A FIFTY MINUTE SCHEDULE

Beginning with November 1st or as soon after as possible the Danville and Bloomsburg Electric Railway will enter upon a fifty minute schedule instead of the forty minute schedule.

As implied by the schedule a car will leave Danville and Bloomsburg every fifteen minutes during the day. The schedule also shows the exact time at which the car on each trip is due to arrive at the intermediate stations.

The forty minute schedule makes the time of arriving and departure of the cars very easy to remember, but the period of forty minutes after a year's experience is found impracticable under all but the most extreme circumstances.

The Danville and Bloomsburg Company has now removed its summer cars for the season and is using the closed cars, which are heated during morning and evening.

Bateman-Bergstresser. Miss Elizabeth E. daughter of Mr. and Mrs. S. E. Bergstresser, and William C. Bateman were married at 4:35 o'clock this morning in the Bergstresser residence on North Oak street.

The marriage is a complete surprise to all. Although it was known that the young people were engaged, no one had been advised of the approaching nuptials, and the only witnesses were the Bergstresser family.

The bride is one of Mount Carmel's fairest and most accomplished young women. Mr. Bateman is inside foreman at the Central colliery and has a promising future. All unite in extending congratulations. The couple left on the 5:31 Reading train for a wedding trip to points unknown.—Mt. Carmel Item.

The bride frequently visited at the home of George M. West, Pine street. The groom formerly resided in Danville.

Mitchell Day at Shamokin. Miners from all parts of the ninth district will participate in the celebration of Mitchell Day, at Shamokin, next Saturday. There will be a big parade, and the festivities in honor of the day will be the most extensive in that section.

Major Seesholtz Very Low. The condition of Major Isaac H. Seesholtz, of Catawissa, was so low last night that his death was considered only a matter of hours. For some months Major Seesholtz's condition has been serious, and recently he has been gradually failing.

UNION THANKS-GIVING SERVICE

The Union Thanksgiving service will be held in Grove Presbyterian church this year. The Thanksgiving sermon will be delivered by the Rev. J. E. Hutchison pastor of the Malenon Presbyterian Church.

The above was decided upon at a session of the Ministerial Association of Danville which was held yesterday morning expressly for the purpose.

The Thanksgiving offering according to custom will be turned over to the Woman's Benevolent Association of this city, which will retain it until the annual meeting in January when it will be applied to some object that needs it the most.

The Thanksgiving offering last year was rather an insignificant sum and an effort this year will be made to do considerably better.

The Woman's Benevolent Association is a band laboring for a noble object. During the long winters it relieves much actual suffering. It is a fact, however, that its activities are much restricted for the want of funds.

Preaching at Seventy-eight. Rev. Dr. M. L. Shindel, pastor of Pine Street Lutheran church, this city, yesterday in a quiet manner observed his seventy-eighth birthday.

Dr. Shindel enjoys the distinction of being one of the oldest clergymen in active service in this section of the State. His prolonged career in the State is due to his bodily and intellectual vigor, which he retains to a surprising degree.

Rev. Dr. Shindel came to Danville over thirty years ago. During the long period of his pastorate he has been pastor of Pine Street Lutheran church. He is one of the ablest preachers of this section.

Dwelling Remodeled. The brick, residence and store combined, owned by Jacob Shiehart on Mill street adjoining the Armory, has been in the hands of the painters for a week or more past and now presents a very artistic appearance.

The old store building, now the Armory, which for some time past, has begun to look very dilapidated, suffers very much by comparison with the new paint. In point of fact the old building in its air of general neglect is little less than a disgrace.

The Danville and Bloomsburg Company has now removed its summer cars for the season and is using the closed cars, which are heated during morning and evening.

Faith Not Necessary. You may be just as skeptical and pessimistic as you please. Kodol will digest what you eat whether you eat or not. You can put your food in a bowl, pour a little Kodol Dyspepsia Cure on it and it will digest it the same as it will in your stomach.

Union Veteran Legion. The Union Veteran Legion will hold its annual banquet in this city. This is a famous organization of veterans of the Civil War, who saw service for three years duration or upwards.

Many of Them go to Reading. The annual banquet which is booked for Danville will take place on November 15, 1905. The exact place of holding it has not been decided upon, but the fact may be relied upon that it will be a sumptuous affair.

Change in D. & S. Schedule. On and after October 26th, the last car will leave the Hospital at 9:30 p. m. instead of 10:30, and last car will leave South Danville at 9:45 p. m. instead of 10:45.

STAR COURSE OF ENTERTAINMENTS

The Board of Directors of the Y. M. C. A. have decided to present a course of entertainments in the Y. M. C. A. Hall, beginning with Tuesday evening, November 21st, when the Whitney Male Quartette will appear.

The above was decided upon at a session of the Ministerial Association of Danville which was held yesterday morning expressly for the purpose.

The Thanksgiving offering according to custom will be turned over to the Woman's Benevolent Association of this city, which will retain it until the annual meeting in January when it will be applied to some object that needs it the most.

ICE HOUSE AND STABLE COMBINED

Pursuant to action of Council at its last meeting Secretary Patton has granted a permit to the D. L. & W. Railroad Company to construct the switch into the building on D. L. & W. Avenue formerly the Salvation Army barracks.

The prime mover in procuring the switch is the townsman A. L. Delcamp, who has an option on the old barracks and who desires to remodel it into a building for storing ice and a stable combined.

Mr. Delcamp, who handles Pocono ice, receives it at the car load and is obliged to sell it directly from the car. The method attended with a good deal of inconvenience. With a switch running into the barracks Mr. Delcamp will be enabled to store away a car load of ice at a time for use while the next car is on its way.

The switch for which the permit has been granted will branch off from the main track west of Ferry street, which it will cross and extend in an easterly direction to the barracks. The switch, which will practically take the place of one on the spot some years ago when a coal yard occupied the site of the barracks will be intended for general use and will prove very convenient for our merchants who ship over the D. L. & W. Railroad.

Seasonable Weather. The merchants will rejoice at the coming of cooler and seasonable weather, to diminish their stock of Fall and Winter goods.

The storm of last week which swept over the Northern belt of the United States and Southern Canada, was the severest in years in some sections, particularly the lakes, and takes the place of what many people like to call the "line storm."

The structure as it is at present is far too small for the transaction of the county's legal business. In court room number two especially is more room needed. During every term of criminal court the room is packed, interfering greatly with the trial of cases.

A Splendid Idea. A new idea in a Cough Syrup is advanced in Kennedy's Laxative Honey and Tar. Besides containing Pine Tar, Honey and other valuable remedies, it is rendered Laxative, so that its use insures a prompt and efficient evacuation of the bowels.

Northumberland Court House. Plans for the enlargement and remodeling of the Northumberland County Court House are being quietly formulated by the County officials.

Rode Free on Chicago Flyer. Joe May, of West Fairview, some time ago amused the newspaper readers of North America by drifting into the dining room of the Waldorf-Astoria, eating an expensive dinner and winding the thing up by ordering a four dollar cigar before he was kicked out.

Many Ministers to be There. It is believed that nearly half of the members of the Central Pennsylvania Methodist conference will be in Williamsport on Friday to attend the formal inauguration of the Rev. Dr. William Perry Evland as the president of the Williamsport Dickinson seminary.

Every member of the board of directors, eighteen in all, has accepted the invitation to be present and they will nearly all be accompanied by their wives. About fifty of the ministers will be given accommodations at the school. The other visitors will be cared for about the city.

For All Kinds of Piles. To draw the fire out of a burn, heal a cut without leaving a scar, to cure boils, sores, tetter, eczema and all skin and scalp diseases, use DeWitt's Witch Hazel Salve. A specific for blind, bleeding, itching and protruding piles. Stops the pain instantly and cures permanently. Get the genuine. Sold by Paules & Co.

AFTER THIRTY YEARS OF SEPERATION

A romance of married life would be an appropriate title for the story of the reuniting of Mr. and Mrs. Sanford Pegg, the former a Bloomsburg resident thirty years ago and the latter a long-time resident of that town, who were reunited last week after thirty years separation, and are now living together at Scranton.

Thirty years ago Mr. Pegg, who was well known in Bloomsburg and liked by all suddenly deserted his wife, seemingly without any excuse whatever. At that time he was employed as gardener by the late David J. Waller.

During all these years in which his family have reached the years of maturity and his wife and himself have passed into the riper years of their life, nothing was heard from him. During the summer, it is understood, he returned to Bloomsburg for a brief visit, coming as one from the dead. It was only the older generation of town who remembered him.

He returned to Bloomsburg last week again; visited his wife and the two decided to live together as man and wife. Mr. Pegg returning to Scranton where he is employed and where they will make their home from this time. The years have dealt kindly with both of them and it is possible that the thread of their married life, broken thirty years ago, will be united for many years to come.

These Famous Little Pills are so mild and effective that children, delicate ladies and weak people enjoy their cleansing effect, while strong people say they are the best liver pills sold. Sold by Paules & Co.

Choir Entertained. The choir of Trinity M. E. church, with a few friends, enjoyed a hack ride on Friday afternoon to the home of Mr. David Foust, near Limestoneville.

The choir of Trinity M. E. church, with a few friends, enjoyed a hack ride on Friday afternoon to the home of Mr. David Foust, near Limestoneville. The evening was pleasantly spent with music and having a general good time. An elegant supper given by Mrs. Foust and her daughter, Mrs. Cromley, was much appreciated by all. The following persons were present: Mr. and Mrs. Thomas Kluger, Mr. and Mrs. George Lanzer, Mrs. David Roderick, Misses Mame Kear, Sarah Kear, Edith Reese, Anna Reese, Catherine Shatt, Martha Keim, Odessa Romstler, Alice McCormick, Messrs. William Keim, John Henning, Walter Langer, Strawbridge Ronnsley and Chandler Samon, of Danville, Mr. and Mrs. W. Deen and sons Allen and Ralph of Limestone, Mr. Walters of Milton.

THE CRITICAL PERIODS IN A WOMAN'S LIFE. Are When the Change Comes From Childhood to Womanhood and Later When the Organs of Pelvic Region Cease their Work.

Dr. A. W. Chase's Nerve Pills. When the child changes from girlhood to womanhood and again later in life when the organs of the pelvic region cease their work, there is a strain thrown upon the nervous system, that requires outside aid that there may be supplied a proper amount of additional strength and restorative power.

Ex-High School Wins. The Danville Ex-High School football team easily defeated the Bloomsburg Normal seconds by the score of 11 to 0, in a fast, exciting game, at Danville Park, Saturday afternoon. The line plugging of Sechler and the big gains made by George Maier and Daner were features of the game. The visitors were outclassed at every point.

The line up: Danville Ex-H. S. Bloomsburg. Corman, center; Brosdofsky, Miller, right guard; Lynch, James, right tackle; McCreary, Sechler, left tackle; Bray, Cohen, left tackle; Dolewally, G. Maier, left end; Root, McClure, right end; News, Rosenthal, right tackle; Wilkinson, W. Maier, left half back; Shuman, Peters, right half back; Meisberger, Daner, full back. Settler, Townshend, Danner, 2. Goal—Danner. Linemen—Johnson, Scherr. Referee—John Hinckley.

The Trials of Life. The question was asked of an old and noted Philanthropist of New York what shall I do? I am so debilitated. His answer was do as I and others have—use Speer's Port Grape Wine; it is unexcelled. Farmers around Milton are complaining of thieves stealing their corn from the stacks. Detectives are on the track of the depreddators.

ELDERLY WOMAN'S CLOSE CALL

An elderly lady whose name could not be ascertained came very nearly being run over by Foust's Brewery wagon on Saturday evening. No blame whatever attaches to the driver, who was Mr. Foust himself, as it was wholly by his care and prompt action in stopping the team that an accident was averted.

The woman was quite elderly and seemed to be hard of hearing. She was in the act of crossing Mill street from the People's Bank to Hunt's drug store and stepped from the sidewalk on to the street right in front of the horse attached to the brewery wagon, which were coming up along the curb at a slow trot.

As soon as Mr. Foust took in the situation he pulled in his horse; at the same moment the woman realized her position and in her excitement she fell flat on the pavement. The horse in obedience to their driver halted, but it was a close call and before the team could be brought to a standstill they were so close to the woman that one of the horses struck her with his knee as she fell.

Willie lads assisted the woman to her feet, when she was found unhurt. Very much frightened she went on her way. A Guaranteed Cure For Piles. Itching, Blind, Bleeding or protruding Piles. Druggists refund money if PAZO OINTMENT fails to cure any case, no matter of how long standing, in 6 to 14 days. First application gives ease and rest. 50c. If your druggist hasn't sent 50c in stamps and it will be forwarded post-paid by Paris Medicine Co., St. Louis, Mo.

Nearly 4000 Voters. The candidate who starts out to see the voters of Montour county has no small task on his hands, if he wishes to be broad and liberal and to take in the voters of all parties.

There is nothing on record to show what General Montgomery's answer was in the premises, but it is pleasant to fancy that the man who built and occupied the interesting old dwelling at Mill and Bloom streets, now regarded with such much pride as a landmark, found it convenient to accept the invitation and that thus the father of Danville did actually dine with the Father of his Country.

There is also a letter from Benjamin Franklin bearing date of May 27, 1786, addressed to William Montgomery when the latter was "President of the Courts of Common Pleas, Quarter Sessions and Orphans Court of the County of Northumberland. The letter deals with the troubles in the Wyoming Valley and illustrates the confidence reposed in William Montgomery's wisdom and integrity by such an eminent Statesman as Franklin. In part Franklin writes as follows:

The Council has received your letter by General Bull containing the account of fresh disturbances at Wyoming. We are sensible of your attention to the public welfare manifested in these dispatches and desire that you would continue to send us what further information you may from time to time obtain, using in the meantime all the means in your power to quiet the minds of the unhappy settlers there, by assuring them that there is the best disposition in the government to treat them equitably and with kindness and to take them under its protection on their demonstrating by their peaceable and orderly behavior that their sentiments expressed in their late petition are sincere and that they are truly disposed to become good citizens.

I am with much esteem, sir, your most humble servant, B. Franklin, President. There is among the letters one from William Montgomery to his wife written at Wyoming while a Commissioner at that place on April 21, 1788, which is quite characteristic in its way, and showing that in addition to his other virtues William Montgomery was a dutiful and a loving husband and father. Following the letter is in part: My Dear: I wrote you yesterday, but having an opportunity now which I think will be quicker I gladly embrace this opportunity to give you my mind, but too easily impressed with apprehensions for my safety, that I am here safe and well, that there is no apprehension of the least danger from the savages. The people here are very quiet and I hope that we will finish our negotiations successfully. I believe they will cede their claims to the Pennsylvanians on certain terms which the Pennsylvanians are willing to grant. Thus there is probability of peace here as well as elsewhere. A circumstance which will be to our advantage as well as comfortable as it will promote the trade and intercourse of our branch; it will open the way to employment in my new business and tend to the more genteel support and education of a rising family. For this purpose I can cheerfully undergo all the fatigues; nor will I consider it other than a pleasure if it contribute to the enjoyment of anything whereby I can gratify so much my dear person as your self, which to do is and I hope will continue to be the pride and glory of your affect'd friend, WM. MONTGOMERY.

Instantly relieves and permanently cures all throat and lung diseases; prevents grip and pneumonia. At Paules & Co., druggists; guaranteed; 50c and \$1.00. Trial bottle free.

THE FOUNDER OF DANVILLE

Through the courtesy of I. X. Grier, Esq. we have been permitted to examine a lot of interesting documents relating to his great grand father, General William Montgomery, which show that the founder of Danville was not only active in local affairs but that he was also prominent in public life, filling high positions of trust and responsibility and in a strictly literal sense helping to mould the destinies of the nation.

It would be a hard headed matter of fact person, indeed, who could gaze without emotion upon the time stained documents with their ancient chirography penned not in the last century, but in the one still more remote, which so strangely allude to the savages here about and hint at the welfare of enterprisers which long ago cease to exist.

General William Montgomery was one of the Commissioners appointed by the Supreme Executive Council of Pennsylvania, in 1787, "for executing the Act of Assembly, entitled an Act for Ascertainning and Confirming to Certain Persons Called Connecticut Claimants the Lands by them Claimed in the County of Luzerne." His commission given in Council under the hand of the Hon. Charles Biddle, Vice President, is a quaint document, given "in the Name and by the Authority of the Freemen of the Commonwealth of Pennsylvania" and stating that "reposing special trust and confidence in his prudence, integrity and abilities" the Supreme Executive Council had appointed William Montgomery, &c.

Further attesting General Montgomery's high standing, socially and politically, among the old occupants is an invitation extended to him to dine with the Great Washington. It reads as follows: "The President of the United States requests the pleasure of W. Montgomery's company to dine on Thursday next at 4 o'clock 6 Jan'y, 1794. An answer is requested."

There is nothing on record to show what General Montgomery's answer was in the premises, but it is pleasant to fancy that the man who built and occupied the interesting old dwelling at Mill and Bloom streets, now regarded with such much pride as a landmark, found it convenient to accept the invitation and that thus the father of Danville did actually dine with the Father of his Country.

DANVILLE WINS FIRST GAME

The popularity of basket ball in Danville was again manifested Fri. evening by the big audience that turned out at the Armory Hall to witness the defeat of "Our friends, the enemy," from Bloomsburg by a score of 25 to 20, in the opening game of the season.

The hall was packed with enthusiastic rooters, many from Bloomsburg being present. Neither team played a star game; both being defective in passing and in locating the basket. In the first half especially was the shooting faulty. The play, however, was spirited throughout the contest, and the interest never flagged.

Danville took the lead at the start with a goal made in the first few seconds of play. Their standing on the tally sheet was not changed, although several times Bloomsburg lacked but one goal of gaining the lead. The first half ended with Danville 4 points in the lead by a score of 12 to 8.

In the second half better goal throwing was done by both teams, and for a while Bloomsburg seemed to be getting the better of it. But with Danville only one point in the lead Peters and Johnson threw three difficult goals in quick succession, and closed the argument.

The line up: Danville. Bloomsburg. Peters, forward; Williams Johnson, center; Gilmore, Allen Sechler, guard; Gilmore, Russ-H., guard; Appleman, Danner, guard; Edgar. Goals from field—Peters, 6; Johnson, 4; Allen, 4; Appleman, 2; Gilmore, 2; Williams, 1; Sechler, 1; Edgar, 1. Goals from fouls—Peters, 3; Umpire, Jos. Rosenblatt.

Astonishing Incidents. It was, to all her friends, an astonishing incident, that Mrs. I. B. Allen, of Lime Ridge, Wis., was cured of her dreadful sickness. "Doctors," she writes, "had given me up; friends were ready to bid me the last farewell; clouds of despair darkened my horizon, and I was a wreck on the shores of despondency, when I began to take Electric Bitters for my frigid stomach and liver complaint. To the astonishment of all, I was benefited at once and am now completely and miraculously restored to health." At Paules & Co.'s drug store; price 50c; guaranteed.

Reading Engineers at Shamokin. A party of thirteen Reading railway civil engineers arrived at Shamokin Friday, with the announced purpose of surveying all the company's tracts in that vicinity. The members of the party refer to talk about their work. It is believed they are there to work up this end of the short line to Philadelphia by tunneling Broad Mountain.

Plans to G. Rich. are often frustrated by sudden breakdown, due to dyspepsia or constipation. Brace up and take Dr. King's New Life Pills. They take out the materials which are clogging your energies, and give you a new start. Cure headache and dizziness too. At Paules & Co.'s drug store; 25c., guaranteed.

Will be a Success. The delegates to the Grange Convention to be held in Sunbury are a fine class of people and already the best people in Sunbury are deciding upon the number they can lodge for the four nights. The convention will without doubt be a great thing for Sunbury.

Will Admit Indigent Cases. At a meeting of the Board of Directors of the Joseph Ratti Hospital, at Bloomsburg, held yesterday, it was decided to admit emergency accidents and medical cases to the wards without waiting to determine whether the patient was able to pay for treatment. The directors also decided to install an X-ray machine and fit up the basement as a laboratory.
