, for May.

A decision of the Supreme Court,

Chief Burgess Shuster, of Shamokin,

REPAIRS ON  
BLOOM STREET

The bad condition of Bloom street  
and what repairs are necessary in order  
to place the street in good condi-  
tion were subjects which occupied the  
attention of the Borough Council for  
nearly an hour Friday night.

The following communication relative  
to the need of repairs was received:

To the President and members of  
Town Council:  
Dear Sirs: Allow me to draw your  
attention to the very unsatisfactory  
condition of street crossing and gutter  
at Cherry and Bloom streets in front  
of St. Hubert's church. I beg that the  
matter may be brought before Council  
and some action be taken to remedy  
the same.

Respectfully,  
J. C. FOIN.  
Mr. Vastine of Streets and Bridges  
Committee stated that he had visited  
the spot and agreed that the street in  
a bad condition. He saw but one  
way out of the difficulty and that was  
to raise the track to conform with the  
street. Mr. Goesser was of the opinion  
that Bloom street ought to be repaired  
from end to end. He agreed that the  
bad drainage was due to the Borough's  
mistake, but thought that inasmuch  
as the street railway would be bene-  
fitted by any improvement made the  
company ought to agree to unite with  
the Borough and bear one-half of the  
cost of regrading and repairs.

Mr. Pascoe, being called upon stated  
that he thought the street railway com-  
pany had cause to complain. The  
track, he said, was laid to conform  
with grade furnished by the Borough  
and now the latter was "making a  
canal of it."

Mr. Reifsnnyder was of the opinion  
that the track should be raised or the  
street cut down.

On motion of Mr. Goesser it was  
ordered that the Borough Surveyor be  
requested to regrade Bloom street to  
suit conditions and to report at the  
next meeting. The object is to bring  
street and railway to the same level,  
raising the crossings and making other  
improvements.

A petition bearing eleven signatures  
was received from property owners on  
Church street asking for sewer exten-  
sion to that thoroughfare. On motion  
of Mr. Sweisford it was ordered that  
the communication be accepted and  
that the street be sewerd.

Mr. Vastine reported what progress  
was being made in building the re-  
taining walls on A street and in what  
respect the improvements do not quite  
conform with the views of the prop-  
erty owners.

Mr. Pascoe said that he was anxious  
to satisfy the owners of property, who  
are entitled to protection. He was  
anxious to have the Streets and Bridges  
Committee visit the spot when to-  
gether they would look over the ground  
and see what could be done for the  
good of all. It was finally agreed that  
the Committee should meet with Mr.  
Pascoe at A street on Tuesday night.  
Meanwhile there will be a suspension  
of work on A street.

On motion of Mr. Reifsnnyder the  
Bell Telephone Company was request-  
ed to relocate the high pole on the  
west side of the approach to the river  
bridge to make room for street paving,  
which is now under way.

On motion, Alfred Voris was per-  
mitted to connect his premises on  
Ferry street with the new sewer exten-  
sion.

On motion of Mr. Reifsnnyder it was  
ordered that summer helmets be pur-  
chased for the two police officers.

On motion of Mr. Magill it was or-  
dered that the story of the Good-  
will Hose House be papered at the  
Borough's expense.

The following members were in their  
places: Gibson, Vastine, Reifsnnyder,  
Fenstermacher, Boyer, Goesser, Dietz,  
Trisch, Jacobs, Hughes, Magill, Dietz  
and Sweisford.

PASSED TO HIS  
ETERNAL REST

Court Crier Ephraim K. Hale, veter-  
an of the Civil War, and life-long resi-  
dent of Danville, passed to his eternal  
rest at ten minutes after two o'clock  
Sunday morning. The deceased was in  
seventy-two years of age. He was in-  
firm for several years prior to his  
death. On Saturday night, the 13th  
inst., he was taken very critically ill.  
During last week he rallied somewhat  
but his physicians were unable to hold  
out any hopes for recovery. He be-  
came worse Saturday and passed away  
at the hour above stated.

Ephraim K. Hale was born in Dan-  
ville and resided here practically all  
his life. He was an authority on af-  
fairs pertaining to the early history of  
the town and witnessed all the  
changes, all the vicissitudes of for-  
tune, that our town passed through be-  
tween the days when Danville was a  
mere village and the present time  
when its borders have expanded over  
hundreds of acres of farm land and it  
stands in the front ranks of growing  
and progressive towns. He was a man  
of generous disposition, genial in man-  
ner and his companionship was much  
sought for.

By occupation the deceased was a  
boiler maker and for years he was  
foreman of the boiler shop connected  
with the Reading Iron Works. He was  
a veteran of the Civil War serving  
three enlistments. As a member of the  
15th regiment at Carlisle he was  
detached for service in the post band  
and in this capacity he was detained  
at Carlisle for nine months and was  
there when the war closed. Among  
his hand comrades at Carlisle was  
Oscar G. Mellin of this city. The de-  
ceased also enlisted in the band of the  
106th Pennsylvania Regiment.

Ephraim K. Hale was an able music-  
ian and during the greater part of his  
life was included in the membership  
of one or another band. He was one  
of the early members of Stees' Cornet  
Band and belonged to that organiza-  
tion for many years. He was also a  
member of Strickland's orchestra.  
The deceased is survived by his wife,  
two sons—Thomas W. and George K.—  
and one daughter, Abbie A. (Mrs.  
Henry Bernman) of Milton.

Ephraim K. Hale, who departed this  
life Sunday morning, was laid away in  
Odd Fellows' cemetery Tuesday  
with military honors. The obsequies  
were largely attended.

The services were conducted by Rev.  
Dr. McCormack, pastor of Grove Pres-  
byterian church. The pall bearers  
were six comrades of the deceased be-  
longing to Goodrich Post, J. L. Hoff-  
man, William Wallace, J. L. Frame,  
Hon. F. G. Blee, Wesley DeShays and  
George Reilly. Of the pall bearers the  
first three with the deceased were  
members of the military band during  
the Civil War. The funeral cortege  
marched to the music of a dirge, two  
drums and two fifes, which preceded the  
hearse. Following the drum corps were  
twenty uniformed veterans on foot.  
Next came the hearse with three pall-  
bearers marching on each side as an es-  
cort.

The march was kept up until the P.  
& R. crossing on Bloom street was  
reached, where all took their seats in  
hacks, which had been provided. At  
the entrance to the cemetery all alight-  
ed and fell into line and to the music  
of the dirge marched to the grave.  
Rev. Dr. McCormack read the burial  
service, after which the rites were  
handled over to Goodrich Post, of which  
the deceased was a member.

The ceremony which followed was  
very beautiful and impressive. W. M.  
Heddens was post commander and Jos-  
eph L. Shannon acting chaplain. The  
post commander deposited a rose in the  
grave, a second comrade cast a laurel  
leaf into the grave; a third comrade  
deposited a rose and a fern leaf upon  
the coffin. The post commander then read  
the charge and deposited an American  
flag as a symbol of victory in the  
grave, after which Chaplain Shannon  
closed with prayer.

Extensive Repairs Completed.

The general repairs on the Danville  
and Bloomsburg trolley line, on which  
a large number of men have been em-  
ployed since early in the spring, were  
completed yesterday. The work was  
admirably managed by Superintendent  
Davis, who has shown his skill in  
trolley construction and his ability to  
handle men by fixing up the road in  
first class style in a remarkably short  
period of time. Along the entire length  
the track has been raised and well bal-  
lasted with limestone and other ap-  
proved material. As it is now fixed  
the track during winter will be fur-  
ther out of the way of the snow and  
none but the heaviest drifting will in-  
terfere to any extent with the running  
of the cars.  
John Murphy, the track foreman,  
comes in for his share of praise, hav-  
ing rendered the Danville and Blooms-  
burg Company excellent service. To-  
day he leaves the latter company's em-  
ploy and goes over to the Danville and  
Sunbury Company, taking with him  
some thirty employees, who are no long-  
er needed on the Danville and Blooms-  
burg line. They will join the gang on  
East Market street.  
Roses are unusually backward this  
year. Looks as though there will be a  
scarcity of flowers on Memorial Day.

Fred Kirkendall for Governor.

The "Star-Independent" of Harris-  
burg yesterday printed the portrait of  
Mayor Fred C. Kirkendall of Wilkes-  
barre and states that he is favorably  
mentioned as a candidate for governor.  
Mayor Kirkendall is owner of the  
"Wilkesbarre Leader" and is son-in-  
law of our townsman, George M. Gear-  
hart. In launching his boom for gov-  
ernor it is asserted that Mr. Kirkendall  
is a personal friend of Colonel  
Guffey and has the united backing of  
the political leaders of Luzerne, Lech-  
awanna, Montour, Schuylkill and Lack-  
awanna Counties.  
The popularity of Mr. Kirkendall  
not only in his own county, but  
throughout northeastern Pennsylvania  
makes the announcement of his boom  
for governor important.  
Mayor Kirkendall carried the strong  
Republican city of Wilkesbarre last  
spring by a Democratic majority of  
nearly 2500. He was elected treasurer  
of Luzerne county when 26 years of  
age and afterwards became chairman  
of his party, landing glorious victories  
in two successive campaigns. Who  
nominated for Mayor of Wilkesbarre  
he was editor of the "Leader."

GRAMMAR SCHOOL  
COMMENCEMENT

The School Board at Commencement  
this year will not occupy seats on the  
stage as in the past but will occupy  
the boxes.

Harry Bodea, a member of the gradu-  
ating class, appeared before the School  
Board Monday night explaining that it  
was a part of the plan of the class this  
year to occupy a portion of the stage  
with a tent, which will be used by the  
class prophet in delineating the future  
of the young gentlemen and ladies of  
the class. The tent with the class  
prophet as a fortune teller is consid-  
ered a very pretty innovation, but it  
leaves no room on the stage for the  
School Board, who were courteously  
asked by the class to consent to oc-  
cupy the boxes. The directors had no  
objection to the change, and on mo-  
tion it was ordered that the School  
Board vacate the stage and occupy the  
boxes as desired.

Borough Superintendent Gordy an-  
nounced that the Grammar School  
Commencement will take place next  
Friday as follows: First Ward, 2:15  
o'clock; Second Ward, 3 o'clock; Third  
Ward, 1:45; Fourth Ward, 1:45. There  
are fifty-eight grammar school gradu-  
ates.

On motion it was decided that the  
School Board attend the baccalaureate  
sermon at Pine Street Lutheran church  
on next Sunday evening. The School  
Board along with the class will con-  
vene in the church basement at 7  
o'clock and at 7:30 class and School  
Board will march in a body up into  
the auditorium.

Dr. Harpel, President, occupied the  
chair. Other members were in their  
places as follows: Orth, Burns, Pursel,  
Haring, Werkheiser, Von Bloh,  
Fischer, Trambower, Adams and  
Jacobs.

The following bills were approved  
for payment:  
Montour Democrat, \$3.00  
S. M. Trambower, 4.33  
A. B. Beach to the river bridge, 3.30  
Water Rent, 57.50

The School Board adjourned to re-  
convene on the first Monday in June  
when the new School Board will be  
organized.

Working on Bridge Approach.

The work of laying paving blocks  
between the Montour House and Front  
street was completed yesterday and  
Contractor Rogers has begun work on  
the approach to the river bridge.

George M. West yesterday removed  
the tall electric light pole on the lower  
side of the approach, which leaves  
the spot clear for improvements and  
adds much to the appearance. The  
electric light pole on the upper side  
of the approach, belonging to the Bor-  
ough, it seems, is to be permitted to  
remain. The tall pole removed was  
used jointly by the Standard Gas Com-  
pany and the Bell Telephone Company  
to carry their wires over the river in  
the form of a cable. It will be re-  
placed by a smaller pole on another  
location whence the wires will be car-  
ried to the river bridge and strung  
along over the top of the iron work.

The contractor has already removed  
the curbing on the lower side of the  
approach and constructed a rude re-  
taining wall between the end of the  
wing wall and Front street. The lat-  
ter wall is only temporary to support  
the ground used in filling up for the  
pavement until other and more exten-  
sive improvements can be carried out  
by the County, which will abolish the  
eyebrow that now exists and fix up the  
spot to conform with Borough prop-  
erty. The curbing on the east side of  
the approach, also objected to, will be  
removed and the improvement at the  
wing wall on the east side carried to  
completion as speedily as possible.

Material is already on the ground  
for concreting and in a few days' time  
everything should be ready for laying  
brick.

Popular Couple Wedded.

Miss Mary Connelly and Thomas  
Neville were married yesterday morn-  
ing. The wedding was solemnized in  
St. Joseph's Catholic Church by Rev.  
Father M. I. O'Reilly. The bride and  
groom were attended by Miss Mary  
Connelly and Mr. Albert Gill, niece  
and nephew of both bride and groom.

After the ceremony a pleasant re-  
ception was held at the home of Thom-  
as and Gill, A street. Among the guests  
present from out of town were Thom-  
as and Connelly and daughter, Mrs. Mary  
Gribon, of Philadelphia.

The newly wedded couple are high-  
ly esteemed young people of our town,  
they have the congratulations and well  
wishes of a large circle. They will  
take up their residence in Danville.

What Takes Berwick Hum.

The American Car and Foundry Com-  
pany at Berwick Saturday paid out  
\$28,000, the amount of the two weeks'  
pay. The amount is not as large as  
for several pays back but this was  
caused by temporary slackness in some  
departments, the cause of which was  
not lack of
