# SEMI-CENTENNIAL AT GROVE CHURCH

BLOOM STREET.

NORTH.

The concluding service of the Semi-Centennial of the Grove Presbyterian church was held Tuesday eve. Owing to a breakdown at the Borough light plant the streets were so dark as to be well nigh impassable, a circumstance which kept down attendance somewhat. Nevertheless, a good-sized congregation was present. The exercises were intensely interesting.

After an organ prelude by Miss Ruth Gearbart and the singing of a hymn, Rev. S. V. Bedickiau, of Washingtonville, offered prayer. Miss Margaret Ammerman sang a solo, "My Redeemer and My Lord," which was followed with messages from former pastors.

Under the above head a letter was read from Mrs. Collins, whose hasband, C. J. Collins, D. D., was pastor from 1856 to 1865. An extract from the autobiography of Rev. J G. Carnachan, LL. D., who was pastor from 1866 to 1869, alluding very feelingly to the people of the Grove church, was also read to the congregation.

The choir theu rendered an anthem, "Send Out Thy Light," after which an address was delivered by Rev. E. C. Armstrong. Mr. Armstrong spoke journ in Danville and in reviewing elected. the progress of events that marked his nastorate of the Grove Church. rejoiced at the advancement made by the church but was saddened by the vacant pews-by the fact that so many faces have vanished from earth.

Rev. R. H. Van Pelt, who was pastor from 1869 to 1874. Mr. Van Pelt said his address would be have a plain vein of remarkably good humor and dwelt upon his reception as a young and then became reminiscent. He graphically told of the last sermon in the old brick church and described the tearing down of its walls. Next came the greetings, in which Rev. Dr. Hemingway, of Bloomsburg, Moderator, spoke for the Northumberland Presbytery, Rev. Dr. M. L. Shindel, as President, for the Danville Ministerial Association, and Rev. James E. Hutchison, pastor, for the Mahoning Presbyterian church, of Danville.

The evening closed with a reunio in the lecture room, during which refreshments were served.

Dr. A. W. Chase's Nerve Pills.

The blood is the medium through which every tissue, every organ is supplied with the material it feeds upon and rebuilds itself with. Take away and rebuilds itself with. Take away that nourishment by letting the blood run down in quantity and quality and you take away the power of an organ or tissue to resupply waste or rebuild itself. In other words, the system starves; color, appetite, steadiness, energy, vigor, vitality-all are lost and the world for entertainments, family dition of mental and physical prostration sets in. This condition Dr. A. W. Chase's Nerve Pills positively cure by their power to manucarrying blood, a blood that carries to every organ the very material it lives and thrives upon.
