NORWAY'S KING IS ASKED TO RESIGN

CHRISTIANIA, Norway, June 7.—The Norwegian Parliament today voted unanimously to dissolve the union which has existed for many years between Norway and Sweden. This action followed the refusal of King Oscar to sanction the bill recently passed by the Parliament providing for a separate consular service for Norway, a bone of contention between the countries for a long time.

The present government will temporarily assume the rights which the King has exercised. The Parliament also adopted an address to the King, declaring that no bill will be entertained against him, notifying him of the action taken and asking the King to allow some prince of the Bernadotte house to assume the Norwegian crown.

At the beginning of the session the government officials informed the parliament that they had decided to relinquish office from today. The parliament thereupon unanimously adopted this resolution:

"Whereas, His Majesty, the King has declared himself unable to establish a new government for the country, and whereas, the constitutional royal power thus becomes inoperative.

"The parliament authorizes the members of the council of state, who are retired today to exercise until further notice as the Norwegian government, the power appertaining to the King, in accordance with Norway's constitution and existing laws, with these changes which are necessitated by the fact that the union with Sweden under one King is dissolved in consequence of the Norwegian King.

The belief is general that King Oscar will yield and grant the demand. If he does agree and appoint a prince of the throne of Bernadotte as requested, it is thought possible that he will select Prince Gustave Adolphe son of the crown Prince Gustave, who is to be married to the Princess Margaret of Connaught, on June 15.

FRANCE HAS VISIONS OF BIG WAR

PARIS, June 7.—In an interview to day with the correspondent a high official made important revelations which show that the present crisis in international politics is really more dangerous to the peace of the world than has appeared.

The statement shows that in official circles it is felt that France faces a crisis which threatens to plunge her into war, and which may involve the greater portion of Europe as well as the United States.

The Moroccan question, which has brought affairs to a head, so to speak, is really unimportant in comparison with the other issues involved. In this statement the official said:

"The trouble is not in the Moroccan question but it lies in a more remote and more serious cause.

"This is the ambition of the Kaiser to draw the continental powers together under the influence of Germany in view of an eventual conflict with England and the United States, which the Kaiser considers inevitable.

"France's participation in this move is necessary to this scheme.

"Today we find ourselves facing the alternative of choosing between England and Germany. The extreme gravity of the situation is shown by the fact that the German army is within 100 kilometers of Paris. Even if England joined in the conflict she would be unable to hold France to check the advance and once the first blow was struck we would be at a disadvantage. We know, too, from the experience of 1870, how little hope we can place in the other powers."

While it is stated optimistically that the resignation of M. Delcasse as foreign minister has relieved the strain the innermost governmental circles are far from reassured. Fears are even entertained that new complications may arise to make the situation worse.

CORTEYOU EXPECTED TO RESIGN SOON

WASHINGTON, June 7.—It is expected here that Postmaster General Cortelyou will retire from his position as chairman of the National Republican committee soon after his return from Illinois, where he makes an address today before the graduating class of the University of Illinois.

Some time ago he stated unofficially that upon his retirement from the committee he would probably be succeeded by Vice-Chairman Harry New, of Indianapolis. It is understood that he will call upon Colonel New while en route to Washington and that the formal announcement of the change in chairmen will be made within a few days.

JOSS HOUSE OF RARE ANTIQUITY

U. S. S. Villalobos, Li Yang, China, May 6th, 1905. To the AMERICAN: No doubt the above address will puzzle your readers as it did all on board our ship, as during our many trips up and down the Yangtze River we never before heard of the place. We left Nanking at 11 a. m. today and anchored at the mouth of a canal three miles from here. The American consul came on board, also a custom house Chinese to act as guide. Our party left in four boats passing rice and wheat fields all the way.

The name of the place was to visit in on a hill as high as bald top; on the summit is a large and wonderfully built Joss house. The steep sides are cuts and niches each containing a Joss from one inch to fifty feet high. Many of the cuts are solid stone and painted, some few are still beautiful. (It is one of the lost arts.) Everywhere are ruins of large buildings, bridges and arches, every evidence indicating that it was a magnificent and a wonderful place long ago, with paved walks and streets. In one imposing building is a painting of a man on a kind of paper an inch thick and the reading translated gives the date 1300 years B. C. and it looks it.

After a most interesting tour of inspection we returned to our boats and met the Villalobos, arriving at Nanking at 7 p. m. Until this week no Americans or Europeans ever saw or heard of this place. The Consul told our Captain about it and asked him to take our ship there. We were the first foreigners to see this ancient place and the Morning News readers are the first in the United States to read an account of the find. It is about one mile square and originally a Joss house of most interesting structure and build. The name may not be entirely correct, but as nearly so as I can translate it. It is not even on any Chinese map.

While stationed at Shanghai I received the Morning News regularly and noted with interest the doings of my many Danville friends.

Regards to the boys. Yours truly, ED. F. REYNOLDS.

CLOSE CONTEST FOR COMMISSIONER

The Democratic County Convention, which took place Monday, was of the strenuous old-fashioned sort. As was indicated by the returns there was no question from the first but that Clarence Seidel would be one of the nominees. The nomination of the second candidate, for which Miles and Leighow were thought to have nearly even chances, became the real bone of contention. There was scarcely a point of procedure on which the candidates and the convention did not seem to differ. There were strong protests and appeals and excitement ran high. Notwithstanding the convention in the main was a good humored one and after the nominations, ended with the usual pleasant and congratulatory speeches from the candidates while none of the evidences of party harmony and good feeling were lacking.

The convention was called to order at 10 o'clock by County Chairman H. C. Blue, after which the rules governing the primary elections were read by Joseph R. Patton, Secretary of the Standing Committee. Michael Breckbill was chosen Chairman of the Democratic party and printed in these columns. They affirmed the principles and the platform of the Democratic party and recommended the enactment of a fair ballot law, which shall provide for prompt registration of voters.

The following supplement was offered by Mr. Long of Liberty township: Inasmuch as this Congressional District has been won over by the Republican Party by an unusually big majority, it behooves the Democratic Party to put forth its best and strongest man in order to bring it back into line in 1906; therefore be it resolved that this Convention endorse Hon. Alexander Billmeyer, who so ably represented us in the 2nd Session of the 57th Congress, to be the candidate in this County in 1906, to represent us in the next Congressional Conference.

On motion this resolution was also adopted by the convention. Spirited addresses were made by Major C. P. Gearhart and Clarence Seidel, successful candidates, thanking the convention for its support and predicting success for the ticket at the next election.

The following persons have been chosen as members of the Democratic Standing Committee of Montour County for the ensuing year: Anthony township—Francis Shetler and Reuben Jarrett. Cooper township—Philip Beyer and Alfred Blecher. Derry township—George Wolf, Daniel Billmeyer. Liberty township—John Long, W. J. Clark.

Limestone township—Curtis Mince-moyer, Charles Shultz. Mahoning township—M. Breckbill, William Becker. Mayberry township—Peter H. Vought, Rufus Bird. Valley township—W. D. Wise, P. H. Benfield. Washingtonville—A. L. Heddens, Dr. J. S. Hoffa. West Hemlock—W. B. Moore, Francis Shultz. After reconvening in the afternoon the convention at once proceeded to make nominations.

Frank G. Blue for Associate Judge and Major C. P. Gearhart for District Attorney, neither of whom had any opposition, were nominated by acclamation. Clarence Seidel, Henry Cooper, George W. Miles, George M. Leighow and Andrew Billmeyer successively were placed in nomination for the office of County Commissioner. On the first ballot the vote stood: Seidel, 24; Cooper, 6; Miles, 6; Leighow, 12; and Billmeyer 6.

Clarence Seidel, receiving the majority of votes was declared one of the nominees for County Commissioner. The convention then proceeded to vote for another candidate and took two ballots without an election the result standing as follows: Cooper, 6; Miles, 4; Leighow, 12; Billmeyer, 6.

On the second ballot Mr. Billmeyer made the request that his name be dropped from the convention. This was most strenuously objected to by a number of the delegates, who held that the delegates of his district having been instructed for him it was not within his power to withdraw, thereby giving the township to another that might be distasteful to the voters there. They held that the only proper course for the delegates was to hold on to Billmeyer's name and to follow the rules, which provide that at the close of the third ballot the candidate be dropped who had received the smallest number of votes.

The candidate falling the lowest on the third ballot proved to be Mr. Miles instead of Mr. Billmeyer. At this juncture Mr. Miles asked for a hearing. His only desire, he said, had publicly withdrawn as he had a right to do; he therefore could not be a candidate and his delegates under the rules must vote for the next highest. Mr. Miles also held that no delegate can cease voting for the one he is instructed for unless he withdraws or is dropped by the convention. The delegates in Mahoning township, he held, violated their instructions voting in against Miles before he had either been withdrawn or been dropped. Their votes on the first ballot stood: For Leighow 2; Miles 2. Second ballot same conditions existed except that they could vote for only one instead of two. Both Miles and Leighow had carried the township and the votes of the delegates should have been in the same ratio. The convention, he held, erred in continuing to vote for Billmeyer after he had withdrawn. It was contrary to all precedents.

Dr. Barber and Frank L. Miles held to the same view and addressed the convention but the delegates rigidly held to their purpose and refused to accept Billmeyer's withdrawal. It was at this point that excitement began to run high. Amid a storm of protest Miles' name was dropped, as one having received the least number of votes on the third ballot. The result then stood: Billmeyer, 8; Leighow, 14; and Cooper 6.

There being no object on the fifth ballot Cooper was dropped under the rules, the result then being a tie of 14 votes between Leighow and Billmeyer. It therefore fell to the popular vote to decide which of the two should be the candidate. The record showed that Leighow had received a total of

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood. All the blood in your body passes through your kidneys once every three minutes. The kidneys are your blood purifiers; they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble. Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the kidneys are over-working in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar size. You may have a sample bottle by mail. Name of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address Binghamton, N. Y., on every bottle.
